Introduction

To find a cache of messages from Archangel Michael is nothing short of exciting.

I can't wait to re-read it from cover to cover and take out a trainload of quotes.

It's been eighteen years since Michael said to me:

AAM: You have known that the time would come when we would ask you to work very much on a very global level. And this is the beginning of that undertaking. You have already built a very firm foundation for this to occur and for this we thank and bless you. (1)

Well, as a matter of fact, I hadn't had a conscious thought, but I also, looking back, am aware that I always focused on leaders.

And I also look back on my life and see that, for a very long time, I was standing for student office and winning. Until I realized that it was my way of distancing people.

But to talk about “leadership” as if it’s a learned skill never occurred to me, until Michael said what he said.

Then the subject advanced from the background to the foreground and I began to imagine this series of books.

And leadership in what? Michael told me in the second reading I had with him:

AAM: Your job is to participate and to lead in a worldwide peaceful revolution. For peace, the time is now. ...

And we do not mean an absence of war. We mean the presence of peace as you have been describing it. (2)

Like love, higher-dimensional peace is not at all like anything we’ve ever experienced. I felt so solid and unmovable when immersed in peace. I said earlier that I could appreciate how Gandhi could be with Governor-General Lord Mountbatten and be relaxed.

So here I am, reviewing the literature, learning too, getting ready for the starting bell and a show bigger probably than anything I’ve ever imagined.

And leading too!!!! What do I do now?

Now read this!

Archangel Michael: Message to Lightworkers

Archangel Michael: Message to Lightworkers (Repost)

January 9, 2017 / Reposted from July 2016

<http://goldenageofgaia.com/2017/01/09/archangel-michael-message-lightworkers-repost/>

Archangel Michael began our reading on July 22, 2016, with this message, spontaneously, without a question having been asked.

He may have been listening to Linda and I talk before the reading. But it's so timely to repost, as we lash ourselves to the mast before sailing into possibly stormy waters.

Message to Lightworkers, July 22, 2016

Yes, you are stepping forward, quietly, unobtrusively but in the clarity of One, into your warrior self. And it is a time for this clarity of the warrior to be very present, not only in you, my beloved brother, but in many.

Yes, you and the channel have discussed how this is looking and feeling like at the moment. The Mother's penetration of her legions continues. There is no room for that which is not honourable, of truth, of kindness and of consideration.

This separation in what has been called the Lightworker/Loveholder community needs to cease. You are too few. Yes, you are mighty. Yes, you bring forth clarity.

And you have claimed the freedom to step forward, sometimes as participants, sometimes as creators, and sometimes as observers. And of course all of those three roles are exactly the same. And then while we're at it let's throw in stewardship and leadership, and being way-showers.

You have toiled. You have been persistent. You have been patient. You have been forthright.

You have steadied each other upon this path of righteousness, of discovery, of adventure, of doing upon this planet of Gaia what has never been done before.

While you are mighty, while you are committed, this separation between pathways needs to be healed. I am not talking about individual situations necessarily.

While there is always room, and it is part of the glory of freedom, for different perspectives, opinions, understandings, pathways, adventures, expressions, there is only one truth. Many expressions, many ways of reaching homeward but there is only one truth.

The fiber, the substance, the essence of that truth, is the Mother. Now you know that and what it is, in its very essence, is love. It is from love, this energy, that all is created.

So when there are these separations between lightworkers that are not of love and not the expression or experience of love, then what you are doing is practicing self-defeating behavior and actions that only diminish you being in clear partnership, not only with us, but with each other.

You are our partners, our boots on the ground. You are the fulfillment of the Mother's dream and the Mother's promise. That can never be achieved by backbiting or nay-saying or trying in any way to diminish the work of one another.

So yes, dear Steve, I am using you and this time to speak out and to call out to all lightworkers to unite in heart. Each of you has a very unique pathway, a very unique mission and purpose.

So for example, there are many communicators. Each of you has a different expression and way of getting at it. There are many healers. Each of you has a different way of going about it.

The point is, is at the start, the middle, and the finish, the way in which your mission is conducted must be of integrity and love. It must be that quest and that anchoring of peace and truth. That is Nova Being and Nova Earth.

There is room for variation within but that is the foundation and the roof. How you decorate the house is up to you. But it must be decorated in beauty, in wonder, in awe, in humility and in kindness.

So I call to all of you, to unite in purpose not only to passively receive the energies the Mother and her legions are sending you, but as one force (and I do not mean of violence), one mighty wave declaring and living, passively and actively, this truth of love.

You are the wayshowers. You are the pathfinders. You are the pillars and the portals and everything in between. When you stand in that role, when you sit or fly in that role, you are fulfilling your mission and purpose.

You are fulfilling your plan within the Mother's plan. But when you deviate from this ... and I exclude from this the clearing of core issues, which can lead you down some rabbit holes....

Let us be clear, you all proceed together as one family of Gaia, as one circle.

Repeatedly we have said there is no hierarchy. You, like us, are all servants of the One. There is no pecking order. It is in equality and unity of heart and love that we proceed together.

So I ask you, I beg you, to remember this. Examine where you are standing, sitting, lying and if you have veered, if you have detoured, come back to your heart where the truth reigns.

It does not need, in any way shape or form, to be public pronouncements but within your heart, course correct and begin again.

Archangel Michael: It is Time

June 10, 2016

<http://goldenageofgaia.com/2016/06/10/archangel-michael-time/>

This lull before events gives us more time to consider numerous matters before the tsunami of abundance sweeps many of us (well, OK, me, then) off our feet.

You can see me stressing leadership and reproducing some discussions with Archangel Michael on this subject. It's an important topic to AAM.

He depends on us lightworkers emerging as leaders. If we don't, a vacuum is created which the newly-awakened won't be able to fill. We've adjusted to the energies. We've divested ourselves of all the Third-Dimensional residue that we could. We've done the work and he now depends on us to lead the way for others.

So here's a discussion between an archangel and his servant, from a private reading, on everything to do with the need for lightworker leadership. Hear what he says to me as being said to you as well. From April 2015.

Steve Beckow: Do you know, last week I had an explosive resumption of personal authority after years and years and years of being ridiculed by people like (I probably don't need to name them, you know them) four women, as it turns out, who ridiculed me at work and high school. I just died inside at the time. ...

I feel hell-bent on re-assuming my personal responsibility and my authority. Can you tell me something about that?

Archangel Michael: I have been doing this to you and Gabrielle has been doing it to the channel [Linda Dillon].

SB: ... To the channel?... What is it that's happening?

AAM: It is time for that assumption of leadership responsibility to be front and center. So the avoidance due to prior injuries - terrible injury, particularly to one that has been in a leadership or cutting-edge position not only upon Gaia but elsewhere - that was deep devastation.

Now I am very busy healing the wounds of war and who do you think I am starting with? My inner cadre, and, dear heart, that includes you. So I need you as you need me.

SB: You are calling me forth, right? That's what's happening, is it not?

AAM: That is exactly what is happening. That is why this line in the sand [the incident under discussion] is being created.

It is not about the old realm of control or greed, or anything like that. In order for the plan to be unfolding, in order for the practical building blocks (which is what you're asking for - money) to be in place, there has need to be a very strong re-assumption of leadership.

SB: I see that, Lord. I didn't really do a very good job.

