What is Ascension?

February 6, 2021

Have you landed on this page because you're wondering what in the world is going on?

If so, you may be jumping from site to site, looking for the answer.

Sometimes you may come upon an answer and then find something wrong with it that wasn't apparent from the beginning and you move on.

To help you find whether this site is what you're looking for, let me state where I (the other editors have their own perspective) am coming from.

I call myself a "lightworker." That means, in practical terms, that I serve the Divine Mother to the best of my ability. I also serve Archangel Michael.

I'm a "truther" as well and a supporter of the Alliance of military and political leaders who are, as we speak, freeing the planet from management by what John F. Kennedy called a "secret society." That society is known as the Illuminati, deep state, cabal, New World Order, etc.

I'm also a happy user of channeled literature. I've created several databases on (A) the Ascension events you're presently inquiring into, as well as (B) life after death and (C) enlightenment (the purpose of life) and the Trinity (what there is to realize). (1)

These were created as resources for you and for this time.

Since 1974 I believed that I'd find the most reliable and advanced discussions of things in credible channeled literature - and I feel greatly rewarded by what I've found.

Our channeled sources have been telling us, for centuries really, (2) about the events of this period. So just be aware that we post the perspective from channeled sources.

I call them "the Company of Heaven," one name among many. They include the Divine Mother (the active face of God and God's only voice - the Voice of One crying in the wilderness of the Transcendental), the celestials (including the elohim), our star family, terrestrial ascended masters, terrestrial afterlife communicators, and so on.

Depending on the resolution of the microscope, this is what they tell us is happening.

Ascension

If we go far out in resolution, for the most panoramic view, then what's happening can be summarized in one word: Ascension.

What is Ascension?

As the heavenly bodies rotate and revolve, they pass through a series of ages. These ages are organized into cycles. We're at the end of one cycle and the beginning of another.

You can say the Piscean Age is passing and the Aquarian Age beginning. You can say the Dark Age (Kali Yuga) is ending and the Golden Age (Sat Yuga) is opening. Every spiritual tradition probably has a name for what's happening right now.

You're probably looking around and saying. "What Golden Age?" Well, as this planet's ruling elites see the masses rousing themselves from their sleep of ages, we're witnessing resistance from both. But let me come back to that later.

At the end of every cycle, there comes an opportunity - if we can hold the higher, more refined vibrations - to ascend to a different and higher frequency of existence.

The way life works apparently is that there are different societies existing at different frequencies, the lower being unaware of the higher. These frequencies are usually called "dimensions," sometimes "planes." All of this and why it is so becomes understandable if we first comprehend the purpose of life (for more on that, see footnote 3).

If we can hold the frequency of the next higher dimension at this time of Ascension, we'll get to re-establish ourselves there, in no small measure due to the huge assistance we're getting from the Company of Heaven (in a word, waves and waves of stronger and stronger love).

What we call "Ascension," like everything else, is known by different names in different religions. Jesus (or the New Testament) called Ascension the Rapture, Salvation, and Resurrection. The Buddha called it buddhahood and nirvana. Hindus have called it Moksha, Mukti, Vijnana, and Sahaja Nirvikalpa Samadhi. This whole site is about it in one way or another.

The ascended one need go no more out of the temple (of the higher dimensions). They would have immortal life (i.e., they would never need to be reborn into physicality). They would sit with Jesus in heaven (i.e., the Fifth-Seventh Dimensions). (4) There are many discussions of Ascension but they aren't known for what they really are.

Ascension is both a gradual and a sudden process. Our bodies change slowly from a carbon-based structure to a crystalline one. That makes it more refined and able to withstand the purer states we'll be in. But the conversion takes time.

After our gradual preparation, there will be a final "snap," Archangel Michael called it. (5) This is Sahaja Samadhi, which will permanently and fully open our hearts. This event formally marks the culmination of our Ascension. (6)

There may be other sudden events along the way, most particularly, a partial and temporary heart opening.

The story of the folks here to help us with Ascension, the folks who are choosing not to go with us, where we're headed, where we've been so far is fascinating.

So let's start there. We're in a period of Ascension, during which everyone who can live, exist, and thrive in the more refined vibrations of the Fifth Dimension will find themselves gradually and then suddenly ascending.

The experience will be like opening to a whole new world of consciousness at the same time as being flooded with a love of a kind that we never dreamed existed.

