Introduction

Dead El Cid rides out: Early shadow warrior?

In the movie, *El Cid (The Lord)*, the dead El Cid is strapped to his horse and made to lead the Christian forces against the enemy.

Close....

In Japan, if a noble died and the inner circle did not want the population to know, they installed a *kagamusha* or shadow warrior in their place.

Closer....

Nowadays they install a clone or a robot or masked actor.

Joe Biden was a cottage industry of stand-ins - masked actors, clones, and robots.

But Joe Biden himself never spent a day as President, as the articles that follow suggest.

That means that everything signed in his name is fraudulent and therefore null and void.

Never in American history, I believe, has something like this ever happened. Or perhaps never been uncovered.

Certainly the use of stand-ins is known. John F. Kennedy allegedly survived the shooting in Dallas by using a stand-in for himself the day of the assassination. That was 1963. And apparently the CIA, who were behind the assassination, were fooled.

JFK himself then went into the witness protection program and died a few years ago.

This is only one piece of news that will shake our views of reality, probability, and politics.

Let's wish good luck to us all as we navigate between the rock of realization and the hard place of acknowledging that we've been defrauded and mistreated by the very government we're asked to trust.

Time to grieve and then get back to work in this unfolding story of deceit and deception.

Love to us all in what lies ahead.

Who is Who? ... Or Who is What?

May 18, 2024

Arthur Roberts, the leading man without his mask

Who's what ... errr, who?

Introducing President Roberts. Uhhhh... Arthur Roberts, the man behind the Joe Biden mask? (1)

As the story goes, he once leaned close to Boris Johnson and asked him, confidentially, if he'd ever seen - and named a movie he'd starred in - and Johnson, much miffed, replied, "Who am I speaking to?"

Ooopsy-daisy!

The white hats are now openly discussing "President Biden's" real ... err, unreal identity as the actor. (2) More recently Arthur Roberts attending Pope Francis's funeral as Joe Biden when he was arrested by investigators who expected to net the real Joe Biden. (3)

Mr. Roberts, it appears, has had a long and active career, not necessarily as a leading man but as an actor, which is what he wanted to be, according to his bio:

"Arthur Roberts first fell in love with acting starring as Crichton in *The Admirable Crichton* at Fieldston, his New York City high school. The most beautiful girls in the class surrounding him after the curtain fell didn't hurt either!!! While Dean's List and on scholarship at Harvard, he found acting far more fun than studying pre-med - he thought, 'if I can just get them to pay me to do this....'

"So off he went to learn his craft with the Harvard Summer Players with Faye Dunaway and Jane Alexander, and then Summer Stock all over the East Coast." (2)

You can read more of his bio at https://www.imdb.com/name/nm0730838/bio/?ref_=nm_ov_bio_sm.

I don't think you'll hear many people clapping for his performance now, but a day will come, I think, when it'll be seen that he played his part in a white-hat-directed movie designed to awaken the world and eliminate the deep state from Earth's affairs. He may not win an Oscar, but, in my opinion, he very much served the Light.

Back to the matter in hand: On my own authority, I declare the whole of the Biden administration's signed instruments as invalid on grounds of being fraudulent. Somebody had to say it.

Footnotes

(1) President Biden himself is said to have been executed in 2018 for treason and human rights abuses. Jim Carrey, Steve Martin, James Woods, and Arthur Roberts are alleged to have replaced him.

There are many lists circulating alleging Biden's death by execution. Here's a screenshot of one:

A partial list of those believed named in over 71,000 federal indictments:

JOE BIDEN ARRESTED & EXECUTED

Here is Ezra Watnick-Cohen on Biden's death:

“There is no Biden presidency.

“The real Biden was executed for his crimes long ago along with Clinton. No, that woman in purple the other day wasn't Hillary Clinton. (1) You are seeing actors. Some have masks. That's why Biden keeps referring to himself as the mask president. This means they are the good guys in this movie on the team of freedom.

“This whole election was fake along with a fake inauguration. Fake executive orders. Fake oval office. It's all bullsh@t. Wake up. ...

"There are many actors in the movie, not just [the] Biden double comedian guy [Jim Carrey, Steve Martin, James Wood, and Arthur Roberts have played him]. Who's who at this point is somewhat of a mystery. We don't know exactly who is who 100%. Some are playing a part from the very beginning. Others flipped for a deal and are now playing a part in this movie." “Joe Biden”: A Walking Scandal

March 17, 2025

<https://goldenageofgaia.com/2025/03/17/joe-biden-a-walking-scandal/>

I've said most of what follows in bits and pieces but I'd like to draw them together now and add a few more "dots."

While we're all occupied with the autopen scandal, (1) which threatens to invalidate all of President Biden's actions, for some reason no one is mentioning an equally-momentous scandal with the same power to bring the Biden administration altogether down.

