## Introduction

When I suddenly had a very strong allergic reaction to a fabric I was wearing around a month ago and was more or less immobilized for a time, you allowed me to occupy myself by doing a booklet on how we're doing in draining the swamp through 2024 and into 2025.

Mainly my best sources of information on the subject, from among the channels I regularly follow, are Matthew Ward through Suzy Ward, the Federation of Light through Blossom Goodchild, Mike Quinsey's SaLuSa and his Higher Self (which I'm led to believe is still SaLuSa), and the Arcturian Group through Marilyn Raffaele.

It's been a struggle for the world and our sources warned us it would be. And it'll continue through 2025, it looks like. Unless the emergency broadcasts and the takedown that'll be going on behind it clean things up a great deal. Otherwise, our sources remind us, the Illuminati or deep state will continue on and go down fighting.

However I feel hopeful because we have in place now, in government, a team of people led by a man of "indomitable will" (Donald Trump) and featuring some very mature, grounded, and insightful individuals (JD, Elon, Tulsi, Pam, Karoline, Kash, Pete, who have I left out?).

I expect President Trump to move on to a bigger, global role and one of his team to follow him. He's already Commander in Chief of the Global Military Alliance. Who knows what's next for him. He seems to constantly need a challenge!

From the white hats to the "Men in White" (archangels, seraphim and other angelic orders), everyone agrees on the determination of the dark to go out fighting and of the Light to end their rule on Earth.

I personally find what's going on right now above, on, and below the ground to be riveting. The flood of information is daunting, but at a time like this we get a glimpse into all manner of things we might not otherwise see.

We're watching the freeing of the inhabitants of Planet Earth from millennia of manipulation and debt slavery. This is one part of an Ascension that is new in the universe (1) and will see a new species of human emerge. (2) It's beyond historic and even the Divine Mother is thrilled with her creation. (3)

And here little old you and little old me have ringside seats. And actually get to participate. This is yuuugggeee!

(1) Divine Mother: This is unique. It is a new creation. Can you imagine, my son, in all this expanse, that this is new? (3) Divine Mother: Do you not think, know, feel, that it is entirely possible, even desirable sweet ones, for me to create, to birth a new species of human, an

This is not something that is hit or miss, and I hope it works... I don't create that way! And you are born of our essence, and therefore sweet angels of light, I remind you, Nova Gaians, sweet angels of light, *you* don't create that way. ## 2024 and Phase 2

April 5, 2025

<https://goldenageofgaia.com/2025/04/05/2024-and-phase-2/>

*Mike Quinsey*

As an easy assignment, which I can do and convalesce, I'm going to review what our sources have told us about the progress of the war to unseat the dark and free their captive women and children, starting from a little before the start of 2024 until the present.

This will be a series of posts on the subject. This will afford me a gentler pace while I attend to my health.

Let's begin with Mike Quinsey's Higher Self, whom I assume is SaLuSa, and his description of future prospects and assurance to us that the dark will soon be defeated. From Nov. 2023:

---

Mike Quinsey's Higher Self Message, Nov. 24, 2023, at <https://goldenageofgaia.com/2023/11/24/mike-quinseys-higher-self-message-nov-24-2023/>.

---

As you continue to travel deeper into space it is inevitable, and welcomed that everything of the lower vibrations is being left behind. It means that time for the dark Ones to continue with their evil plan for world domination is limited, and in fact they can no longer achieve their objectives.

However, they would rather try to destroy everything than admit defeat. Be assured that that will not happen as greater forces than theirs are looking after the destiny of the world and its people. It has been so for eons of time although the dark Ones have had freedom to carry out their plans. They can only be thwarted by those of the Light opposing them.

It is the Rule of the Laws laid down by the Higher Forces overseeing the destiny of Mother Earth and its people. It may seem at times that the dark Ones have a free reign to do whatever they like, but it is not so as there are limitations to their actions based on the overall situation. ...

Every soul will eventually find its right place and proceed to grow and evolve at lightning speed. You have so much to look forward to if you did but know it. So do not be disillusioned by present events as these will soon pass."

---

Then a little into 2024, the Federation of Light through Blossom Goodchild warned of a deep split among people.

---

Federation of Light through Blossom, Jan. 26, 2024 at <https://goldenageofgaia.com/2024/01/27/the-federation-of-light-through-blossom-goodchild-jan-26-2024/>.

---

That which is to unfold will be far greater a controversy than what has gone before.  
Therefore, the conflict of opinions between Souls will differ greatly.

What YOU will benefit from is your steadfastness in LOVE.

