## Introduction

Taking off from *Financial Wayshowing and Stewardship*, I'd like to offer people on the go, who may not have time to read a whole book, a gloss or abridgement of its most important points.

Never before in history has such an event happened. Never has a relatively-small group of individuals found themselves at the heart of a redistribution of wealth on this planet.

Never before has a group of people from disparate backgrounds found themselves tasked with entirely rebuilding economic paradigms.

Never before has such a large group of light workers, around the world, found themselves working consciously and directly for the Divine Mother on a project of planetary scale and universal importance.

What we do here matters. What we will do will make a profound difference to life on this planet. What we're aiming to do is to create a world that works for everyone. And I know we can do it.

Because I spent six months in such a world - six months in a state of higher-dimensional love in which my world worked for me and everyone in it.

I hungered for nothing more than I had - which was an inner torrent or tsunami of love. That was a world that worked for everyone and it's where we're headed.

We can have this be fun. We can have it be ennobling, touching, profoundly moving.

And why should we not? All the reasons in the world are falling away from us as the energies rise higher and higher.

Join me in getting it right this time, in building a new Earth that sees to the well-being of everyone of its inhabitants, that sees unity and social capital as important and worth investing in.

I'd like to thank Linda Dillon in particular, whose channeled messages form the greatest part of this booklet.

May you dream big, plan big, and build big in these most unusual and empowering of times. What we build today will have unimaginable impacts and consequences. What a privilege it is to build with you and serve with you.

## Questions and Answers

### *It's the day after the Reval. What do you recommend I do?*

Archangel Michael: First of all, do not go on a buying spree. That has never and will never be our guidance. (“Archangel Michael on Financial Wayshowing,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

Archangel Michael: Do not be precipitous. Stand still. Now that may sound like very amateurish advice. It is one of the most difficult things for human beings to do. Go to the stillness.

Do not feel the immediate necessity, which is an invention of your imagination and ego, to jump into action. Give yourself the opportunity to breathe, to allow this shift in reality, in what you have described as your personal landscape, to sink in.

Yes, there is an entire world waiting to be rebuilt and it is not achieved if you jump the gun. It is not achieved if you are going full steam ahead and then collapse because of stress. Stress is a physical reality. It is not you simply creating drama. It is a bio-physical, electrical, spiritual reality.

Give yourself time, yes, to breathe, to withdraw if necessary, to scan the environment, to enjoy yourself, to celebrate and then, in a sense of no hurry, go forward. ...

You have need to make sure that you take care of your sweet physical self. Yes, there are the challenges - new home, new situation, time out - but do the practical things that I recommend as well - bodywork, massage, cranial-sacral, relaxation, cycling, working out, eating properly - now this is going to be a challenge - sleeping.

All of these very basic human necessities will have need to be addressed. If you are exhausted, if you are running on caffeine and adrenaline, you do not come from a place of compassionate wisdom. And, dear heart, that is what we do. And the compassionate wisdom requires that you take care of the physical vessel that you have designed with us.

So step number one is pay attention. (“Archangel Michael: You Are Not Crazy,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

Take care of yourself.

Pay off all debt. Make sure it’s gone. Not because there will not be debt adjustments but because we do not want you, any of you, having that stress. It weighs on your shoulders. It weighs on your heart. ...

Make sure there is no such thing as mortgage. Make sure you have the roof over your head that you desire.

Take a trip. Play. Gather. Build. Come together as community. These are the things we wish to see. And there will be small projects like fixing the roof of your elderly neighbor. And there will be larger projects that you will participate in like feeding the community in Africa and making sure that their infrastructure is reconstructed. So it is both.

Mainly enjoy it. It is a gift. (“Archangel Michael on Financial Wayshowing,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

### ***What should our attitude towards our new good fortune be?***

Archangel Michael: If you participate in this, the whole idea is the reset of values, of grace, of charity. There is so much more joy in sharing. No one is intended to be a miser in their house with the doors locked and the windows closed, counting their gold. There is no joy in that.

So the joy is in the sharing, with your friends, with your family. First and foremost attend to yourself and your friends’ and family’s needs.

And I am not speaking of being overly cautious because the whole idea is the knowing that you can create, that you are part and participating in creation. (“Archangel Michael on Financial Wayshowing,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

***When stress goes up, awareness goes down. So at the very time when I need awareness, discernment, memory and all the rest of it, I'm denied access.***

AAM: And that is why attention to the de-stressors that you know of, such as meditation, bodywork, fresh air and sunshine have need to be paid attention to. And I say this very strongly. It has need to be a requirement not only for you, my beloved friend, but for your entire organization.