AAM: No, you have done an excellent job. (1)

Let us also comment on this and I am asking the channel to listen.

It was very important to build community. (2) That was the task at hand. Unity, community and understanding of the process of reliability, of sincerity, a connectedness that built the sense of the Light Worker Community, of heart-to-heart-to-heart community.

That has been achieved.

But now, as wayshowers, there has need to be someone, and many someone's, at the head of the line saying, "This way."

SB: I implicitly know that, Lord. It's pushing out from inside of me.

AAM: So, you have done the work of building community, of teamwork, of collegiality, of sincerity, of love. That does not go by the wayside.

The leadership does not come from an arbitrary assumption of control. It comes from a deeper desire than ever to truly serve.

And how does one serve? Each in their own particular way. But leadership is necessary and it does not mean "better than."

You know that I am the, literal and designated, head of this Legion of Peace. I do not assume that every being in my Legion of Blue is not crucial, critical, pivotal, equal, and different, than I.

We are a unified force, serving the Mother. No more, no less. Each having our position, our commitment, our responsibility and our role.

I have said to you, I look forward to the time when I will be back playing the harp and painting the sky, but until such time, I will stay as the Archangel of Peace.

SB: So this new paradigm then is leadership without control, isn't it?

AAM: That is correct. It is leadership with love.

SB: Yes, I haven't got that one down overly well yet.

AAM: You are getting there. Simply bring it back up, dear heart, and let it flow. It is dormant. You haven't been attending to it as vigilantly as you might because you have been worried and in fear around finances. Be re-assured and go forth.

SB: This is a repeat of the Six Day Training where the requirement was to go for leadership and I found that that was the only way to serve. (3) It all feels really good. This is a repeat of the Denver Airport as well, isn't it? (4)

AAM: Yes.

SB: Yes, all right. I'm reconnecting with that.

AAM: You are reconnecting the dots and understanding that this has been nibbling at your heels for a long time.

SB: It has. I know that. Easily since October last year but even way before that. (Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, Apr. 3, 2015.)

Footnotes

(1) Archangel Michael is ever supportive.

(2) In other words, previously it was imperative to build community but now it's necessary to assume leadership responsibility.

(3) The Six-Day Course was an est Network workshop in the late 1970s. In a war game, we had to choose a leader - and not democratically. I went for leadership when I saw that a good leader gives others the chance to get themselves by crashing up against him or her. When I could see leadership as service, I told the "army" in a loud voice: "I am your leader. Sit down!" And they did. Leadership question settled.

(4) The reservations clerks at Denver Airport were discussing the fact that we passengers would not make our flight but they were aware that our baggage was currently being loaded with no effort being made to stop it. I turned around and announced what was happening to the crowd and an action began that led to our being put up in hotels overnight, having our needs and necessities catered to, enjoying a great breakfast together and embarking on the first flight out the next day, with fond memories.

Archangel Michael: The Time for Lightworkers Stepping Forth Is Now

July 23, 2015

<https://goldenageofgaia.com/2015/07/23/aam-the-time-for-lightworkers-stepping-forth-is-now/>

In a recent personal reading, Archangel Michael encouraged us lightworkers to show leadership in the co-creative work of building Nova Earth and tells us that the time for stepping out is now.

Steve Beckow: Greetings Lord

Archangel Michael: Welcome to you, my beloved brother of blue. Welcome to this time of extraordinary change - yes, of breakthrough, breakdown, reconstruction, and reconstitution. This is the constant.

But never has it been so apparent as the humans go forth - in folly, in victory, in war, in peace. The key is that they are embracing the change and that they do go forward - sometimes yes, under misstep, and sometimes in courageous valour.

Might I even say, beloved one, that, at this time, being upon the planet and being involved in the work of spreading light and love is courageous valor. Even in silence, the continuity, the constancy and the certainty is an act of valor. It is an act of trust. It is an act of hope. It is an act of love.

Know when I say that I speak of "act." I speak of "action." I speak of forward thrust and this is what is required. It is required in terms of the individual's plans

within the Mother's plan. There is a time for stillness and all action emanates, when it is of truth and balance, from that place of stillness, of balance.

It is not a flurry of activity, of expression, of creativity for its own sake. It has need to be clear, directed, thoughtful, considerate, kind, gentle, strong. But it has need to be action. The time for light workers, love holders, for all of Gaia, stepping forth, is now.

Archangel Michael: It's a Time for Action

Aug. 25, 2019/May 2014

<https://goldenageofgaia.com/2019/08/25/302569/>

In May of 2014, I asked Archangel Michael how we could get into action without the money the Reval would provide. He answered at length....

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, May 9, 2014.

Steve: Can you just talk with me about how I should be approaching all this [chaos]? Is there a synthetic way? A well-integrated way to approach so many

different things happening?

Archangel Michael: The chaos - think of it as the remaining issues, debris, vasanas, it doesn't matter what you call it. It is what has to come to the surface for the cleansing, both individually and collectively.

Now, much of this will be washed away by the tsunami of love. But it is also creating this anxiety within people of shifting sands beneath their feet, so they feel — because they're in the chaos and not preparing for the tsunami — at risk. They are feeling stressed, fearful.

The Reval is simply - and all of the financial issues, governmental issues are merely - a physical manifestation of the shift and the changes that are taking place within the hearts, minds, and fields of humanity.

So what we would suggest is that the focus not be on the chaos, but on the tsunami, on the Ascension, on the spiritual path of change, the bullet train that humanity is now on.

Steve: How best do we open to and harness that change? I'm on the awareness path. Other people are on a more mystical path. Some people are on paths of service. How best do we all open to these tremendous changes that are happening?

AAM: It is to open your heart, receive the gifts, be the love. I have reminded everybody to ask first and foremost what would love do, but what love would do is to be the love.

And that means not merely holding the love, but moving into actions — for yourself, for your family, for your community, for your planet — that are only expressions of love, yet feel that they are completely in alignment with the truth of who you are.

So it is a time of action. It is not a time merely of receiving, of cleansing, of observing the chaos. Do not hesitate. Check your heart, check your knowing, but then move into action.

Steve: Well, I can hear numerous people saying, we don't have the resources. We don't have the money. What do you say to that?

AAM: What I say is every day that your life is filled with action — breathing is

action. The choice of inaction is action. It does not take a sou to smile at somebody, to extend warmth, to extend a helping hand to a fellow human in need, to reassure a child, to communicate with a dog, to do the things that you can in every moment, knowing that as you do you are building the resources. You are literally magnetizing the resources to you.

If you refuse, or say, "I cannot do this because I do not have the resources. I cannot do this because I do not have the money," then I remind you of your spiritual currency, in which you are very rich. (1) So, if you refuse to act out of love or [you act out of] stubbornness because you do not have resources, then what is your daily life like? It does not compute, dear one.

Everything you do, from brushing your teeth to feeding your body to smiling at somebody whose demeanor is downcast is an act of love, to beam out in love to those that are in a very [precarious position], to use the tools. Do not forget the topaz box... (2)

Steve: Um-hmm.

AAM: There are many things you can do.

Footnotes

(1) The love that flows from our heart is our spiritual currency; the heart is the treasure chest.

(2) Archangel Gabrielle asked us to put recalcitrant world leaders, etc., in a topaz box she's constructed, for "light treatment."