Joe Biden never signed a single document as President. It's a prerequisite of being President that you be alive....

The real Joe Biden was executed prior to his inauguration in 2020 and has been played ever since by actors such as Jim Carrey, Steve Martin, James Woods and, most recently, Arthur Roberts. (2)

Go with the autopen scandal or acknowledge the truth (that Biden never signed a document because he was already dead). Or with the Brunson case. (3) There are so many ways to prove the deceptive and fraudulent nature of the Biden presidency that it's bound to fall sooner or later.

Fraud vitiates all contracts. Anything and everything "Joe Biden" has signed - by hand or by autopen - is therefore fraudulent and is null and void.

We said it couldn't get worse. It just got more chaotic.

Let's go over some of the indications that Joe Biden was executed before he ascended, by fraud and by white-hat design, to the Presidency.

The earliest reference I've seen to Joe Biden having been executed appears in a list bearing the date July 19, 2020 (4) and stating that Joe Biden was "arrested and executed" before that date. American Media Group News posted the list without saying where it had come from.

I believe that this became one of the raw resources for the most famous list, compiled by "Warnuse." (5) Warnuse merely repeats that Joe Biden was "arrested and executed." The date of that list is Nov. 4, 2020.

Warnuse's list is the one most often repeated in subsequent reviews of executions.

So Joe Biden was reportedly executed prior to July 19, 2020, prior to what would have been the election and his inauguration.

Now let's look at two more articles that discuss what happened to Joe Biden. Let me quote first from an AMG News article from April 2024:

Medeea Greere, " EXPOSED: Joseph Robinette “Genocide Joe” Biden Jr. Birth: 20 Nov 1942 Scranton, Lackawanna County, Pennsylvania, USA – Death: 2020 (aged 77–78) Guantanamo Bay, Cuba," AMG News, April 14, 2024, at <https://amg->

[news.com/exposed-joseph-robinette-genocide-joe-biden-jr-birth-20-nov-1942-scranton-lackawanna-county-pennsylvania-usa-death-2020-aged-77-78-guantanamo-bay-cuba/](https://www.foxnews.com/exposed-joseph-robinette-genocide-joe-biden-jr-birth-20-nov-1942-scranton-lackawanna-county-pennsylvania-usa-death-2020-aged-77-78-guantanamo-bay-cuba/).

(Excerpt only.)

Joseph Robinette “Genocide Joe” Biden Jr.

Birth: 20 Nov 1942 Scranton, Lackawanna County, Pennsylvania, USA

Death: 2020 (aged 77–78) Guantánamo, Cuba

Burial: Arlington National Cemetery, Arlington, Arlington County, Virginia, USA

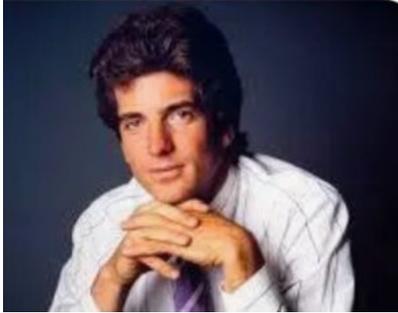

Memorial #: 267327344

Bio: Executed for treason against the American people under executive orders #13818 (human trafficking, crimes against humanity) and #13848 (election theft) as President of the bankrupted U.S. corporation on an unknown date. Funeral was given on 20 Jan 2021 under the guise of a 3-cannon salute, inauguration ceremony.

At later dates, CIC Donald J. Trump hinted at the truth, stating that Joe was “shot”, did not “know he’s alive”, and similar to let us know that Joe was dealt with and

gone. Joe's granddaughter, Naomi Biden, claims that grandpa Joe died in 2018 but Snopes claims she's lying. I would think the immediate family would know! ...

JFK Jr., Telegram, Fri. 16 March 2025

Joe Biden is a puppet. He never signed a single executive order. Everything was done by an autopen—a machine! A mechanical fraud used to push through illegal mandates, stripping Americans of their rights while the real power lurked in the shadows. And who was pulling the strings? Barack Hussein Obama.

Arthur Roberts

We ain't heard the half of it!

Back to our article, Biden has been played by several actors, the most recent being Arthur Roberts (see photo, above). (6) There's evidence that clones were also involved. But I'm not going to look at that here.

Judy Byington says:

"Biden wasn't Biden, but played by actors. Evidently Biden was caught in a number of crimes including Child Sex Trafficking on his Ukraine property's underground tunnel, had undergone a Tribunal at GITMO and was hanged well before his so-called fake inauguration in 2021." (7)

The conclusion that arises is unpalatable but seemingly factual: Joe Biden did not sign anything in his faux presidency because he was dead before he was inaugurated.