Working endless hours under stress to think that you are completing the mission is not completing your mission. If you are not taking time for joy, for laughter, for love, then you are not completing your mission.

Take the time to engage in the laughter, engage in the glee, and the sense of "Our diligence has paid off." We are not insane. We are not crazy. But we have full permission to act a little crazy for while. Go play. ("Archangel Michael: You Are Not Crazy," *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

What I say to you, whether you have inherited money, whether you have earned money by the sweat of your brow, whether you have won the lottery, or whether you have invested in currency, it matters not. Whether you have been a recipient of one of the prosperity funds — and there are many of you who have [signed up for it] — the point is to share.

Now, I tell you this because it is very important. Take care of yourself. It is part and parcel of honoring the vessel that you have chosen to inhabit, to ascend in and with, and to continue on as vessels and wayshowers and builders of Nova Gaia. You take care of your family, your friends, your soul family. And I do not mean in a small way. You provide.

And, my friends, I am always telling you to dream big! So allow those dreams to come forth, but take care of the basics as well — your health, your home, your family — and then share! It is that simple. ("Archangel Michael on Financial Wayshowing," *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

***What kind of projects are we talking about here?***

Archangel Michael: We are not talking merely small projects. We are talking about projects that will change the face of Gaia.

So, proceed bravely. That is what the role of the pathfinder is. It is the shower of the way, not the follower. ...

We do not simply send down rains of money — although that can happen as well — but for this instance we want you, we ask you, and we guide you very clearly to practice discernment.

And discernment is quiet. Discernment is not showing. Discernment is being the observer, not the judge.

It is not a question — let me be very clear — of “Do I deserve this?” It is a question, in any situation, whether it is \$10 or \$10 million, it is a gratitude to the heart of One for the blessing you have received. And then, from the place of the discerning observer, to decide what is important.

I have said to you that this is a time of choices and decision. You decide what is important.

And what can be more important, first and foremost, than taking care of your sweet self and family?

Then you discern, with your heart. What appeals to you? Is it projects that promote free energy? Are you the unseen benefactor? Are you one who wishes to build new schools, what we would think of as nova schools, star schools? Do you wish to be in communications, like you, Steve?

So, you discern where your heart and your mission and purpose has always pulled you towards. And then you invest not just money, but your energies, your love, your focus in that direction.

Always with your eye on the larger undertaking: what promotes love and spirit? What creates the new Earth? What anchors the Cities of Light? (“Archangel Michael on Financial Wayshowing,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

***Do you want us to focus on money?***

Do I want you to be focused on ... money morning, noon and night? Absolutely not. Do I want you to be focused morning, noon and night on what you can create and bring forth and share with humanity? Absolutely, because you have the heart, the knowing and the

spirit to deal with this, because you have expanded. (“Archangel Michael on How to Work with the Reval,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

***Am I correct in thinking that those people who cultivate generosity will be used as channels for further abundance?***

Archangel Michael: Yes, that is correct. Understand: love begets love; generosity begets gratitude, begets generosity; joy begets generosity, begets gratitude. You are absolutely correct.

You see, one of the starting points of the density of the old Third was this issue of hoarding and greed. I will hoard what I have and I will not share. So it is like having a campfire to cook meat on and not being willing to share an ember with your neighbor. Well, you already have your campfire. Why would you not share? Is it as if someone is stealing your power? That is absurd.

This hoarding is the root [of the old Third], because it is fear-based. It is the belief that you are not taken care of. ... There are people all over your planet who become, through circumstance or what you believe is luck, instant millionaires. And then in those groupings there are those that become benevolent and generous, and then there are those who choose to maintain the old paradigm and hoard.

What you are doing is setting the new paradigm, and that is that unity is important. (“Archangel Michael on How to Work with the Reval,” *Financial Wayshowing and Stewardship*. Vancouver, Golden Age of Gaia, 2017.)

Steve Beckow: Now I have been saying to readers that the Company of Heaven is watching financial wayshowers and stewards...

Archangel Michael: That is correct.

Steve:... And that those who do well – in other words, do the job of hydrating society – will find themselves supported to go forward.

AAM: That is correct.