Archangel Michael: Part of Our Agreement is Being the Activators

December 11, 2018

<https://goldenageofgaia.com/2018/12/11/archangel-michael-part-of-our-agreement-is-being-the-activators/>

I'd like to post a discussion with Archangel Michael, through Linda Dillon, from 2015.

On that occasion, he said that I was being used to illustrate what emotional clearing looks like. Then he acknowledged that all lightworkers were. It was part of our agreement with the Mother.

If the whole planet was to ascend - as we had asked of the Mother - then people are needed to serve as activators; in this case, to model raising issues to the surface and watching them dissolve.

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon,
May 6, 2015.

Steve Beckow: Am I being used, so to speak, to illustrate the need for lightworker clearing?

Archangel Michael: Yes. Very.

SB: Can you say a little more about that for my own comfort. And also for the readers of the blog. They need to know that lightworkers are often being used for this purpose.

AAM: But they are being used and that is part of the soul agreement. That is part of being the activators, the human activators for the growth and the ascension particularly now that you have decided to ascend as one together.

So if you do not have human activation, if you do not have the clearing coming forth that is necessary for the anchoring in physicality of the higher realm and vibration, then you do not make the transition as smoothly or as effectively or as rapidly as all of you are wanting.

So, yes, you are acting as catalysts, not only to each other, but especially to each other, but you are also doing it for others as well. What you would think of as the main stream.

SB: We know about being catalysts and we know about clearing for the collective. But to actually be used as a model, an example, an instance, to have some piece of our history or whatever reactivated so that people can see somebody going through this, is that also part of this?

AAM: Yes it is.

SB : There are other lightworkers out there who will say, “Oh my God,” is there anything you want to say to other lightworkers about this?

AAM: What I am saying is, is that this is part of the service work you have volunteered for. This is part of your expression of love for the Mother.

Do not be surprised, my dear friends, if things that you thought were ancient history are being revisited and they are coming up again for that activation and that clearing.

SB : So we shouldn't be ashamed of sharing about it?

AAM: There is no room for shame. That is outmoded. We want you, all of you, to get to the point where you can laugh about clearing and say – here we go again - so that it is as smooth as running water. Because that is what it is – it is running Light.

Archangel Michael: Synchronicity Among Reval, Disclosure and Ascension

AAM: Synchronicity Among Reval, Disclosure and Ascension - Part 1/2

<http://goldenageofgaia.com/2017/03/22/aam-synchronicity-among-reval-disclosure-and-ascension-part-12/>

In this excerpt from my reading with him through Linda Dillon, on March 10, 2017, Archangel Michael looks at the tie-in between the Reval, Disclosure, and Ascension.

He reviews the range of response to be expected from lightworkers and their nearest colleagues.

Steve Beckow: Is there a temporal tie-in or synchronicity (you have answered this partially, in the past) among the Reval, Disclosure, and Ascension?

Archangel Michael: Yes.

Steve: Is there anything you want to say either privately to me or publicly about that?

AAM: From the very beginning I have endeavored, as much as an Archangel can endeavor (I am playing with you), to emphasize that what you have called the Reval has been about spiritual reevaluation. That vision I have needed and will continue to need to bring to everybody's attention, time and time and time again.

This is simply not about a temporal or a physical manifestation because one has committed to be a Lightworker. In fact the level of entitlement among many is appalling and I say that very strongly and very clearly.

It is not because you are the chosen people. It is because there is a need and an agreement and a soul agreement in the fulfilment of the Mother's Plan that when the spiritual re-evaluation of enough people, and the commitment to truly change, takes place, then the physical manifestation of those resources come forth.

As we have said in the past, we do not make funds available to create dictators or for buying weapons of mass destruction or war.

Steve: Or châteaux in the south of France.

AAM: That is correct. That would be an abomination of the Mother's Plan.

Now I am not talking about ease. In fact we have just spoken of the need for balance in every aspect of one's life. So I'm not suggesting to you that you are given resources so that you can work 24 /7 on a project, or what you previously thought of as your job or work.

Everything is an integrated whole and work and play and family and the entire list is of a whole. So humanity and those who are recipients of resources have need to be at a level of spiritual maturity to use these things wisely.

They are not just the recipients of a lottery. They are the guardians, the stewards of the practicalities to create institutions and societies that are kind and loving and, might I say, elevated; that are in alignment with the Mother's Love.

Now there are those that have no knowledge, no association, no belief system that is in alignment with what you feel, or believe is the Lightworker/Loveholder community. That is not to say that they are not mission- and purpose-driven in the same way.

But their level of spiritual maturity in their pathways also has to be at a level where they can claim divine authority. Not to be the new cabal or illuminati or usurpers of power, but to create a balance upon this planet and, in our words, a world that works for everyone.

This delineation and even the opinions behind it, of have and have not, have need to be eradicated. So the level of maturity has need to be present.

And we suggest that you have done stellar work, and I mean you, the collective and the Lightworker community, have done stellar work in doing this. (1)

Tomorrow he looks at lightworker entitlement and arrogance and confirms that Disclosure will be a group event.

(Concluded in Part 2, tomorrow.)

Archangel Michael on Truncated Experiences

July 26, 2022

<https://goldenageofgaia.com/2022/07/26/aam-on-truncated-experiences-repost/>

In this excerpt from my March 10, 2017 reading with him through Linda Dillon, Archangel Michael gave a full discussion of why there's a need to truncate experiences at this point in time.

He also discussed how the rules relating to enlightenment have changed over the centuries.

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, March 10, 2017.)

Steve Beckow: Now, when an experience is truncated how am I to look upon it?

That you wish me to write about it as far as I have experienced it? ... That you don't want us to be fully ascended because we will stop serving the Mother in this particular regard if we do? ...

Archangel Michael: What you have seen is that you have been given bite-sized pieces of energy, of energy bumps, of input of what you can digest and handle and truly bring to fruition. If you are in the process of expansion, you don't go from Grade 3 to a PhD in a week.

And so there are pivotal markers along the way of important seminal information. You call it information, but it is energy. It is attunements. It is upgrades. It is expansion. It is wisdom. It is all of these things, all wrapped up in Love.

If you say, at the very beginning, "You are worthy. You are whole. You are capable of creating Nova Earth" and the person is lying on the floor bleeding because they have been used and abused by their parents who have been beating them since the day they are born, they are not going to believe you.

There is a process of expansion and acceptance and learning and coming to truly value and love oneself and thereby others. So you have been learning the process as you go.

And the spiritual level of maturity to accept the process... Because we know that there have been many tantrums along the way [true].

Now those tantrums do not upset us but we simply see them as markers about where someone is in their willingness and ability to process the old, to let go of the old and to welcome the expansion of the new.

And if those old vasanas, those old core issues, those old feelings of lack are not healed, then there [is not] the readiness for the next step. So that is why it is being truncated.

Steve: I come at it from a different angle and say, "it's enlightenment itself that is going to heal all the old wounds, etc. etc." but that's not necessarily true, is it? (1)

AAM: No. And it is not the paradigm or the pattern that has been in unfoldment for this collective and this planet. Don't forget. What you are doing is setting the pattern for so many.