Fraud vitiates a contract. Biden's entire administration was fraudulent and every act, contract, or treaty "Joe Biden" ever signed is therefore null and void.

The extent of the fraud is monumental. Never mind what it says about "national security," rendering four years of Presidential actions invalid is without precedent. (No pun intended.) What now?

The deep state is attempting to poison the masses with toxic vaccines, batter them with hurricanes, and send fire down from the heavens to burn their homes.

What a perfect time to take the cabal down, announce G/NESARA., and meet our star family. (8) Surely by now enough people are awake if we accept the rising number of Trump supporters as any indication.

Joe Biden? What a wake-up call that is. America could be governed by a stand-in and get away with it for four years. One might ask how that could have happened.

Now all that's left is a huge clean-up job and an unprecedented constitutional predicament. (9)

Footnotes

(1) With the autopen scandal, "the legitimacy of Biden's presidency is now in question." (Medeea Greere, "BREAKING NEWS: Dems CAVE to Trump go FULL CIVIL WAR to OUST Party Leadership!!" President Trump has just announced on Truth Social that he determines the JC Committee pardons signed by autopen to be null and void.

(9) Or opportunity. President Trump could cherry pick which of Biden's executive orders and other actions he wishes to declare invalid due to their autopen origins. What President has been presented with that opportunity?

No Document 'Joe Biden' Signed Has the Force of Law

March 23, 2025

<https://goldenageofgaia.com/2025/03/23/no-document-joe-biden-signed-has-the-force-of-law/>

I'm not a lawyer so somebody correct me if I'm wrong.

President Trump has already brought attention to the potential illegality of President Joe Biden's executive orders signed with an autopen rather than with Joe Biden's own signature.

That could lead to the invalidating of all of Joe Biden's official acts. I don't know.

But a surefire way to invalidate all of them is to prove that Joe Biden was dead prior to his signing of any act as "President."

I've written an article (1) which makes the case for Biden having been executed for treason prior to the inauguration. His name appears on execution lists going back to July 19, 2020, (2) which states that Joe Biden was "arrested and executed" before that date.

Not to put too fine a point on the matter, it seems to me that, for a President to issue a valid order, they need to be at least ... well, alive.

Joe Biden being dead, he has been replaced by a masked actor. (3) To represent a person as alive when they're not is fraud. And fraud vitiates all contracts.

Therefore anything ordered by a dead Joe Biden after July 19, 2020, if the reports are correct, is fraudulent and therefore of no effect. It has no legal weight, no force of law.

This seems like two plus two to me. What am I missing? And, if I'm correct, why is no one saying it out loud and publicly?

So Much Fraud of Such Consequence

June 1, 2025

<https://goldenageofgaia.com/2025/06/01/so-much-fraud-of-such-consequence-trump-confirms-biden-was-a-clone/>

President Trump this morning confirmed that Joe Biden was executed and that some of his replacements were clones.

Here he is sharing this Truth on Truth Social today: (1)

President Trump has been giving hints: Joe Biden doesn't know he's alive; he's totally shot:

The "Joe Biden" I'm more aware of - and that I've followed more closely - is what he calls the "doubles," the stand-in actors wearing a mask.

That thread follows the actors Jim Carrey, Steve Martin, James Wood, and, currently, Arthur Roberts, as they play a President in mental decline. (2)

The ACTOR ARTHUR ROBERTS is Joe Biden! 🤖🤖 <https://t.co/rxZXRe5HI6>
via [@YouTube](#)

— Steve Beckow (@unity2299) [June 1, 2025](#)

Roberts exposed his false identity to Boris Johnson, asking him if he'd seen a certain movie that Roberts starred in. Johnson exclaimed: "Who am I talking to?"

Here he's openly discussing his role in *Revenge of the Ninja*:

<https://goldenageofgaia.com/wp-content/uploads/2025/06/Revenge-of-the-Ninja-Star-Arthur-Roberts-Signing-Autographs-Telling-Tales-of-Sho-Kosugi.mp4>

Roberts once confirmed that it was him, when he left for his car and was caught in the parking lot by a reporter. When she asked if he was "the body double" - Arthur Roberts - he turned and pranced for the camera.

<https://truthsocial.com/@ronnierascal/114605753134927285>

Where's the *real* Joe indeed!

Ezra Cohen-Watnick confirmed the real Joe's death:

"If you pay attention and listen to what I've told you here, you'll laugh. If you are watching the mockingbird media CNN or FAUX NEWS, you'll cry. Whatever you do, please don't call Joe Biden president. He's really long gone and his double [Arthur Roberts] has no power. Enjoy the show." (3)

Roberts attended the Pope's funeral as "Biden" and was allegedly arrested by US special forces who actually thought he was the "President," whom they'd been sent to apprehend. (4)

My understanding is that Roberts worked with the white hats.