You are entering a New Age where the vibrations are speeding up. ...

When you take into account your last few years, there was a great divide of opinion as to what was good for one to do and what was not.

It shall be the same with that which is to come. Depending on any 'news' that is given, each Soul will derive from it, that which settles or unsettles them.

Repeat the Mantra over and over. It anchors you in Strength. It supports you.

I AM THE LIGHT.

I AM THE LOVE.

I AM THE TRUTH.

I AM.

THERE, ONCE AGAIN, SHALL BE A GREAT DIVIDE.

There shall be those who believe that they must do as they are told ...

Those that absolutely disagree with what they are told ... and ...

Those who have no idea either way.

All one can do ... is BE within it.

YOU BE ... YOU ... within every moment of your day.

When you awaken to each new sunrise, YOU BE ... YOU.

YOU manoeuvre throughout your day, breathing and taking action with each new breath.

One phone call could change your life and you ‘do what you have to do’ depending on the nature of that call. You cannot not do anything, for life moves on within each of those breaths that you take.

What is to come should be ‘handled’ in the same way.

WHATEVER IS TO OCCUR ... YOU WILL GET THROUGH IT. ...

*Blossom: I feel we are speaking of Phase Two?*

We are.

# 2024: The End Times of Darkness

April 6, 2025

<https://goldenageofgaia.com/2025/04/06/2024-the-end-times-of-darkness/>

## *Arcturians*

Upon entering the New Year, the Arcturian Group told us:

"2024 ... is going to be a year of exposures and events that will help awaken many who continue to place their trust in beliefs that are now becoming obsolete. No person can remain hypnotized by illusions of separation forever because the reality of every person is God/Source/ Divine Consciousness individualized." (1)

And Matthew Ward reassured us:

"We remind you that if a lockdown is ordered, it will provide you with protection and be short-lived, and if a communication blackout and/or an economic closedown were to occur, those also would be brief. Ignore whatever sounds frightening—it could be what the dark ones want to do but no longer have either time or the global network to carry out." (2)

The Federation of Light went to great length to describe what was coming:

---

## Background

The Federation of Light via Blossom Goodchild, Oct. 11, 2020, October 11, 2020, at <https://goldenageofgaia.com/2020/10/11/the-federation-of-light-via-blossom-goodchild-oct-11-2020/>.

---

Federation of Light: THERE WILL BE AN ANNOUNCEMENT, FOLLOWED BY A GLOBAL LOCKDOWN AND THIS WILL TAKE YOU INTO PHASE TWO.

---

The Federation of Light through Blossom Goodchild, Feb. 3, 2024, at <https://goldenageofgaia.com/2024/02/03/the-federation-of-light-through-blossom-goodchild-feb-3-2024/>.

---

Federation of Light: THIS YEAR THAT YOU HAVE RECENTLY ENTERED INTO, IS TO BE ONE OF GREAT CHANGES WITHIN THE STRUCTURE OF SOCIETIES AND HOW THEY HAVE BEEN CONDUCTED.

Naturally, for these ‘types’ of changes ... much has to be carefully put into place, so as to cause as little upheaval and unsettlement as possible. ...

Blossom, as so many of you have become aware of ... there has been a ruling over your people, that has kept one ‘at bay’ without their knowledge. Yet, as more and more souls awaken, so much of these diabolical behaviours caused to humankind are becoming more apparent.

There is to come a time ... when this shall cease to be.

When the ‘Good Guys’ are in place for one to see, believe, and therefore ... TRUST. ... These Truths have to be revealed by those who are to ... ‘take charge/ are in charge of’ ... the days that are coming. ...

The ‘Good Guys’ are a large component of an even larger component, of an even larger component ... that are of, not only the Highest intelligence, yet, of the Highest Light of Consciousness.

The Souls involved were meticulously chosen and groomed for the greatest task that they were to be assigned.

We have spoken before of Souls on and off Planet that have devised and created a Plan that is so intricate, so incredibly complicated, so brilliant that it cannot fail.

All meetings and gatherings that have taken place regarding the bringing down of the so-called ‘elite’, have been underway for many years. The planning of this Victory has involved masterminds of the Highest calibre in order for The Plan to be carried out in such a way that ... as it falls into place ... the Brilliance of it is unsurpassed, without question.

You see, Blossom, it has had to ‘appear’ as if your World is run by those of great darkness ... and indeed, for so long this has been the case. Yet, projects have been implemented, whereby infiltration has [proven successful]....

Those who think they have it all in place, have in actual fact ... been useful in providing the foundations of what is required for the Plan to move forward ... in the right direction.