You'll find libraries of articles about it on this site, several databases connected to it, an archive of radio shows with the Company of Heaven, lists of articles by categories, more info than we ever dreamed of producing! More info than you might have ever dreamed of reading.

I predict that it's the beginning of a library of Ascension-related information that will later be read by other civilizations as well as our own.

Tomorrow we'll discuss one other group among the cast of millions: our star family.

Archangel Michael: Everyone is at different stages. And for some the snap will be far more significant than for others: that is why there is a period of adjustment.

But the level of great awakening that is already occurring, all over your planet with the exhaustion of the human race is the best news that we have witnessed in a long time.

So, for some, they have already ascended. And that is what sweet Kathleen feels: she knows that the awakening has already occurred and there are already many flying in and out, and that they don't require a snap.

Some will require the 'Full-Snap.' (Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, Nov. 21, 2014.)

(6) Steve Beckow: I'm trying to understand what level of enlightenment Ascension corresponds to. And I think it's beyond the normal seventh-chakra enlightenment. I think it is what is called — and I'll make this clear to readers — sahaja samadhi. Am I correct?

Divine Mother: Yes, it is beyond what you think of with your seven chakras. ... We have emerged from the Third-Dimensional realm, which is that reference point for the chakra system, into the new. So yes, you are correct, in this question and in this statement. What is Disclosure?

February 7, 2021

<https://goldenageofgaia.com/2021/02/07/for-the-newly-arrived-reader-part-2-4/>

If you can forget everything you've ever been told about extraterrestrials and most of what Hollywood has shown you, it'd be better to do so to understand the real picture.

First of all, as Mike Quinsey's Higher Self reports: "Your Universe is teeming with life at levels mostly in advance of your own." (1)

When Mike was channeling SaLuSa, the latter had this to say about Earth and the teeming universe.

"The Universe is teeming with life and but for the protective barrier that encases your Earth, you would by now have openly met with many other civilisations.

"We also police your Solar System to keep out intruders and other Beings who are curious about your existence. In fact many still monitor your activities as your presence is attracting a lot of attention.

"As far as possible we have kept other Beings away from Earth, so as not to allow [interference] with your evolution. Those that are allowed to contact you are karmically involved with you and are largely responsible for assisting you through different stages of your cycle." (2)

Various civilizations have played a role in humanity's evolution on Earth - the Pleiadians, Sirians, Andromedans, and Arcturians, to name a few. Matthew Ward describes them:

"Of the innumerable other civilizations in this universal family, many are advanced consciously, spiritually and technologically far beyond Earth's current population. Members of some of those civilizations are the ancestors of Earth's peoples, and they are assisting the populace and the planet in myriad ways—some are in spacecraft surrounding Earth; others are living among you." (3)

They're here collectively to help Earth through this milestone event - the first mass, physical Ascension in the universe. The first time a whole planet has been invited to ascend preserving the inhabitants' physical bodies.

It's said that the whole universe is watching Earth right now and this is why.

When peace has been restored to Earth, our star family will disclose their presence.

Even in my lifetime they've saved this planet from destruction numerous times, as Matthew Ward hints at, above. This world was fast being made uninhabitable because of the depleted uranium our weapons were releasing into the atmosphere. (4) The galactics removed it. (5)

They've moderated the impact and nullified the microchips of every pandemic and vaccine since AIDS. They've destroyed nuclear missiles mid-flight, redirected weather-warfare hurricanes, and moderated earthquakes and tsunamis, all while observing the law of karma.

We need not fear them. It's they who need fear us. Witness the fact that many inventions they gave us never made it to the public, free-energy devices being only the best known. We don't keep our word and we harm extraterrestrials in flight and when we capture them.

Apparently even our physical presence can be challenging to them, says Mike Quinsey:

"Hitherto they have kept at a distance from you because your vibrations have been so low they would be unacceptable for them, but thankfully you now have the opportunity to lift yourselves up to a higher level." (6)

Tomorrow I'd like to discuss the aspect of what's happening we call "Accountability." That will see a change of planetary management from the New World Order to We the People. And it will raise our vibrations, making it easier for the galactics to work with us.

(5) Steve Beckow: If the galactics had not neutralized depleted uranium, would this planet have died?

Archangel Michael: Yes. Now let me explain. It is not just that she would have died. It would have been that her will to continue on would not have been there.

SB: Wow, eh? That serious.

AAM: Yes, that serious. (Archangel Michael through Linda Dillon, personal reading for Steve Beckow, August 6, 2013, at <http://goldenageofgaia.com/2013/08/haarp-chemtrails-and-depleted-uranium-all-neutralized-or-gone/>.)