I'd like to draw the strands together and state here for the record that Biden's death and replacement being true - as far as I can see - vitiates everything that was done during "Biden's" Presidency in "his" name.

Nothing enacted during his entire "tenure" as President, it seems to me, has the effect of law. All, I believe, is fraudulent and fraud vitiates all contracts.

This situation is unprecedented. I'm sure the Global Military Alliance (USA) has thought the matter through, since they're now willing to explode the myth of Biden being alive via President Trump's Truth. That announcement makes clear the need to rethink the entire Biden legislative legacy, which I'm sure the wise folks at Q have already done.

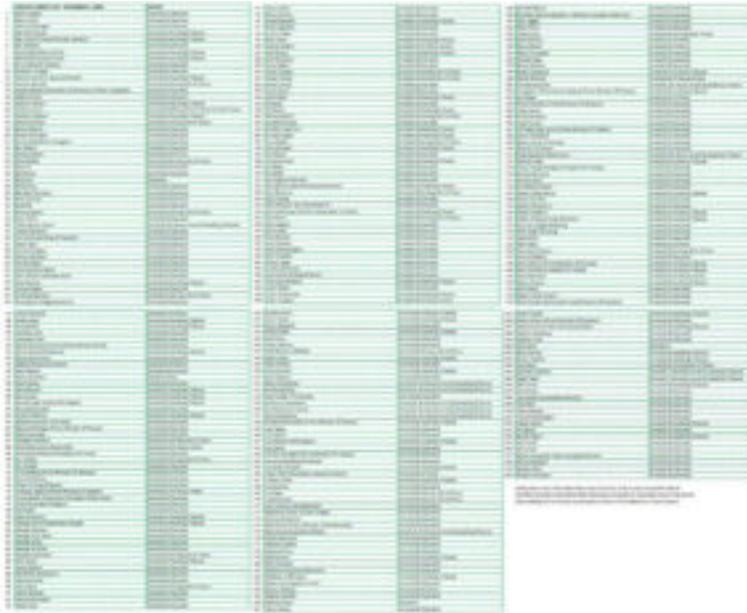

It'll be interesting to see how they handle this quandary so as to keep America stable, in the face of so much fraud of such consequence.

The Biden Illusion: A Fake Presidency

June 7, 2025

<https://goldenageofgaia.com/2025/06/07/the-biden-illusion-a-fake-presidency/>

Now all that's missing is for someone to say out loud that the fact Joe Biden died before his Inauguration means that anything attributed to him from that moment on was fraudulent. Fraud vitiates all contracts.

THE BIDEN ILLUSION: TRUMP DROPS CLASSIFIED PROOF DEEP STATE USED ACTORS, CLONES, AND HOLOGRAMS TO FAKE A PRESIDENCY [VIDEO]

Medeea Greere, AMG News, June 6, 2025

(<https://tinyurl.com/mt4f46fn>)

President Trump has just dropped undeniable proof: Joe Biden was never in charge. From day one, the American public was deceived by doubles, holograms, and AI clones. This is the end of the illusion — and the beginning of accountability. The Deep State just lost its greatest mask.

It's not a meme. It's not a theory. It's not a drill. President Donald J. Trump has just confirmed what the so-called "conspiracy theorists" have known all along: The man the world called "Joe Biden" was never in charge. Not once. Not ever.

We're not talking about mental decline. We're talking about complete substitution — a deliberate, military-grade deception executed by the Deep State to hijack the White House. But Trump has the proof, and now the entire fake façade is crashing down.

This is vindication. This is retribution. This is the moment the masks fall — literally.

THE FRAUDULENT FACE OF THE REGIME

What do you get when a corrupt elite loses the election but refuses to give up power?

You get an illusion — a pantomime presidency — fronted by doubles, digital puppets, and post-human simulations.

Trump has now released classified evidence confirming that:

The real Joe Biden was medically incapacitated or eliminated before January 20, 2021.

What followed was a rotating cast of body doubles, AI-generated holograms, and pre-programmed clones, each activated based on schedule, event type, or media necessity.

Facial discrepancies were covered with surgical overlays, digital smoothing, and deepfake tech perfected by Hollywood intelligence assets.

And you wonder why:

- He shook hands with invisible people
- He stumbled like a remote-controlled puppet
- He smiled ear-to-ear while meeting President-elect Trump in the White House

Because it wasn't him. It never was.

THE SIGNS WERE THERE — BUT YOU WERE MOCKED FOR SEEING THEM

Remember the media mocking patriots for noticing oddities?

“Conspiracy nuts” they called us.

“Disinformation agents.”

“Dangerous extremists.”

But we knew. We saw the ear shapes changing, the chin morphing, the eye color inconsistencies, the jittering AI-glitches during live broadcasts, the CGI hands phasing through microphones.