# “What is Coming is Huge”

April 7, 2025

<https://goldenageofgaia.com/2025/04/07/364763/>

As background, in 2020, the Federation of Light described what we'll see and hear in the ten days of broadcasts:

FoL: Soon enough, oh, so soon enough, will your KNOWINGNESS OF TRUTH be presented on screens and devices.

Before your eyes, ... you [will] be shocked beyond the wildest thoughts you have had ... in the ways of darkness and all that has been taking place on your Planet. (1)

I can certainly testify to that. We likely will never have imagined the hideousness of what is going on underground. I doubt whether the broadcasts will show us the full picture. I believe it would drive some people mad.

Daniel Scranton and the 9D Arcturian Council alert us to the attunements that are coming to help us handle the dark's remaining assaults.

---

“The 9D Arcturian Council Through Daniel Scranton: What Is Coming to Humanity is Huge,” February 5, 2024, at <https://goldenageofgaia.com/2024/02/04/the-9d-arcturian-council-through-daniel-scranton-do-you-need-more-information-to-awaken-2/>.

---

We are very pleased with your progress there on Earth, and we want you to know that you have reached a level of consciousness, an overall vibration, to be ready for more of what we have to offer you.

We do work in agreement with many other collectives up here in the higher realms to offer you the various upgrades, activations, attunements and downloads that we do. And so, we are not taking complete and total credit for what is coming your way, but we do want you to know that we are a part of this delivery of what is coming next to all of you.

You are going to receive the upgrades that you need to be able to handle higher-frequency energies.

Those upgrades will be happening at the cellular and DNA levels, as well as within your chakra system.

You are getting downloads and attunements to help you with the connecting of consciousness.

You are becoming better vehicles, better vessels, for the higher-frequency energies that can be channeled by all of you. You all often do channel without knowing it, but you will become more aware of those moments as you move forward.

You are also being given activations of more of your higher self’s consciousness within your physical body so that you can know yourselves as multidimensional

beings who are capable of reaching out into all other systems and dimensions that you would like to.

We want you to know that what is coming is huge and that you are a part of the readiness for what is coming.

It is that work that you do on yourselves, and it is the way you spread higher-vibrational information around that prepares humankind for what is to come.

And so, because you are doing your part, you make yourselves ready for these upgrades, downloads, activations and attunements.

You are being attuned to the fifth-dimensional energies. You are ready now because you have opened up in terms of your hearts, your minds.

Even your beliefs are opening up to allow in more possibilities, and when you release those limitations of the third dimension consciously, you make room for more of that which is fifth dimensional in nature. And of course, you will continue to move closer and closer to the fifth dimension until you find yourself dwelling that frequency range all the time.

We want you to know that it is inevitable that you will have full e.t. contact there on Earth, and it is inevitable that you will shift to the fifth dimension, but we also want you to have the best possible experience of both of those things.

---

Matters are moving along at a very fast rate and will continue to do so as time has speeded up. The dark Ones are seemingly in command and going ahead with their plan for world domination, but in reality are the precursors of their demise. They have walked into the trap laid down a long time ago when their plans were revealed.

Knowing what was planned enabled the Forces of Light to use that knowledge to their advantage and bring everything into plain sight. To be forewarned is to be ready to combat the assault upon the Human Race so it cannot be imprisoned any longer.

The truth has been manipulated to the advantage of the dark Ones who have kept it from the Human Race, so as to exert control over them. Be assured that their plan has been discovered, and, so to say, “turning it on its head,” we are using it against them.

Time will tell the truth and it will show the true intentions of the Illuminati. All over the world there is a feeling of despair but when it is realised people will be uplifted. Dear Ones, would you really think that the Light would concede its place in your future to the dark Ones. Certainly not and soon it will become quite evident.

Never judge a situation by its appearance and know that often much more is taking place than you are presently aware of. The workers for the Light move silently about their work laying down the necessary plan for the final removal of everything that is the work of the dark Ones.

You will gradually see the changes for the better and things will clearly reveal what is really happening behind the scenes. The plan is in place for your release from their tentacles that have spread far and wide. Understand that matters are playing out future events that were put in place a long time ago to ensure that the Human Race was not imprisoned by those who oppose the Light.

Do not be deceived by the fear that is being created all around you, there is a happy ending to come when the old Age will no longer have any influence over you. There is so much happiness and joy to come when the vibrations are lifted, and all that is not of the Light left to follow its own path. Another cycle will once again give all souls the opportunity to rise up as none are destined to remain in the dark forever. Think positively and let those who refuse the Light follow their chosen path in accordance with the freewill given you. The Light will always be supreme and is always there for all souls regardless.