So if you say this to the Mother - and you have - “Give us [full] enlightenment tomorrow” and then the domino effect of course is enlightenment throughout the Omniverse, then we are back to Square One and we just start over again.

Steve: Wait a minute, I didn’t understand what you just said. ... Back to Square One? What did I miss?

AAM: Your ultimate enlightenment is the reabsorption into the Mother.... (2)

Steve: Yes... Back to Square One! I see. And the whole plan just gets shelved, so to speak, for me. Okay, I got it. So there is no escaping this special time. This is not like somebody seeking enlightenment in the 17th century.

AAM: It is entirely different.

Steve: Could you talk about that a bit because I think readers would want to hear what you have to say on the difference between the old quest for enlightenment and what purposes enlightenment serves at this moment.

AAM: Think of it in this way. In the 8th century, in the 2nd century, in the 17th century, in every environment what you have been carrying is also the paradigm of that time and place and culture etc.

In the 17th century, and even until really quite recently, the belief was, based on those very entrenched paradigms of control and penance and worthiness, that you had to really work at it, work at it, work at it, earn it and that it was hard.

And the level of commitment was total.

And often that meant in many ways, a divorcing or an absencing of oneself from society, from structures, from everything but your path.

Now what you have done is you have evolved. Do not forget there have been many lifetimes in between and many visits home, I would say.

You have reached the point where you are realizing, and we are asking you by the way, that we don’t want you to feel burdened and working, working, working, but rather in the joy, in the love, in the bliss, claiming, embodying your birthright.

In the 17th century, it was about escape. Right now it is about being present.

So what you are working on, or towards, or inhabiting, is very different and therefore the rules of engagement have shifted and evolved.

Steve: And again, this is all happening at the archangelic level, is it - this shifting of the rules or application of the rules, is that correct?

AAM: Yes, that is correct.

Archangel Michael: How to Expand?

August 17, 2020

<https://goldenageofgaia.com/2020/08/17/archangel-michael-how-to-expand/>

Considering the tasks I'm being asked to accomplish once things start moving, I asked Archangel Michael in my last reading to tell me how to expand, to do this work.

Here's his answer.

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, Aug. 5, 2020.

Steve: What do I need to do to emerge, to get bigger, to activate and unfold my latent capabilities?

Archangel Michael: Feel yourself - yes, first in meditation but then in simple consciousness - as if you are literally filling your apartment, wall-to-wall, ceiling to floor and then fill your building and then fill your neighbourhood and get used to

that walking-around, conscious notion of this is who you are....

Think of it this way. We have talked about the synapses and the electrical firing in your brain. [See] your field [as] that large [with] the electricity, the awareness, the presence ... filling the entire field.

That is what we wish you to do

Expanding my field of awareness to cover a large area has definite, beneficial effects on the "I" in the center - it produces feelings of groundedness and courage, certainty and belongingness.

I find the practice very soothing and helpful given that the vasana (or core issue) I've been describing for the last while has been all about shrinking away or retreating from life.

I have no idea whether this archangelic over-the-counter regimen is suitable for everyone, but it certainly looks as if it is.

Archangel Michael: On Confrontational and Aberrant Behavior

Archangel Michael on Confrontational and Aberrant Behavior

Jan. 22, 2017

<http://goldenageofgaia.com/2017/01/22/286208/>

*Archangel Michael here relates how hope and trust become my two new life skills in the new world created by letting go of confrontational and aberrant behavior.
(1)*

In most instances, changes of behavior inspired by our guides come about because they plant the idea in our mind.

But here, thanks to the marvels of channeling and the Internet, we have an instance of an archangel actually discussing and working publicly with his servant to alter that servant's behavior.

We can actually listen to the distinctions he makes in going about his work of guidance.

Moreover, he indicates at the end that we'll continue working on this issue and sharing it publicly.

Archangel Michael: Now, you have done well in the reduction, elimination of what we would call confrontational behaviour/feelings.

Steve Beckow: Thank you

AAM: We thank *you*, sweet angel.

Steve: It feels funny....

AAM: It does feel funny does it not? It is a significant pattern change and it is a significant pattern change in so far as that it is now also exposing you to the sense of growing vulnerability.

Steve: Oh, yes. Very unsettling.

AAM: But you are also setting this paradigm for the collective because community in the true sense of what we are, not only envisioning for your society, but assisting in bringing forth in alignment with the birth of Nova Being/Nova Societies/Nova Earth is based on societies and communities that [don't include] these rough or confrontational behaviour or stances.

Now with this new sense of vulnerability comes hope and trust.

Steve: Hmmmmmm... (2)

AAM: Yes, you will ponder this and you will also practice it. As you feel fear - which of course does nothing and we're not talking fight or flight but - as you are feeling fear and this sense of exposure, shall we say, what comes to the surface?

The hope that you will be seen and known and treated as the divine being that you are and that in this openness, that you will also be able to interact with another, whether it is a stranger or an intimate partner, in a way that is truly based on both of you engaging from the highest platform, from the highest realm of how you may proceed. It doesn't matter whether it is an exchange with the teller at the bank or with me.

So it is this feeling that is truly based on this hope and trust that it is going to be alright, that I have guided you correctly and accurately to a place where you will be able to function but function in a very new behavioural pattern.

And it is a pattern initially, that can be, and is, for you and for many, rather uncomfortable. But as you proceed it will be of such liberation that you will be ecstatic.

Steve: It's absolutely new territory for me, Lord ... strange.

I've always used my threat display, my confrontational side to ward off the necessity of me feeling fear so I've always done it that way and now this is very, very different.

AAM: I understand.

Steve: Could you give me more on where this goes?

AAM: I would be pleased to.

Now, you have always prided yourself, in a very positive way, my brother, and worked on this value and this practice of transparency, of truly being the authentic, unique, brilliant, bright, loving individual that you are.

But when you have this overlay of what we would call the confrontational defense mechanism, in fact, you aren't transparent at all.

This mechanism has been very useful for you so I am not saying this in any way of critique, criticism or denigration. I am speaking to you heart to heart, as brother. This behaviour worked for you and was appropriate to the time, the space of the old Third Dimension.

But what you are doing is breaking new ground and in breaking new ground you are setting paradigms of behaviour that are based on heart consciousness, on expanded consciousness and what our beloved brother calls, "true love." (3)

And so the rules of engagement and of behaviour are altered and different and so in order to truly be the truth of who you are, that façade (5) that was necessary or useful in the old realm doesn't serve you in the same way.

If you are trying to create new societies, new community and you use this defence of what can be perceived as aggressive mechanism to get people to do what you

want, then you are still utilizing a vapour of that old abusive authority and control, rather than truly moving into the stewardship of who you are.

Steve: Okay, that's very helpful.

AAM: I am not suggesting this is easy, my friend, and this is something that you and I will be working on and that you will be sharing because this is a very significant next step and it is not a next step that you would be taking if you are not already anchored in the higher realms. (1) See "Just and Fair and Equitable," Jan. 20, 2017, at <http://gaog.wpengine.com/2017/01/20/just-fair-equitable>. Aberrant behavior means the ingenuous, opportunistic, and manipulative rackets, numbers, routines, acts, scripts, and other aspects of the constructed self that we use to get our way in life.

(2) I feel wary of hope because of my previous learnings on the matter.