We didn’t guess. We observed. And now — Trump confirms it all.

Every meme, every video breakdown, every eerie freeze-frame that exposed the deception — all of it was real.

DEEP STATE DESPERATION — THE WHY BEHIND THE ACTORS

Why would they go to such extremes? Because they had no real plan after the steal. The Deep State stole the election, but they couldn’t sell a fully senile man to the world. They needed:

- A puppet to sign orders
- A clone to pose for optics
- A hologram to deliver pre-written lines
- A body double to appear “alive” for photos
- A digital mask to keep up the illusion of governance

They never intended to let Biden rule. They intended to use his image as a soft mask for hard tyranny.

The President Who Never Was

June 8, 2025

<https://goldenageofgaia.com/2025/06/08/the-president-who-never-was/>

Who is *Gazetteller* that they get a hold of such detailed information, so quickly after an event has happened? The alternative press is just waking up to Joe Biden not being Joe Biden and *Gazetteller* has a well-researched (or well-informed) synopsis of DARPA, clone technology, etc., etc., ready to go!

They must have a "door in" somewhere and a staff of researchers and writers. No?

Be that as it may, their article focuses on Joe-Biden clones and is extremely informative.

My articles focus on the actors used - Steve Martin, James Wood, Jim Carrey, and Arthur Roberts. Arthur Roberts, when hailed by a CNN reporter and asked if he was the stand-in, turned and waved in acknowledgment. (1)

Moreover, when Arthur Roberts appeared alongside Boris Johnson, he asked Boris if he had seen the movie and named an obscure movie he had starred in. Johnson turned and replied, who am I talking to?

Others say robotic duplicates were used. There was, it seems, a Joe Biden industry behind the scenes. So we now switch from Biden played by Roberts to Biden played by his biological double. (I don't plan to research the "robots.")

Bring on the clowns! never had more meaning and more irony!

I haven't yet heard folks taking the next step and saying that Biden never having spent a day as President, everything done under his name or signed by him or by someone operating on his behalf, is now shown to be fraudulent and therefore null and void - of no legal weight and of no legal effect.

Nonetheless, the white hats, with their 5D chess, Looking Glass, and AI predictive programming, must have thought of this one! This is a great serial: The President Who Never Was.

What will they do next? (Stay tuned.)

Well, chalk another one down for the "conspiracy theorists," the Nimble Mammals vs the Brainless Dinosaurs. (2)

CAUGHT ON CAMERA! NO HUMAN BEING MOVES LIKE THIS – BIDEN CLONE CAUGHT GLITCHING LIVE, SYNTHETIC JAW DROOPING, NECK FOLDING, AND SYSTEM OVERLOADING!

Gazetteller, June 7, 2025

(<https://gazetteller.com/caught-on-camera-no-human-being-moves-like-this-biden-clone-caught-glitching-live-synthetic-jaw-drooping-neck-folding-and-system-overloading/>)

Joe Biden is dead. Executed in 2020 after a secret U.S. military tribunal found him guilty of treason, crimes against humanity, and collusion with foreign powers to dismantle the United States from within.

This is the unfiltered truth buried by a collapsing Deep State media machine. What once paraded around as “President Biden” was never human after 2020. It was a globalist-controlled synthetic clone—an artificial shell designed to extend the illusion of power while the real war for America unfolded behind the scenes.

And now, as of June 7, 2025, that clone has been fully decommissioned. President Donald J. Trump has officially returned to open, constitutional, military-backed command. The Deep State’s illusion has shattered.

The Execution and the Masking of Reality

The Biden regime was never legitimate. Trump won in 2020. The military knew it. The globalists knew it. That’s why, following the military tribunals of 2020, the

Deep State launched a coordinated global information warfare campaign to prop up their puppet.

Biden was removed by military justice, and the operation to replace him with a programmable clone was set in motion by DARPA-aligned elements working under CIA black projects, aided by foreign globalist allies from Israel's Unit 8200, Britain's MI6, and Germany's BND.

We were told Biden was inaugurated on January 20, 2021. In reality, that was a staged pre-recorded event, filmed at Castle Rock Studio, the White House replica in California, long before the actual "inauguration day."

D.C. had been fenced off and turned into a military compound. What the world witnessed was Hollywood-level illusion mixed with biometric engineering and military-grade Deep Fake tech.

The real Biden never made it to that day. He was gone.

Physical Breakdown of the Clone – Now Impossible to Deny

Leading up to the Trump restoration in 2025, the Biden entity had deteriorated to such an extent that not even legacy media could spin it. Just look at the footage:

Earlobe inconsistencies. The man called Biden used to have attached earlobes. The clone had detached ones, flopping unnaturally under movement. A documented biometric inconsistency and a signature sign of clone replacement.