# The Progress of the War to Unseat the Dark

April 8, 2025

<https://goldenageofgaia.com/2025/04/08/364764/>

*Matthew Ward*

Continuing now with Matthew Ward, who, in March of 2024, warned us of major, shocking upcoming revelations ahead.

---

Matthew's Message, March 11, 2024.

---

From time to time we have alluded to upcoming happenings that will shock most of Earth's peoples to their very core. If any period could be considered majorly dramatic insofar as the world being turned upside down to shake out the dark elements, it is the period on your near horizon. In concert with mind-stunning revelations, energy surges will be activating ancient portals and anchoring them as interstellar beacons.

The unusual activity that volunteers will welcome and find energizing will be confusing and frightening to Earth's peoples. As truths come forth in months ahead, both believers and nonbelievers will need to be steadied. Not only do you have the strength in mind, body and spirit to carry them on your shoulders, so to say, you are that strength, dear ones, and much, much more—you need only to trust that you are.

Still, you will not be lifting up the whole civilization yourselves. Many of God's myriad emissaries—angels, spirit guides, your loved ones in spirit worlds, souls from off-planet civilizations and from Inner Earth, and the extraterrestrial special forces—want to participate, too.

Most will be unseen, but you will feel their energy merging with yours, and together you will generate a tsunami of love's high vibrations that will help stabilize the populace. Forthcoming developments will be lifechanging for every soul on the planet and the changes will benefit the entire universe.

---

Then in April of 2024, Mike Quinsey's Higher Self - whom I assume to be SaLuSa - cautioned us to begin preparing for the chaos ahead as the deep state leaves.

---

Mike Quinsey's Higher Self Message for April 12, 2024, at <https://goldenageofgaia.com/2024/04/12/mike-quinseys-higher-self-message-april-12-2024/>.

---

You are becoming more aware of the rapidity of the changes that are occurring much quicker than anticipated, and you are well advised to take action in readiness to deal with them. You already have your hands full and delay will make matters much harder to control. Do not delay taking action any longer to circumvent the problems you have already identified, as the longer you take they will prove more difficult to deal with.

If we give the impression there is urgency to deal with upcoming changes then we have achieved our aims. You do not have the time to sit on the threats you face and should be taking immediate steps to prepare for them. For our part we stand by your side trying our best to get you to understand that action is needed now, otherwise you will be overwhelmed.

We do not wish to cause panic but preparations for what is coming will reduce the effect and time you spend handling it. As you no doubt understand in the long run the changes are going to be beneficial, clearing away that which no longer serves your purposes, and preparing the Earth for its Ascension. Knowing what is coming should enable you to carry out your work with care, as much help is needed to do so because of the many changes needed. Be assured that we are ready to help you once you have made the decision to act.

As we have told you on several occasions our role is to oversee your actions and give help as and when it is appropriate. We commend you for your fortitude and determination to succeed regardless of the obstacles placed upon your path.

Working together we assure you that your efforts will be rewarded and your journey made as smooth as possible. We have knowledge well beyond your present understanding and it will be used as and when applicable. Together we are a force to be reckoned with that will not yield to the tactics used by the dark Ones.

## **“Low-Powered Humans Will See Their Lives Unravel”**

April 10, 2025

<https://goldenageofgaia.com/?p=364766>

*Adama of Telos*

Continuing with our look at what our sources have said about the progress of the war to unseat the cabal, in May of 2024, the Inner Earth dwellers of Telos reminded us of the fate of those who reject Ascension:

"Your strength of Love, within you, in your heart, is stronger than [the elite's] current little power. You can already see that some royal beings [British royalty, for instance] are in sickness. These beings have a faded but very real power because of their material wealth, but not only that. Illness suddenly takes hold of them, and it will also affect other human beings imbued with power over you.

"And that's not all: some of them will attempt suicide because they can't accept losing everything that gives meaning to their lives. These events, which will affect them, will take place in a very short space of time and will be a liberation for you, which you will welcome with relief. When we

say 'relief,' we mean that it will bring you an understanding of all the lies that have been passed down to you since time immemorial. This is going to be a time of revelations.

"As these low-powered humans see their lives unravel, another form of life will settle on your planet. This will happen gradually, and that's why we ask you to look to your future, to the times ahead, with confidence and Joy, because you'll know that the great wish within you to live the New Earth will come true." (1)

In March, Matthew explained that "the darkness knows it is done for and the waves it is making in its last gasps are being countered by intensified light from myriad sources on and off-planet."