What is Accountability?

February 8, 2021

<https://goldenageofgaia.com/?p=317375>

Accountability refers to the phase of Ascension in which those who are attempting to control and dominate the planet surrender that control.

We're right in the midst of that phase at the present time.

I've posted Matthew Ward's discussion of the Illuminati in another recent article.

(1) Let me let Matthew say here that "the Illuminati 'operation,' you could say, has been responsible for all major wars, divisiveness, impoverishment and rampant deception and corruption for the past 265 years or so." (2)

Since the 1950s, the CIA has run what they called Project Mockingbird, an operation designed to bring the mainstream media under CIA control.

Now most anything of importance on the news and related programs comes from a CIA-sanctioned feed. Therefore we'll hear nothing about the planet's controllers from them.

How can I say what's happening without traumatizing you? The Illuminati is into human trafficking, child sex trafficking, adrenochrome production, (3) snuff flicks, the international drug trade, the subversion of politics, the military, medicine, education, etc.

The pandemic represents their plan to cow, contain, and control the Earth's population. The vaccine was their instrument to poison the population and infect it with microchips. None of it will work.

The attempt to steal the American election traces back to them and national governments who align with them.

After the assassination of President Kennedy, a coalition of military and civilians at one time called the White Hats and Faction 3, (4) now called the Alliance, began studying the Illuminati playbook and planning for their downfall.

What you won't find discussed in very many places is that a coalition of advanced civilizations in higher dimensions, which includes the Federation of Light and the Unified Forces of the Outer Galaxies, have been helping the Alliance. Or perhaps I should say, more aptly, helping the Divine Plan, the Mother's Plan.

It was they who alleviated the virus' impact and neutralized the vaccine to the extent allowed. (5) It's being said that the Trump team destroyed the microchips; there may have been cooperation and collaboration between the galactics and them.

The attempt to intervene in and steal the American election amounts to treason. The Alliance has been collecting evidence on the attempt to steal the instruments of state since I became aware of them in 2007.

Now let's take the microscope back out to the general view. At the end of each cycle comes the opportunity to ascend. For those who dwell in darkness, this is not a pleasant time. The rising energies create discomfort for them, which finally ends in their demise.

As the Arcturians speaking through Suzanne Lie said in 2014:

"As Earth expands her frequency, those of a very dense frequency will not be able to tolerate this Earth. They will get diseased. They will die. They will not be able to live. It will be too high of a light for them to tolerate."
(6)

The Company of Heaven emphasize that it's important for us not to kick off a new era by bringing forward a punishment model for dealing with them. (7) To do so is to have us descend to their level. And it also projects Earth's unsuitable ideas of justice into a new era.

Even though it makes no sense to many of us, the Company of Heaven tell us that if we love our enemies, that is the surest way for the Illuminati to stop and alter their course. I'm only starting to connect with the truth of that statement.

When the Accountability phase is complete or nearly so, it becomes safe for our star brothers and sisters to land on the planet and begin the clean-up and restoration of Planet Earth. Because we made a mess of our planet, it's our responsibility to clean it up. But the galactics have tools to help us speed through the work.

Also, at some time between now and then, global abundance will be released. But let me talk about that tomorrow.

(3) Made by torturing the young and capturing the adrenal fluid thus produced. It's claimed to keep people young.

(4) The Rothschild Illuminati being Faction 1 and the Rockefeller Illuminati being Faction 2.

(5) On another occasion Matthew Ward assured us that vaccines were being neutralized and microchips disabled. I think that reassurance applies today as well:

“But, just as in the previous flu situations, the technology of our universal family has neutralized the swine flu virus-laden vaccines and will continue to do so as long as the makers persist in their scheme. And please have no worries about programmed microchips being implanted via inoculations—if that is attempted, the programming will be erased by that same technology.” (Matthew's Message, July 18, 2009.)

(6) The Arcturians in a personal reading with Steve Beckow through Suzanne Lie, July 22, 2014.

(7) Archangel Michael: Now there will be indictments and there will be justice, fairness, but the key to creating Nova Earth is not about punishment and retribution.

Steve: Right. But it is about protection, is it not? The public need to be protected against mass murderers and Dick Cheney and the people at the CIA are mass murderers. They kill kids in schools. They kill in. Open business areas. They explode bombs. They down airliners. We need to be protected from them, don't we?