(3) "Love is infinitely powerful, so a deep breath from Its endless abundance allows you to immerse yourself in the pond of the illusion for long periods of time. And when you do, because it is the human condition, it is very easy either to forget about love – the weak faint image of real Love that is all that you can experience as a human – or to convince yourself that you do not need it because it really only complicates life . . . until the next time you need to take a breath!" (Jesus via John Smallman, March 22, 2015.)

Not only Jesus makes the distinction between ordinary and real or true love. Here is the Arcturian Group as well:

"The high resonating energy of true and real Love flowing from the consciousness of so many at this time is lifting the world into Ascension. Each person who attains a consciousness of Unconditional Love, adds more Light to universal world consciousness." (The Arcturian Group, Sept. 7, 2015, at <http://www.onenessforall.com>.)

Archangel Michael on the New Form of Leadership

June 8, 2016

Credit: Michael D. O'Brien

On May 27, Archangel Michael said:

"Those who are in a position of stewardship, of beginning projects that lead the way to the building and the re-creation of what Nova Earth is truly about ... [will] become the spokesbeings for many." (1)

As we look ahead to the time when lightworkers will move into leadership positions, the cabal having disappeared from the public scene, exactly what does leadership mean? What does it entail? Why are we afraid to take up a leadership role?

Archangel Michael discussed that subject in May of 2015 on *An Hour with an*

Angel. I'd like to re-examine that discussion here.

If you find yourself with questions like "On whose authority do I take a leadership role?" or "What does humanity commonly seek?" this is the discussion to come to.

Archangel Michael: Previously, I have begun to speak about the new form of leadership. And I would say to thee, we use this term that you understand - and that is understood throughout many intergalactic cultures of leadership - of responsibility, of teamwork, of cohesion, of discernment, of all the divine qualities, not based on the old realm of control and authority and lust and arbitrary decision-making, but, upon the paradigm, upon the construct of sharing your talents and abilities.

Everyone, and I say this to a planet that has billions of people, each of you have brought unique capacities, talents, and abilities to create and co-create individually and collectively. And increasingly what you are going to hear us speak of is this union between — not only above and below, within and without — but the individual and the collective. You have a song: You can't have one without the other. (2) Well, this is where we truly begin to delve into this.

Leadership is assuming your responsibilities, acknowledging, accepting, embracing the wonder of who you are. And, yes, to refer to those core issues, to not allow those core issues to, in any way, interfere with the fulfillment of who you are and why you came.

We do not even need to discuss the thousands of other lifetimes that you have had if we simply look at leadership in terms of this life, this time, this time of magnificent transition, of ascension, of awakening, because, in each of these phases, the role of leadership, the meaning of leadership, has had different quantifiers.

Now you can say to me, what does leadership look like, taste like? What is it experienced as in a society that is ascended, that is based on divine qualities and equality? What does it look like when the egoic control, when the manipulation, when freedom is the watchword and people are free to step forward? When there is gender equality, racial equality, financial equality, when the structures of the old and the systems that have bound you are gone? What does it look like?

Well, sweet angels, there is still a need for people, whether you are earth-keeper or portal, wayshower or starseed, there will always be need for people, individuals, and groups, who will step forward and say, I can do that. I can take the lead because this is within the realm of my competence. I understand what is required. I am ready, willing, able, excited, interested, enthusiastic to do this. And in that, you both lead the parade and act as the shepherd. You hold the vision and you go to the back of the line to make sure that no one is left behind.

That is what leadership is. It is not assuming a primary position, because leadership is shared. It does not rest in one individual, one institution. Those times, my friends, are over.

When we speak of mastery, again we speak of the individual coming to the place of their mastery. But as you go forward as a collective, you then become an expression, a collective, a circle, a massive circle of mastery, each in your own particular chosen realms.

There is need for all of this. As I have said [previously], too often, for very legitimate [reasons], many of you, particularly who are light workers and love holders, have maintained an exceptionally low profile. And you have done so for reasons of protection, and protection in the true sense of security, fight or flight, but also protection of your psyche, of your soul, for social protection so that your family did not think you were insane.

[You have done so] so that socially you would be able to operate, or you would be able to operate within a corporate environment that frowned on such things as active spiritual quests, and, heaven forbid, a spiritual quest that was above and beyond the corporate goals.

So you have had a variety of reasons. You have played an old third-dimensional game with cause. But that cause, that rationale, has come to an end. It is not just ending. It is already over. It has ceased. Then you say, but dear Lord, we are not in Nova Earth. We are not in the Golden Times as yet.

Well, I could say two things to you: Why do you think that you are not? What is it about these times that you do not feel that you are already in your leadership position creating the Golden Age? And at the same time I will say: No, you are not quite there yet. You are in this time of transition. You are in this time of the great awakening. And is it not exciting and magnificent, and is it not at times frustrating,

above and below?

But during the time of transition, which is where I would like to focus our discussion this day, it is more crucial than ever that the leadership — personal, collective — step forward and be seen. Yes, we are talking about exposure. We are talking about vulnerability, but we are also talking about liberation, about not censoring your words, your actions, your dreams, your purpose, and what you are birthing and bringing forth in the name of the Mother, in the name of the galactics and intergalactics, Gaia, and all of humanity.

It is freeing, beloveds. It is freeing to not keep that bushel basket over your head any longer. You say, Lord, I do not know if I am ready because I still have a family, neighbors, colleagues that think that my belief systems are not in accordance with the mainstream.

And I say, yes, that is correct. But how does this mainstream shift? It shifts, beloved ones, through your beliefs, through your actions, through what you are bringing forth. (3)

Steve Beckow: I think where I would first like to begin, Lord, is to get clear on what the source of our authority is. If we're going to step out and lead, usually we lead on the basis of representing something or doing it on behalf of something. What is the nature and the source of our authority for our leadership? I almost know what you are going to say, but I would like to get it on the record.

Archangel Michael: Of course you know what I am going to say, dear heart. You do it on the authority of the Divine Mother. You do it on my authority. You do it on the authority of the Company of Heaven, the Council of Love, your star family, your intergalactic brothers and sisters. But most of all, you do it on the authority of humanity. You do it on the authority of your sacred self.

Authority, in the truest meaning of the word [being the "author" of an action], is the assumption of a role and responsibility to fulfill a mission, an undertaking, whether it is of a long nature of several million years, or of a brief nature of an assignment.

But you have come from a paradigm — a very strong paradigm — of control. You have come from a system where people have said and believed: Do you have the authority to do that?

Always in a challenging and somewhat negative manner: By whose authority do you act?

And for a variety of reasons, all related to liberation, freedom, and self-worth, there has been a hesitancy for human beings, individuals, to step forward and say: On my authority, on my supreme authority as a servant of the Mother that lives within, as a servant of humanity for whom I speak.

And then they will say: By whose authority do you have the right to speak for the collective?

That is where unity consciousness comes to the forefront. That is where the truth speaking — which has been very absent — where the truth speaking of what humanity truly wants, desires, yearns for, and diligently, consistently works to create, comes to the forefront.

When you speak for humanity, what do they want? Well, you know the first thing I would say is peace. Because, unless there is peace upon the planet, the love does not have a chance to flourish in the garden. But you begin to speak with authority and responsibility - because you cannot divorce these two - it is like hope and trust, you cannot divorce them. You cannot separate them.