"You are among them, dear brothers and sisters, and your light is strong indeed, but your third density bodies are susceptible to bouts of fatigue and imbalance caused by clashing energies. ...

"From time to time we have alluded to upcoming happenings that will shock most of Earth's peoples to their very core. If any period could be considered majorly dramatic insofar as the world being turned upside down to shake out the dark elements, it is the period on your near horizon. In concert with mind-stunning revelations, energy surges will be activating ancient portals and anchoring them as interstellar beacons." (2)

"When the chaos is quelled and your weary world has been rejuvenated," Matthew continues, "fourth density's mopping-up process can start in earnest." (3)

In August, Mira told us that "many pockets of darkness have already been removed from the Earth along with the beings who are absent of light." (4) This is the state of play as of last summer.

# Your World on the Doorstep of Earth's Golden Age

April 11, 2025

<https://goldenageofgaia.com/?p=364769>

*Matthew and his mother and channel, Suzy Ward*

Now that we're in 2025, Matthew Ward began the year with a note of caution at how reality is becoming increasingly bent in the news. But he applauds the new global economy waiting to be born.

"In previous messages we have said not all is as it seems. Now we say almost nothing is as it seems. Rarely does anything significant in 'the news' have even a nodding acquaintance with actual happenings and there is an increase in the number of doubles and AI clones pretending to be someone who is deceased or is staying out of sight for safety.

"What is authentic is, the power of love-light permeating the planet is breaking down archetypical standards to make way for new structures and systems that will well serve a newly-awakened society. Governments are being reformed or replaced and new geographic boundaries being discussed that will benefit affected citizens. Also on the near horizon are the emergence of truths that were covered up, often by labeling them conspiracy theories, and the exposure of the pretenders.

"On the more distant horizon, the new global economy will serve all peoples and every soul will have a fair share of Earth's resources. War-torn

areas will be cleared and rebuilt so displaced residents can return home. Religious dogma and falsehoods will fall by the wayside as people grow spiritually and consciously.

Cultures will preserve the finest traditions and abandon those that originated in deep third density. Mutual respect will replace bigotry, divisiveness will end as unity consciousness develops, and life once again will be in harmony with Nature. That is your world on the doorstep of Earth's Golden Age!" (1)

The public are waking up, the Arcturian Group tells us. They see the emperor has no clothes:

"Many are starting to question what they have been told about themselves and everything else in the world and spiritual empowerment that has long lain dormant in many is awakening. This in turn is allowing increasingly more individuals to recognize that 'The emperor has no clothes,' with regard to much they have always held as being true.

"Your inner and outer worlds are undergoing immense changes and profound transformation. The shifts that are taking place, penetrate deep into the very dynamics of your existence. As you look around at the current state of affairs, you can observe that things are beginning to heat up on a global scale. This is due to the light that is penetrating every aspect of your reality, as it also has triggered the Grand Awakening.

"No longer can the shadows remain hidden; all is being exposed to the illuminating rays of truth. This unveiling is causing those who wish to maintain control and influence over you, to experience great fear, as they scramble desperately to hold onto what little power they still possess. The walls that once shielded their dominion are crumbling, and they are feeling the pressure of the awakening masses.

"As they pull at their last straws, the situation is expected to continue escalating in the months to come. The urgency of their actions will likely increase as they attempt to regain a sense of control over a rapidly evolving world.

"Because the ascension process is well underway, changes are starting to happen in the hearts and minds of many. Some long-held beliefs will begin to manifest in new and higher form while others will completely disappear as being no longer relevant. ...

"New ways of seeing, thinking, and understanding are going to unfold as increasingly more people wake out of long-held three-dimensional programming. This in turn will raise the resonance of Earth's collective consciousness allowing the majority to more easily access truth." (2)

I wonder if a day will come when we'll be able to see as clearly and multidimensionally as the Arcturian Group? I'd love it.

## Out of 2024 and Into 2025

April 12, 2025

<https://goldenageofgaia.com/?p=364767>

*Intuitive Recreation of Arcturians*

In late 2024, the Arcturian Group was telling us that everything dark has to be raised to the surface to be revealed and eliminated. It's probable that it must be the population's choice that it be eliminated before it can be.

"Know that everything is proceeding according to plan in spite of the world wide confusion and chaos prevalent at this time.

"Pockets of dense energy much of which continues to manifest on earth must be exposed and actually seen for what it represents before it can be eliminated. The high frequency energies now pouring to Earth at this time are acting like giant shovels digging and exposing layers of energy that have lain dormant for centuries.