AAM: Be very discerning in your judgments and in your condemnations of others. If you continue - and I don't mean you; I mean the collective - if the pattern of imprisonment continues, of shackling, rather than re-education or redirection, then that is the paradigm that will continue upon this planet. (Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, March 28, 2019.)

What is NESARA?

Feb. 9, 2021

<https://goldenageofgaia.com/?p=317403>

The final piece of the puzzle of what's happening right now is to say that an abundance program known as NESARA/GESARA is being brought in. NESARA stands for National Economic Security and Reformation Act, an act of the American Congress. (1)

Before we go deeper into that, let's dial the microscope out and take a more general view. NESARA, or its global counterpart, GESARA, are parts of an overall abundance plan for humanity.

Other components are historical bonds/assets, the Prosperity Programs, the Revaluation of currencies (Reval), etc. And, we're told, there isn't just one wave of prosperity destined to hit the planet but several. Archangel Michael and St. Germaine tell us:

Archangel Michael: That is why we have also said, (this is an aside) there will be several waves of abundance. So we give you the allowance and we see how you do. (2)

St. Germaine: I ask you to be prepared today, tomorrow, the next day, because once the flow begins, the world does not stop. Do you think the Mother creates and then stops? No. Well, neither do we.

It is the universal source or ATM. It does not run out. And you have need to reset your thinking, which means resetting your heart to receive and give, and receive and give, because it is the constant motion, with the explosion and implosion of creation in between. That is where you are going. (3)

What specifically does NESARA implement? It implements the following changes:

1. Zeros out all credit card, mortgage, and other bank debt due to illegal banking and government activities (4)
2. Abolishes income tax
3. Abolishes IRS; creates 14% flat rate non-essential “new items only” sales tax revenue for government
4. Increases benefits to senior citizens
5. Returns Constitutional Law to all our courts and legal matters.
6. Establishes new Presidential and Congressional elections within 120 days after NESARA’s announcement
7. Monitors elections and prevents illegal election activities of special interest groups
8. Creates new US Treasury currency, “rainbow currency,” backed by gold, silver, and platinum precious metals
9. Initiates new U.S. Treasury Bank System in alignment with Constitutional Law
10. Eliminates the Federal Reserve System
11. Restores financial privacy
12. Retrains all judges and attorneys in Constitutional Law
13. Ceases all aggressive, US government military actions worldwide
14. Establishes peace throughout the world
15. Initiates first phase of worldwide prosperity distribution of vast wealth which has been accumulating for many decades. Every American citizen over the age of 21 will receive \$100,000 a month for 11 years. The law requires that the farmers claims to be paid first before the general public receives funds. Remember, these funds will come from the Level 5 Trust, bank roll programs.
16. Releases enormous sums of money for humanitarian purposes
17. Enables the release of new technologies such as free energy devices, pollution cleanup, and sonic healing machines. (5)

This law was passed secretly on March 9, 2000 by Congress. It was voted on by seven members congress, which where the only ones constitutionally allowed to hold office. It was signed into law by President Clinton but never proclaimed.

You've heard of the more than hundred miles of gold allegedly under the Vatican, confiscated and probably slated to be put back in circulation. Off-planet civilizations have contributed gold to fund NESARA.

There is more gold hidden around the planet than is needed to fund universal basic income, medicare and other programs for everyone on Planet Earth. All of these assets, taken together, constitute the abundance program, of which NESARA is a part.

Moreover, President Trump brought in an executive order in late 2017 sequestering the property of persons accused of serious human-rights abuses. If convicted those assets will be returned to the people as well. (6)

What are the aims of the abundance program? The first, as the galactics make clear, is to restore Gaia.

A second, according to my understanding, would be to provide the funds needed to restore the suffering among us so that they have the physical strength to make the jump in frequency that Ascension is.

A third would be to close down the Illuminati economy.

A fourth would be to restore "financial fairness" and moral integrity to our national and international economies.

A fifth is to allow people the opportunity to pursue that which their heart cries out for rather than to be condemned to work that alienates and dulls.

And there are probably many more.

Disclosure, Accountability and Abundance are preludes to Ascension. The planning that would go into any one of the four is well beyond the capabilities of terrestrial humans by themselves. The planning that must have gone into all four together boggles the mind.

As all this is going on, the love energies that are causing Ascension gradually increase, turning our carbon-based bodies into crystalline and activating our DNA. This means increasing discomfort for any who reject Ascension and increasing lightness of being for those who open to it.