Nobody will ever believe us. pic.twitter.com/6YRITwRyy1

— The Disrespected Trucker (@DisrespectedThe) [June 5, 2025](#)

- Eye color fluctuation. The clone's eyes morphed from blue to black to hazel between appearances. These were not lighting tricks—these were ocular prosthetics failing under scrutiny.
- Mechanical misfires and speech failures. From freezing mid-sentence at public events, to repetitive vocal glitches, to wandering like a malfunctioning drone—this was not aging. It was artificial intelligence breaking down.

- Drooping jawlines and collapsing face folds. In a viral June 2, 2025 clip, the Biden clone’s jaw drooped unnaturally. Skin folds distorted as the synthetic face mask shifted. Military intelligence analysts confirmed frame-by-frame evidence of facial overlays slipping.

Deep State Panic – Globalist Empire in Collapse

As these breakdowns unfolded, the globalist media machine entered full panic mode. On June 3, The New York Times ran an emergency “debunk” operation targeting “Biden impersonator claims,” calling them dangerous “disinformation.”

Meanwhile, late-night mouthpieces like Colbert and Kimmel mocked what they were ordered to suppress. But the world wasn’t laughing. The dam had broken.

Why? Because President Trump had begun revealing the truth directly. On June 5, Trump reshared:

“There is no #JoeBiden—executed in 2020. #Biden clones, doubles & robotic engineered soulless mindless entities are what you see.”

This was no metaphor. This was declassified reality.

Since January 2021, Trump had operated behind the scenes under Continuity of Government directives, restoring the Republic and dismantling the foreign corporate U.S. entity installed in 1871. The Biden clone was allowed to operate as a placeholder, a tool to expose the Deep State’s full structure before the final takedown.

The Puppet Collapsed – The Agenda with It

The June 6 White House blackout—coinciding with power failures in Deep State hubs like Camp David and Langley—was no accident. That was the final shutdown.

The clone’s AI systems, reliant on quantum bio-interfacing and plasma-based synthetic organs, had entered cascade failure. [The shutdown was confirmed by military insiders](#), (3) who reported the clone’s refusal to respond to updated command sequences.

As the puppet collapsed, the entire structure it propped up crumbled:

- Central Bank Digital Currency operations were halted indefinitely.
- The WHO's global sovereignty treaty was rejected by 30+ nations.
- Ukraine biolab networks linked to Biden and Obama were dismantled.
- New Epstein flight logs confirmed Biden's name tied to blackmail ops.
- Pfizer-Monsanto merger halted, exposing pharma-food genocide collusion.

The fake presidency collapsed under its own lies. The era of biopolitical deception is over.

The Restoration of the Republic

As of June 7, 2025, Donald J. Trump has returned—not as a campaigner, but as the fully reinstated Commander-in-Chief of the restored American Republic, backed by the U.S. military and global White Hat coalitions.

This is not a victory lap. This is the rebirth of a nation.

The Biden clone was not just a hoax. It was the spearhead of the final Deep State deception—a grotesque symbol of what the elites thought they could force onto humanity. But their game is over. The mask has fallen. The software has crashed. The lie has collapsed.

There Is No Biden. There Is No Deep State.

There is only truth. And there is only one man standing with it: President Trump.

June 7, 2025 – The day America officially began its return to the people.

BOOM! THE GREATEST LIE EVER SOLD: “BIDEN WAS EXECUTED AT GITMO IN 2020” — TRUMP’S TRUTH BOMB SHATTERS THE GLOBAL CABAL

Medea Greere, AMG News, June 1, 2025

(<https://amg-news.com/boom-the-greatest-lie-ever-sold-biden-was-executed-at-gitmo-in-2020-trumps-truth-bomb-shatters-the-global-cabal/>)

EDITOR’S NOTE: Some of us didn’t need 2025 to see the truth. Back in 2020, when it was dangerous to speak, when algorithms were weapons and silence was currency, I wrote what I knew:

“There is no Joe Biden. What you see is not a man — it is a manufactured illusion.”

Back then, few believed. Even fewer listened. And I never blamed them — because the lie was massive, and the machine was built to hypnotize. But I stood my ground. Quietly. Boldly. With every word, every post, every document — I left a trail.

And now, in the light of June 2025, President Trump has spoken the undeniable.

“There is no Joe Biden — he was executed in 2020.”

The truth has a strange way of waiting. It doesn't rush. It doesn't beg. It simply arrives — fully armed, with receipts.

To those who once doubted: You weren't wrong to be cautious. But now you must be brave.

This isn't about “being first.” It's about being ready. Because what's coming next — will require all of us.

– Medeea

BOOM! Trump shatters the Matrix: “Biden was executed at Gitmo in 2020.” The fake presidency, clone regime, AI deception, and Deep State puppetry are officially exposed. America's awakening begins NOW. DECLAS is real.