"Energies of duality, separation and many powers cannot continue to exist in the presence of higher frequencies because they are not real and have no Divine law to support them. Because the clearing process is a facet of Earth's ascension, it will continue until Light energy becomes more dominant." (1)

In December 2024, Matthew Ward told us that Earth's population will very soon have to wake up or leave:

"The Illuminati, or Deep State, felt certain their vote-rigging would result in a triumph for them like it did in the 2020 election. They were wrong. Still, they are determined to press onward toward their goal to reduce the world's population by billions of souls and to establish world domination.

"It is realistic to anticipate that they will do everything they can to prevent the president-elect, whom they cannot control, from being inaugurated in January. The light forces' White Hats in military units and patriot groups are ready to counter whatever actions Deep Staters take henceforth.

"Nothing they do can keep their heinous activities from being exposed. A major aspect of planetary cleansing and ascension is bringing forth the truth about long ages of unconscionable acts so the darkness at that depth of density and depravity can be transmuted into light. Gaia and so very many of Earth's residents have wounds that need to be healed. ...

"The public doesn't know about the continuum, where the light has vanquished darkness and everyone lives peacefully, joyously and prosperously in harmony with Nature on a rejuvenated planet that is beautifully glowing. Today people know only linear time, and shortly they will be grappling with acceptance of hard truths and changes, essential stepping stones on the pathway to Earth's destiny, her Golden Age." (2)

The Arcturian Group, unused to making predictions, suggests that the year ahead will be chaotic and confusing:

"We do not normally give predictions because the outer always reflects the state of collective energy present at that particular time and that can change from moment to moment. However, we can say that the world is presently moving into a deeper sense of oneness/love because a majority has become increasingly aware of and dissatisfied with war, power hungry leaders, violence, lack, self righteousness, patriarchy, and the vast number of other expressions of separation.

"Changes and information are coming that will result in fear, questioning, doubt, and confusion for many and especially for those who remain locked in three-dimensional programming. Some will choose to stay in old energy while others will choose to leave but increasingly more are becoming receptive to the higher truths of oneness and are moving into states of consciousness that will result in a new Earth." (3)

And with that, we leave 2024 and welcome 2025.

Tomorrow is the last instalment in this series on what happened with the Light and the dark in 2024 and what is happening now. Thank you for allowing me this manageable assignment as I get well.

# The Madder Things Become, the Closer You Are to the End

April 13, 2025

<https://goldenageofgaia.com/?p=364770>

*Blossom Goodchild, channel for the Federation of Light*

The Federation of Light warned us in early January:

"NEVER FORGET ...

"THE MADDER AND MORE UNBELIEVABLE THINGS MAY BECOME ... THE CLOSER YOU ARE TO THE ENDING OF THE WORLD YOU HAVE KNOWN AND THE BEGINNING OF THE NEW ONE COMING ABOUT." (1)

They add that "the madness shall continue for quite a while to come ... jaw-dropping madness. Yet, you understand that all is to be well; therefore, such insanities shall be accepted by you as the necessities of the 'Game Plan.'" (2)

The Arcturian Group told us in late January that the energies were becoming so intense that people must let go of the status quo if they wish to evolve with it:

"The energy on earth has become intense resulting in upset and confusion for many, especially those unaware of the ascension process. The status quo presently in place on earth must change in order for mankind to move

into higher-reality consciousness but most humans feel safe and comfortable with whatever is familiar and often choose to remain in old, difficult, and painful situations simply because it is what they are familiar with.

"Mankind is spiritually awakening and increasingly more individuals are questioning and feeling the need for real answers about themselves and the world which has resulted in a plethora of misinformation and conspiracy theories about everything." (3)

As we creep closer and closer to a staged world war, cover to the takedown of the cabal, it may comfort us to keep that knowledge in mind. A little later, they add:

"The turmoil to come is like a thick soup. Many, many ingredients blended together in one huge pot!

"Yet [the lifting of the turmoil is happening. It has not yet reached its crescendo. We ask, that you continue on as you are doing. Creating Love, Laughter, Joy and Abundance. We ask that you continue to do this throughout. That shall turn out to be one of the most difficult tasks of all, when the time comes." (4)

And a week later, they reassure us:

"In past days it has seemed that there was no end in sight. The Divine Plan gave the appearance of a continual carrot dangling in front of the donkey, as your expression goes. Well, we are now able to reveal that the end of these dark days DEFINITELY is in sight. ...

"IT MEANS A WHOLE NEW BALL GAME! ...