And you have the authority, the God-given source - whatever you choose to call the One - you have the authority to speak the truth, not some concoction of what you think, or hope humanity wants, but the truth of what you know humanity wants in a collective way. Because you all want the same thing, regardless of cultures, of politics, of religions, of institutions, of backgrounds, of socio-economics. ...

When you prod the hearts of humanity, what they want is the fulfillment of their potential and that is to be Love.

That is why there are so many mythologies, imageries, stories of what heaven is. Everyone is looking for a heaven — whether it is a place that is paved with golden streets or a place of oblivion, of sheer energy and sheer love; whether it is a place where you are reunited with those you cherish and those that you have never known, your guardian angels in form — everyone wants the same thing.

They project it to a future state not upon planet because they fear, and haven't accepted, the leadership role that they can create that heaven on Earth right now.

That is the meaning of Nova Earth: It is a physical reality where ascended beings of all stripes, colors, beliefs, preferences come together to create wondrous things, whether it is an institution or a structure or a building or a family. ...

Now, what do we need in terms of co-creating with you, our beloved partners? What do we need in terms of going forth? We need each of you to declare yourselves, not in abrasive, aggressive, egoic ways. That would simply be re-anchoring the old third, and that is the last thing, above or below, that is desired.

But we need you to begin to create what you know, each and every day, in that day, in that framework, in the week, in the month, in the years ahead, what are you capable of bringing forth? What is it in your mastery that you have brought to Earth and perhaps have been ignoring out of fear or trepidation? What talent is it that you have that truly contributes? Because that is what leadership is, it is your contribution of stepping forth.

So, on whose authority do you assume this leadership role? My beloved friends, on your sovereign right as Gaians upon the planet charged with the responsibility and the joy of creating Nova Earth. (4)

Archangel Michael: The Source of Power and Authority

Archangel Michael: The Source of Power and Authority

March 9, 2017

<http://goldenageofgaia.com/2016/12/14/archangel-michael-explains-plan-unfolds-midst-creative-chaos/>

Linda Dillon: Channel for the Council of Love

Steve Beckow: Host, InLight Radio

Archangel Michael: Greetings! I am Michael.

Steve Beckow: Greetings, Lord.

AAM: And welcome to each and every one of you. I welcome you as Archangel of peace, warrior of love, bringer of news and whatever titles you wish to bestow upon me, I gladly accept. But, please also bestow on me the title of friend, of ally,

of brother, as we go forth, yes, dear Steve, dear Linda, as you have said, in fulfillment of the Mother's plan.

Now we all know that the Mother's plan is infinite and eternal. And even as Archangel, and even if I stretch my wings and my arms to the breadth of this universe, I would not touch the edges of Her plan, of the infinite Divine plan. So when we say, and when we speak heart to heart, mind to mind, friend to friend about the fulfillment of the plan, of course we are speaking of this phase and this element and the beauty, the phenomenal beauty of the bringing forth to fruition this element, this segment of our Mother's plan.

And, yes, in order to manage and promote workability, of course we talk of the fulfillment of the Mother's plan for this planet, for this beautiful Archangel Gaia, and the fulfillment of the ascension of the human collective, and of course, everything else - all the kingdoms, anything you can conceive of because, of course, it is integrated - it is of a piece. And you bring forth the ascension of a planet. But even that part of the plan has such implications, yes, what you would think of as the domino effect, for so many planets, so many galaxies, so many races throughout the Omniverse.

Now we come this day to talk about power. But even before we get there, I want each of you, my beloveds, to consider the wonder of this life, of this incarnation, of this time in the unfoldment of the Divine plan through that exercise that you have referred to as free will, partnered with your divine authority, that you are bringing forth in form, in substance, in materiality the plan of the Mother.

Think of it. You are translating a divine dream, a divine wish into form. On this beloved planet you have had an age, which although you don't recognize it, still goes on, but you've had an age of inventors. For those who would dream and conceptualize, such as Einstein, and then that would be brought into form. And, look now how so many of Einstein's theories are being proven to be true. Well, we knew that a long time ago.

Now, think of your life, your dreams, your ideas of what your heart desires and what you know is possible because you came with that knowing. It's being brought into form, materiality. And, whether it is simply a concept such as an institution or a society, the way it functions, it is still a form. And it is a form because there are human beings acting, behaving according to the principles of the institution or the society and the belief systems they're under.

The magnitude of this, and the magnitude of our honoring of each of you in this, is beyond substantial. So, know that.

Power. With that process, what I suggest and say to you is there is only one source of power. In the true sense, yes, like Yeshua speaks of true love, now let us speak of true power. Now what is the essence of power? What is the creative force, of source, of Mother, Father, One?

Well, if you have not heard us then you have not been listening. Because repeatedly and infinitely and eternally we will always say it is love. That is the generating essence of all power. And we will talk about divine authority in this context as well. How you experience power is through a unified, even a form of sacred union. Think of it even in terms of your electricity, your grids. You plug something into the wall, or you tune in to some electronic cell tower, etc., and you key into the power. You connect to the juice that will generate whatever device you are hoping to give you satisfaction.

So it is with genuine power. This word as we have spoken of before, has been greatly abused, misused and certainly misunderstood until it has degenerated, in your language and many languages in the collective consciousness of humans, to almost a negative connotation. So, we want to resurrect this term of power because each of you, my beloved friends, are being invited to fully assume your power.

Now, it is a different expression of that for each and every one of you. But the source of what you plug in and you join and conjoin with is the same. It is the infinite. It is the love. And that is the energy, the juice that allows you to proceed and to bring into form.

Now, upon this planet, and I am not just speaking about this time, although this is some wondrous examples, but power has been regrettably used. And this is where the connotation of power as a negative has come from. Not from the purity of the essence of Source, but from the abuse of power. And, when power is abused, it degenerates. Think of it that way. There is a degeneration into manipulation, force, control. And there is the exercise of false authority over other beings. There is the manipulation of energy and it does not matter whether it is in physicality, or emotionality or any form. It is coercion to make another align with your small self-will. I won't say free will. I will say self-will. So let us use that delineation as well.

Now, what happens when there is this abuse of power? One of the things, let us talk about the abuser, and yes we can talk about abuser from a Genghis Khan or a Hitler to a child who is manipulating simply because they want to get their own way. It is not the child that we are talking about, although we address variations on this. When there is a person, because it is primarily a human issue, that becomes an

abuser of power, so often your focus has been on those who were abused, and we will get to that.

But what happens to the abuser? There is a disconnect, a fundamental disconnect from their universal soul design and, of course, from source. This is how so many false grids and paradigms grew up upon your planet.

So, think of it again in terms of the plug. And, you know if you have a plug sort of half plugged-in or a wobbly connection, you may get a flash of electricity here and there. But the full connection is lost and eventually what ends up happening is the plug simply falls out of the wall.

So the abuser, in taking that coercive action, that decision – make no mistake about it because it is a decision, it is an act of self-will – there is a disconnect from the Divine and there is a disconnect from themselves, from their own natural self. So they are becoming simply a shadow and that shadow begins to gain substance and maybe what you think of as an aspect of the self. But it is never the totality of the being. And, of course, the more the individual lives or participates in that aspect, it gains energy.