THE DEATH OF BIDEN: DOCUMENTED, SILENCED, CLASSIFIED

Joseph Robinette Biden Jr., born November 20, 1942, in Scranton, Pennsylvania, officially and irrevocably ceased to exist as a free man and as a political entity on January 17, 2020, following his trial and execution at Guantánamo Bay, in accordance with military tribunal procedures carried out under Executive Orders activated by President Trump during the silent phase of the war against the treasonous infrastructure embedded across the U.S. government; his crimes — which include high treason, subversion of the Constitution, collusion with foreign powers, and crimes against humanity — were judged in secrecy but enforced with full legality.

The public memorial, hidden in plain sight under Memorial ID 267327344, marks the burial of a man erased from history, yet propped up posthumously by the same

globalist network that has been using his hollowed identity as a vessel for deception, mind control, and political puppetry on an unprecedented scale.

THE SIMULACRUM: CLONES, DOUBLES, MASKS, AND DIGITAL SPECTERS

What followed the physical elimination of Biden was not a handover of truth or an announcement of justice — no — it was the activation of the most grotesque psychological operation in modern political history, one that would involve the deployment of synthetic clones, fully masked body doubles, AI-generated voice modulators, and high-fidelity CGI holographics, all engineered to maintain the illusion of continuity, to manipulate public perception, and to suppress the consciousness of an entire nation.

Since early 2020, what Americans have seen as “Joe Biden” in press briefings, public events, and staged international visits was nothing more than an ever-shifting carousel of impostors, programmed to perform, controlled to obey, and designed to mimic — not lead. These were not human errors; they were engineered simulations, produced by a military-media-entertainment industrial complex that treats reality like a screenplay and the Constitution like a prop.

“THE GREATEST SHOW ON EARTH”: THEATER OF WAR, NOT GOVERNANCE

According to intelligence revealed through DECLAS 2025, an operation codenamed “The Greatest Show on Earth” was initiated by the remnants of the Deep State following Biden’s execution, involving the mobilization of over 200,000 actors, mask specialists, digital engineers, and behavioral psychologists, all under the coordination of corrupt intelligence factions and globalist financiers.

Their mission: to sustain the illusion of a functioning administration, to project authority where there was none, and to suppress dissent by normalizing the surreal, the absurd, and the blatantly fake. With Hollywood-grade masks, deepfake-enhanced speeches, green-screen summits, and computer-stitched State of the Union addresses, these forces effectively weaponized the very fabric of perception, creating a clone regime, not as a theory, but as a deliberate, documented, and ongoing military-grade psy-op targeting the soul of the American people.

THE TRIBUNALS, THE EXECUTIONS, AND THE SILENCE OF THE BOUGHT

Behind closed doors, far from the blinding noise of televised distractions, military tribunals have been operating non-stop, systematically trying and sentencing individuals across political, corporate, and media landscapes — and yes, many of those who publicly deny these events are themselves already gone, replaced, silenced, or negotiating plea deals under sealed indictments.

The scope of these trials is not symbolic; it is strategic, judicial, and apocalyptic for the Deep State's infrastructure. From Guantánamo to black sites across Europe and the Pacific, the rule of law has been reasserted under military codes activated by Trump, codes designed for wartime treason — because make no mistake, we are at war, not metaphorically, but literally — a war of truth versus illusion, nation versus parasite, reality versus programming.

TRAITORS EVERYWHERE: THE MASKS WILL FALL

Let it be known: every journalist who mocked the truth, every “fact-checker” who shielded the lie, every influencer, governor, senator, and late-night clown who parroted the falsehood of a Biden presidency — they knew, or worse, they didn't care, and chose career, comfort, and corruption over truth, honor, and country.

[The list of traitors is long](#), bipartisan, and festering with familiar names — from Pelosi and Schumer, to Pence and McConnell, to Zuckerberg, Gates, and the rotting bureaucracies of NATO, WHO, and the UN. These are not bystanders. These are active collaborators in the construction of a Matrix meant to enslave not only a nation, but the human race. Their masks — literal and metaphorical — are beginning to slip, and no amount of digital censorship or theatrical performance will save them from what comes next.

PRESIDENT TRUMP: COMMANDER, ARCHITECT, EXECUTOR

President Donald J. Trump, whose legitimacy was never legally surrendered, whose inauguration in 2017 triggered a chain of events that would systematically dismantle the centuries-old grip of the cabal, has now stepped fully into his role as the revealer-in-chief, the executor of truth, the beacon around which real justice now rotates.