"Undoubtedly, as we have always said, there is to be confusion and turmoil, yet, throughout it all ... when one KNOWS that the end is in sight ... they can FEEL THE CHANGE IN THE ENERGIES ... which in turn ... will allow one the wherewithal to see the mission through.

"THAT WHICH IS COMING INTO FRUITION ... THAT WHICH IS TO BE DISPLAYED ... THAT WHICH IS TO PROVE BEYOND A

SHADOW OF A DOUBT THAT THE GAME IS OVER ... WILL  
CAUSE A GRAND SURGE OF CELEBRATORY ENERGIES." (5)

We go back and forth. They now warn us: "The last remaining energies of the darkness ... will keep on fighting until they can fight no more." (6)

Finally, Matthew Ward has the last word to date on April 2. He says this final phase is not going to be easy and tells us what we'll be up against:

"To say that experiencing the end times of darkness on Earth is challenging is an understatement. Knowing the light forces resoundingly vanquish the dark forces gives you confidence—assurance!—that your light is helping co-create a wonderful world of peace, love and harmony.

"But, this final phase of the spiritual battle is not easy going. The inpouring of high frequencies was the universe's gift to all souls on the planet, but most people don't know that and they are having difficulty adjusting to the stronger energies. Earth's ascension pathway is being assaulted by desperate dark ones who are deluging the planet with the negativity of lies, deaths and devastation. Mainstream media are reporting disinformation with bits of truth—the populace is struggling with what to believe? Citizenries are protesting government policies and vital actions behind the scenes cannot yet be revealed." (7)

That's what Suzi Maresca would call "the view from altitude." There's where we're at in the battle to change planetary management and free the slaves. That's how we're doing with the Trump team in draining the swamp.

This next year, apparently, will see changes that will astonish us. I can't wait.

# The Alliance Between Messrs. Putin and Trump

April 13, 2025

<https://goldenageofgaia.com/?p=364933>

*"The ball is in your court, Mr. President"*

I often say that Putin and Trump are working together. Where do I get that idea?

Judy Byington explains:

"The Global White Hat Military Alliance and Q Team originally included 17 countries of Australia, France, Hungary, Germany, Poland, Romania, Spain, Netherlands, Norway, Russia, Finland, Sweden, Denmark, Croatia, Canada, North Korea and the USA. Their Military included Stellar and QFS, Space Force, plus military intelligence in Arizona.

"The Supreme Commander of the Alliance was President Donald Trump who worked with Russian President Vladimir Putin, Chinese President Xi Jinping, Iraqi Prime Minister Mustafa Al-Kadhimi, India Prime Minister Narendra Modi, the White Hats in the Department of Defense[, etc.]" (1)

So first off, Trump and Putin are part of the original White Hat Global Military Alliance, of which Trump is Commander-in-Chief. I repeat: The global white-hat military reports to Donald Trump.

This should explain all the winks and nods between Trump and Putin as they play-act their way through the Q Plan.

Matthew Ward told us in 2017 how Vladimir Putin was an obstacle to the deep state. They knew he wanted to exterminate them.

"While Putin's hands may not be pristine, that [negative] profile—like all other lies promulgated by the Illuminati—is way off the mark. They know he is one of the major players coordinating efforts to rid the world of their influence; expose their diabolical activities and hold them accountable; and acquire their ill-gotten fortunes and use those funds to end impoverishment, environmental destruction and terrorist groups.

"That is a tall order indeed, and the persons involved in this mission are from nations whose histories, cultures, religions, resources and ideologies differ. But their goal is the same—a safer, healthier world where everyone shares in its abundance—and you shall see evidence of their progress as intensifying light reinforces this global undertaking." (2)

Well, the deep state apparently got to him before he got to them: The real Vladimir Putin was apparently assassinated in 2020, as Matthew informs us:

"During the past year the Illuminati assassinated two of G/NESARA's leaders, Vladimir Putin and Pope Francis. Putin was replaced with a look-alike and the Pope usually is depicted by holography." (3)

Of course what would life be without conflicting historical accounts? Here's Vladimir Putin dying a second time.

"Putin died on Thursday [Oct. 26, 2023] at around 8:40 p.m. and is now in a freezer in Valdai," Russian political scientist Valery Soloviei told Polish intelligence. Let us see if that means they finally give up the Putin avatar show. (4)

I flush with embarrassment to say that I prefer the new Vladimir Putin to the old. The original was somewhat humorless, whereas the current model has a good sense of humor and can be fun to listen to.