Steve: ... It’s correct. Okay. I don’t want to be saying something to them that’s misleading. Thank you for being definite about that. (Archangel Michael in a personal

reading with Steve Beckow through Linda Dillon, July 1, 2016.)

So is it important that humans – because this is what they're used to working with – have currency to create this healing of the human race and, yes, of soil and water – but that is because they have sullied it as well – and give Gaia a chance to breathe again.

And are you moving past this fantasy that there is lack and limitation in the universe and upon your planet when it is already being demonstrated that there is such abundant wealth in the tangible meaning of the word and the intangible meaning of the word? The answer is yes.

So when you say: Will I be a pipeline? The answer is yes. (Archangel Michael in a personal reading with Steve Beckow, Oct. 11, 2016.)

***Must I worry about my safety?***

Archangel Michael: I have repeatedly said to thee, not to worry about your own physical, or emotional for that matter, safety. You are grandly protected and, yes, I do take credit!

But there are many others who also accompany you and of course your cadre, your circle and we do not simply mean your immediate circle. We mean this in a very broad circle of light workers and love holders.

***Is it only me or does that apply to all financial currency holders and way showers?***

Archangel Michael: No. Now let us suggest this. We are not saying - because that is how it can be interpreted - that some are loved and cared for and protected and some are not. Because that, again, would be a separation of ways.

But in fact, as you have witnessed, and will further witness in the very near future, is that there are some engaged in this, what you think of as a currency exchange, that truly do not come, can we say, from the fullness of the Mother's purity and desire and most certainly St. Germaine's desire for this transaction.

What we mean, and we have discussed this with you before, about how some light workers and certainly the external community, the broader community is still coming from a place of selfishness and greed and self-interest.

Now we do not say this in a way of condemnation or fault or anything. But there is a pattern. Let us just talk a minute about this.

Where there is selfishness and greed, there is often, and you see it every day in your various societies. There is a tendency either to extravagance and flamboyance... ostentation - or hoarding. And hoarding is simply on the other end of that spectrum. It is still the demonstration of, "Look what I've got." ...

Now are we going out of our way to provide overlighting and protection to those who are neither asking or requesting or even truly accepting our protection? The answer is no.

Now it does not mean that those people's Guardian angels and guides do not watch over them. Of course they do and they are being infused, as you well know, by all the various frequencies so there is always a chance for a last-minute revelation. ...

So are the light workers who are diligent and see themselves in a stewardship role greatly protected? The answer is, "yes". And you most certainly are mightily protected. The answer is, "yes." (Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, June 9, 2017.)

### ***What is the future of financial stewards?***

Archangel Michael: Those who are in a position of stewardship, of beginning projects that lead the way to the building and the re-creation of what Nova Earth is truly about ... become the spokesbeings for many. (Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, May 27, 2016.)

### ***When do we start building the new domain?***

Sanat Kumara: You are already co-constructing with us what you are calling the new domain. So it is not an arduous task. In fact it is a joyful task. And it is already underway. ...

Do not discount this – please. And this is back to where we have begun with the denial and the downplaying of what you have done and what you are doing.

It is happening on the conscious, the subconscious, the unconscious, the astral, the angelic realms both in and out of your body. Yes, much of it is night work but much of it is conscious work as well.

When you talk, and I'm not simply speaking of you but I'm talking about the willingness to bring what has been thought of previously as exceptionally-esoteric material to

common everyday discussion, to talk about the need for peace, for the elimination of abuse, which is simply peace, for the creation of equality, for the creation of sacred partnerships which are anchored in freedom and love, not control or finances. So you are doing a great deal of the work.

You have been laying that foundation not only pre-construction but you have been doing the work and I'm talking to all of you now. The limitation of core issues, the expansion into love – all of this is changing the world that you live in.

When you travel at night with Michael and you go to the places of violence, whether it is in Syria or Los Angeles, it matters not. And you are diligently anchoring within the hearts of those who create violence the desire for peace. When you comfort those who are the victims of violence and you reassure them of their worth and that they are loved and seen and known - what you think of as night work – when those people wake up the next day, they are changed.

They are anchored in a different vibratory rate. Not simply because Michael has been in attendance but because many of you have been in attendance as your higher, universal, angelic, starseed self. And you have spared nothing in bringing these people along. And by sitting at home and sending love and hope and peace all over the planet you are creating the new domain. (“Sanat Kumara: You are Changing the World You Live In.)