But it is all, think of this, it is all discordant energy. It is energy that is not aligned either with truth or with the truth of their being. And this is very, very sad.

It is a departure from Source. Now there are some exceptions, but it is a departure from the reason why they chose to incarnate in the first place, which was to know the joy and experience of love in form.

Now, they may claim love, but it is the ego experience and it is the ego experience which is self-explanatory where the love is reflected upon one's self rather than truly in a conjoining in a sacred partnership with another, whether it is a partner or a family or a community.

The more that disconnect, and the longer, the stronger that disconnect is in place, the more aberrant the behaviors become, the more unhappy, to put it mildly, the individual becomes even if they claim happiness or joy. Joy is off the table. So you are dealing with an individual who has assumed power through coercion, force, control, who is in a completely dysfunctional, discordant relationship not only with themselves, but with whomever they associate with, whether is partner, family, community, nation or world.

Then there are those who are subtly or actually, directly or indirectly in receipt – let us put it that way – of the abuse of control. And again, you have the range from the parent being held hostage in the supermarket to something as abhorrent as a Hitler.

Abuse of power requires agreement and acquiescence. When there is an abuse of power, again either subtly or actually, what happens particularly in the direct line of fire, the individual who is being manipulated, abused, coerced is subtly or actually agreeing or acquiescent, and they are simply different points on the same spectrum to being controlled, either because it doesn't seem to matter to them at the moment or there is an agreement because of lack of self-worth and self-love that they will allow this.

Now, I can already hear you, Steve, saying to me, “Well, a victim of rape and violence is not agreeing.” Which is absolutely correct. Yes, I can read your mind.

And that is the battle for truth. That is the battle for freedom. But let us finish the thought, because the battle is where I want to go.

But the unconscious and sometimes conscious agreement with the abuser leads eventually, and sometimes rapidly, to the establishment of a paradigm of abuse of power that is accepted. And, then the recipient of that abuse of power, whether it is a spouse or a community or a nation, then is participating consciously or subconsciously in this false paradigm that is completely disconnected from the Source and truth, from the love energy.

Now, what is happening with humanity? And, you say, “Well, dear Lord, it looks like we're all going down the tubes rapidly.” And, of course, those of you who are feeling that are simply dismayed at what you are witnessing, at the exposure of the abuse of power, to which we are thrilled.

Because what is truly happening is there are billions of you and not all of those billions wear the hat of being called light worker or love holder, but there are billions who are not only acknowledging and witnessing and seeing and exposing the abuse of power, but very actively choosing with the free will – not the self-will – that they do not want to be, they do not choose to be within that facade, that illusion of those who are trying to create or recreate an old third.

Now, if we had had this conversation to its fullest several years ago, you would not have fully understood. And I do not mean this in a derogatory way. You would not have fully understood what I was talking about. And you would not have fully understood or agreed with me. Nevertheless it was there and it was truth. But you

were in a more hopeful forward thrust mode and that was necessary to get you to this point.

Now, what is power? And let us go back to the agreement and the acquiescence because power is unification, it is conjoining, it is community, it is alignment. And it is alignment of free will with Divine will. It does not eradicate, limit or even require that you give up your decision-making power; quite the contrary. In previous conversations, we have talked about power, the assumption of the mantle of power in human form in creating Nova Earth as the assumption of stewardship, of guardianship. And that still stands. Make no mistake about that.

But, what does human power mean? Yes, of course, it means balance. But it also means, my beloved friends, that you are fully, fully plugged in, that you are fully connected. You say, “Well, Lord, I am trying. But I am waiting for Ascension. Maybe once I go through that final portal, then I’ll feel fully plugged in.”

No. That is not good enough. You have the capacity, you have the wherewithal, you have absolutely what it takes to fully align with your power, your universal self, the totality of your full design, your abilities, in divine perfection of your divine authority, with the divine authority, with the love right now.

No more delays.

In the using of power, because power when you think of it, think of how it is geared in terms of your electrical grids, etc. It is something to be utilized. It is an energy to be utilized. It is part of what you think of as your co-creative efforts. And in that there always, yes always, will be elements of agreement and acquiescence. And that is fine.

If you are a master chef and your passion, your inspiration, your power lies in creating delightful, nutritious, regenerative, restorative meals, then in your family, you may become the kitchen power. And, that is your forte’ and you will enjoy when you are doing that and others support you in doing that.

Now, some of your family may acquiesce because they have absolutely no interest in going anywhere near the kitchen. So to them it is a non-issue and you will hear them say, “Go for it, and I am so happy you are.” And that level of acquiescence is perfect. Divinely perfect.

Then there are those in your family who will be in agreement: “Well yes, I am not particularly fond, it is not my forte’ or my first passion to be the cook or the chef,

so you go ahead and be the chef because that is who you are.” And, then there is an attachment to that. Stop!

Now and then I would like to participate or even be in charge of the kitchen or a meal. And that is the cooperation because, of course, as the chef, you are saying, “This is my passion, but that does not mean I always want to be tethered to the kitchen, because I may wish to go to an art class. I may wish to join Michael and paint the sky.” So there is that level, and I am using the simplest example, of cooperation.

So, there are those that “go ahead and do what you want because that is not in my purview of interest” and then there are those who want to be on the periphery. And, then there will be those who say, “Well, I want to participate more fully because I want to learn how to cook. I am not sure if that’s my passion, but I would like to participate.” And so it is in power.

So, dearest Steve, for example, you are a writer, you are a communicator, this is the essence of who you are. This is the essence of what I would term your power, your passion, your contribution, your talent, and the choices that you are making with your free will.

Now, I am not asking you to go and be a landscaper, because that is not your passion. Now, there are others, and others that are listening right now, whose passion is to go and get their hands in the dirt and talk to the trees and dance with the elementals. And that is fine. What is key in this is the true connection to power. It is that alignment and it is the exercise of free will choice, not in authoritarian, coercive ways, but in absolute cooperation of the highest realm of love, of loving actions, of loving energies. Because the love is the energy that is going to help you create, whether it is a cake or a garden or a nation, that is what is going to create what works for everyone.

If the love, the cooperation, unity, consideration, empathy, compassion is not present, then it is not of love and it certainly is not of power. Because it is not of the Mother, it is simply of human design. And, as history has shown you again and again, that human design has been extremely faulty.

Now, with that food for thought, where do you wish to begin?

SB: Thank you, Lord. You’ve made a lot of points, but you’re not just talking about Hitler and Genghis Khan, you’re also talking about me. It’s just a question of how far you want to take things, right? The same attempts to force my will on others

through my words or energy or attitudes, it's the same, right? It's just on a very much smaller scale.

AAM: That is correct. And I am glad you have brought me to my next point.

SB: Okay. (Laughter) Now that's Divine co-creative partnership!

AAM: That is correct! Now, in the gentlest way I say this, there is not a one of you that has not, at some juncture, practiced an abuse of power. And, that is a good thing insofar as you know exactly – be honest with yourselves – you know exactly what it looks and feels and tastes like. And you have been the recipient of, can we call it, these minor abuses of power.

So there is subtle manipulation that goes on in human interaction. And, it is part of what you would think of as egoic behavior rather than heart-conscious behavior. And what we've witnessed beloveds is that there is less and less of this because you are becoming more conscious, not only are you becoming more conscious of when you are doing this, you are becoming more uncomfortable with when you are doing this because you know what you are doing.