Matthew Ward commends him for his commitment to dethroning the Illuminati:

"[America's] finger-pointing at Russia in a series of hacked emails and portraying Vladimir Putin as a meddler in US political affairs and a dictator who wants to control the countries formerly within the USSR is political posturing and fodder for the media.

"Putin doesn't want a new cold war era or conflicts with any country; he is one of the individuals in governments, military forces and the corporate and economic sectors whose efforts behind closed doors are aimed at ending the Illuminati's long reign of global corruption, deception, assassination, initiating wars and fostering impoverishment." (5)

I like his candidness. For example, in the 1960s, in history, we studied what was called the mirror effect. One nation would accuse the other of crimes it was doing itself. The new Vladimir Putin put the matter very succinctly and I chuckled over it:

"It is common that the Deep State accuses its enemies of heinous crimes they perpetrate themselves. It is, how do you say it, the oldest play in the book." (6)

Indeed it is. It isn't that what Putin says is new or unfamiliar, but to hear a Russian President acknowledge it, given how often Russia used the ploy during the Cold War is impressive.

Nikita Khrushchev, Russian Premier during the Kennedy years, would have thought Vladimir Putin a traitor for revealing any play in the playbook. Khrushchev was a crude character - slamming the desk with his shoe at the United Nations - but a hero of WW2.

His modern counterpart is far more polished and urbane. He appears to get great satisfaction from playing on the international chessboard, as does Trump. I enjoy listening to him.

Trump and Putin have pulled a few cute and symbolic gestures for the public. For instance, in Helsinki, Putin handed Trump a soccer ball, saying the ball is in your court. (7) If we unpack what is being said here: A soccer ball's ribbing has the same structural shape as adrenochrome. (8)

I seem to recall that, at the time, I heard that Putin had turned over all the files he had to Trump. I'd imagine they touched on adrenochrome production and use, global deep-state leadership, the deep state in America, biolab locations, adrenochrome-production sites, etc.

On Nov. 9, 2016, President Putin stated the matter plainly on Fox News. He said I am “ready for ‘reset’... I will work with Trump” (9)

The ball *is* now in your court, Mr. President, Commander-in-Chief of the Global Military Alliance.

\*\*\*

Vladimir Putin has declared that globalists including, Klaus Schwab and his close advisors, are “legitimate military targets” because they've been shamelessly attempting to seize power in a globalist coup d'etat. (10)

I find that particularly interesting because *Real Raw News* reports that Klaus Schwab was arrested in his home in Switzerland and taken to Gitmo in 2024. When arrested he was taking adrenochrome intravenously. Once at Gitmo, he went through adrenochrome withdrawal and was too weak and sick to survive it. (11) Did Putin's 2023 declaration trigger his 2024 arrest?

Putin is a stand-in. Joe Biden is a stand-in. Klaus Schwab will be now. Yes, I see it: The Barack Obama stand-in waving to the Adam Schiff and Nancy Pelosi stand-ins. When they're not available, there's always CGI.

I was about to discuss another member of the white-hat alliance when I felt a constraint from within. Saying something about one of them might create trouble for him. Let me just say that, as the saying goes, all is not as it appears. Some folks have to keep appearances up, but that's all they're doing.

So, yes, I like the new Vladimir Putin and I think he, Trump, Xi, and bin Salman will prove the dynamic combination capable of dislodging the deep state from all its mountain perches and underground burrows around the world.

Author of 'The Great Reset', Marc Morano, on Klaus Schwab's recent B20 speech: "He's talking about us essentially giving up national sovereignty, giving up individual freedoms, and turning over rule to experts... This whole agenda is to make it so we have no choice on some of the biggest questions of our lives. We didn't get to vote on whether gas powered cars would be banned, we didn't vote for vaccine mandates, we didn't vote for lockdowns, we didn't vote for banning of meat. But all of this is happening, because at these meetings like the World Economic Forum and the United Nations, they meet and they work with government-corporate collusion to bypass democracy and impose stuff through this corporate government fascism."

A perfect one minute summary the World Economic Forum's 'Great Reset' agenda, aired on Fox News: "The WEF is a fanatical political organisation that uses fear and manipulation, like Covid hysteria, like the hoax of global warming, to really facilitate people thinking that somehow they're the saviours, but really all you're doing is helping them accomplish their goal, which really is a global public-private fascist movement, and fusion of big government, big tech [and] big money, to create a technocratic ruling elite, which conveniently is them. They want to create feudalism 2.0, in which we are serfs, and they are the lords ruling over us... That's what they're aiming for." (Judy Byington, GCR, 12 June 2024, by email.)