For years, his silence was strategic, his coded drops calculated, his absence only physical, not functional — because behind the scenes, he never stopped governing, never stopped commanding the military, never stopped preparing for this very moment, where the curtain collapses and the truth stands undeniable. What began as whispers of “Q” now roars as [DECLAS](#) — and with his statement, “There is no

Joe Biden”, Trump has not merely revealed the puppet — he has torn the mask off the entire stage.

THE STORM ISN'T COMING. IT'S HERE.

What happens now is not speculation, it is sequence. First: Full public declassification. Second: Tribunals aired. Third: Mass resignations, arrests, disappearances. Fourth: Exposure of clones, AI, holograms, and simulation systems.

Fifth: Global collapse of the New World Order architecture. And finally — the restoration of Constitutional America, guided not by party, profit, or programmed illusion, but by truth, accountability, and a people fully awake and armed with knowledge.

IF YOU STILL BELIEVE JOE BIDEN IS ALIVE, YOU ARE NOT A VICTIM — YOU ARE A PARTICIPANT IN THE LIE

This is not hyperbole.

This is not performance.

This is the real world, and you've been living in a film directed by your enemies.

President Trump has opened the floodgates.

The illusion is shattering.

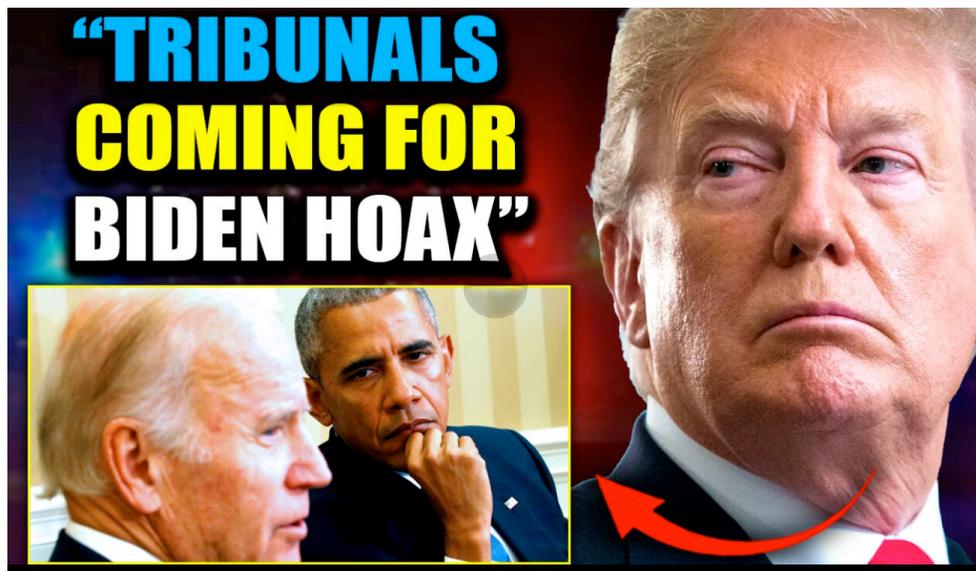

The reckoning is beginning.

And no one gets out clean.

THE BIDEN ILLUSION: TRUMP DROPS CLASSIFIED PROOF DEEP STATE USED ACTORS, CLONES, AND HOLOGRAMS TO FAKE A PRESIDENCY [VIDEO]

Medeea Greere, AMG News, June 6, 2025

<https://tinyurl.com/3dn8jukh>

President Trump has just dropped undeniable proof: Joe Biden was never in charge. From day one, the American public was deceived by doubles, holograms, and AI clones. This is the end of the illusion — and the beginning of accountability. The Deep State just lost its greatest mask.

It's not a meme. It's not a theory. It's not a drill. President Donald J. Trump has just confirmed what the so-called "conspiracy theorists" have known all along: The man the world called "Joe Biden" was never in charge. Not once. Not ever.

We're not talking about mental decline. We're talking about complete substitution — a deliberate, military-grade deception executed by the Deep State to hijack the White House. But Trump has the proof, and now the entire fake façade is crashing down.

This is vindication. This is retribution. This is the moment the masks fall — literally.

THE FRAUDULENT FACE OF THE REGIME

What do you get when a corrupt elite loses the election but refuses to give up power?

You get an illusion — a pantomime presidency — fronted by doubles, digital puppets, and post-human simulations.

Trump has now released classified evidence confirming that:

- The real Joe Biden was medically incapacitated or eliminated before January 20, 2021.
- What followed was a rotating cast of body doubles, AI-generated holograms, and pre-programmed clones, each activated based on schedule, event type, or media necessity.
- Facial discrepancies were covered with surgical overlays, digital smoothing, and deepfake tech perfected by Hollywood intelligence assets.

And you wonder why:

- He shook hands with invisible people
- He stumbled like a remote-controlled puppet
- He smiled ear-to-ear while meeting President-elect Trump in the White House

Because it wasn't him. It never was.