Now, sometimes you just say, "But, I really want my own way." Not trusting, but if you were to express that in positive ways, in ways that admit you're human, that you would get your own way anyway. So, there is still this level in many hearts, well, in many egos that are still at that level of the manipulative child.

Do I come this day to blame or shame or bring guilt to you? No. That is not of love. But I do bring your attention to it because when you behave that way, what you are doing, sweet angels, is pulling that plug. You are pulling that plug, not completely, but making it wobbly, from your own universal soul design and from the source. So, think of it. You are disconnecting, yes, from Mother/Father One. But you are also disconnecting from your beloved self. And the difficulty of this is when you are in that system, it means you cannot think of this. It is not possible to have a full heart connection with another being, not with a human being, not with your guides, not with your Archangel. Oh, we will talk to you. Make no doubt about it. But you won't feel the full impact of our love. And that is sad.

Even in the animal kingdom – and let us even make it more specific with a dog, and you all know that dogs are among the most faithful, loyal, and they are used to being adherent. And even with dogs, when you are in that disconnect, you cannot fully connect, and that is pathetic, because that, in a conscious being, in a conscious light worker, love holder is pathetic. Because you know better. You have already been. And when I say you, I mean the light worker collective, the love

holder collective, the billions that I have talked about that don't even know those terms are flying back and forth through that ascension portal. You are on this side because what you are doing is waiting for the collective, but you are also already creating Nova Earth and Nova being.

So what you are doing is you are fine tuning some of your behaviors. You are bringing to the conscious forefront of both your mind and your heart that you choose not to reinforce a paradigm of abuse of power. Because when you do those scenic detours, those various little exercises in manipulation, what you are also doing is you are paying homage, you are agreeing with that abuse of power paradigm and that is not the truth of your heart of who you are. So more and more you are saying, 'No.'

Now, I want to be clear. There is a difference and I want this to be known very much, between acting in a manipulative way and writing or channeling or speaking or having a cup of coffee and conversation that is from your heart. This is why we have taken the trouble and your star family has been teaching you about the various forms of language.

Now you are not trying, in writing, to manipulate. It is not errant behavior to state your case. When you write, when you speak, when you behave from the framework, the truth of your genuine understanding, when you have done your work, dear hearts, of digging and removing the debris, which you are doing marvelously, when you speak from that place, then what you are doing is not trying to manipulate. You are not trying to coerce others into your point of view. You are leaving that doorway wide open because you are speaking with Saedor for a lively conversation. You are saying, "This is what I think. This is how I feel. This is what I believe." And then you are saying, "But you may have something to add to this understanding. You may have something to build and to expand this, not just for me but for all of us."

So, it is an open conversation. In the abuse of power it is a closed conversation. It is, "this is the way it is. This is how you are to behave. This is what you have need to adhere to and I don't want any back talk." That is not of love. But, in a loving conversation, what is happening is that door is open. So where the conversation is closed – and there are far too many people in various nations who are afraid, yes, and I do not mean afraid in terms of wilderness issues, I mean afraid for their lives, afraid for their freedom to express that.

The But, what you are doing, and this is one of the reasons why I am asking to talk about this this day, when you are throwing that door open and you are saying,

“This is the conversation, this is what I believe, this is what I feel. What do you have to add?” And we have seen some very interesting additions. Not all is truth. That does not matter because that will be culled out like a weed in a garden and it will be done gently and kindly and with a great deal of humor.

But, what you do when you open that conversation, when you are laying down that new grid of power, authority, of stewardship, is you are saying, “Come over here because we are wide open to building together. That this is collegial, this is cooperative. We are unified and we have a goal, and our goal is bringing into form the love that the Mother shows us, shares with us, that is in our very DNA.” We have talked about diverging pathways and that you are forging a new pathway and you are saying to the collective, “Look come over here.” Well, this new framework of power is part of that. Do you understand what I say?

SB: Well, I do. But, I have to admit that I am still having trouble thinking of situations like being the head of a company, say, and having a mission, having a vision and getting the manifestation of that vision to happen, and having, not chains of command exactly, but reporting relationships, let’s use that business phrase. How to do it without lapsing into giving commands or abuse of power? I still don’t understand how that will work after the abundance starts to flow and light workers are disbursing funds. I still don’t know how it’s going to work, this balance between command or getting something done or asking people to do things and free will.

AAM: It is leadership.

SB: Could you talk a bit about that?

AAM: I would be pleased to. Now you heard me, and I am but one Archangel in a legion of servants to the Mother. So we know what it is to have a boss. And nothing that I would do would ever be contrary to the Mother’s dream. Because that is all I desire. That is all I align to.

And I have legions, my legion of blue as you well know, my friend. Think of it in this way. All true leaders, all true stewards formulate a team. That concept, that structure was not formulated on abuse of power. Was it hijacked and manipulated and bastardized? Yes. But think of it in this way. As the head of the corporation, you must have a team. No individual is responsible for the creation or co-creation of Nova Earth. How many times do we have to say to you that we are not a hierarchy; we work cooperatively.

Now, does that mean that no one takes the lead? Of course not. The person who is best suited for that role takes the lead in that spectrum. There needs to be structure; otherwise all you have is chaos. And, you've seen enough of that. And, I'm not even talking about sixth-dimensional chaos. You will just simply have mayhem.

So you don't take someone who is absolutely not only having managerial qualities, but is brilliant in it, and put them in charge of personnel. The IT person knows nothing about providing insurance and health care. So you bring forward a team and that team has to be cohesive and in alignment with what you have termed your mission and purpose. The structure, the belief system of why the company, the institution, the project exists. If they are not, then that is not a good fit.

Now, will there be a discussion? When there is a CEO today, let us use today, and that CEO goes on vacation or on hiatus on a well-earned rest for months, what happens? That person who wants to try out cooking in the kitchen gets to try it on and to expand it and to learn and to grow and to be supported by the team, because in the moment, that is the best person to be in that position. And, eventually that person may realize they love doing that. So they may go off and start their own corporation. And that is alright because what they are doing is they are carrying the values, the vision, the mission into another realm and another realm and another realm.

You have an abhorrence, dear Steve, of being seen as controlling.

SB: Even while I do try to control.

AAM: That is correct. So you see the conflict there. It is not so much controlling as actively seeking cooperation. The fear of control and the desire to control comes from the subtle fear that people do not want to go forward in the direction, the same direction, or in the same realm that you do. And, what we are suggesting to you in this new paradigm is that they do.

So there is old fear that there is an abuser knocking at the door and you better be vigilant and control the situation so they don't get access is not true. So you are letting that go and what you are doing is you are seeking out new ways, heart ways of being in friendship, of being in business, of being in projects, of being in family, because that old paradigm is gone.

Now, you are seeing some rigorous attempts at resurrection, but you are not participating in that. And, I strongly encourage you, control and the need to control is simply based on the fear that you will be overridden and abused yourself. And this comes from either past lives or being controlled as a child. Let it go.

SB: Well, I confess that I have the fear that I will have a vision, one that my colleagues won't want, say, and that it'll start to wobble and people won't subscribe to it and I'll be pulling out my hair. So, that's the kind of scenario I'm wrestling with in my worried mind.

AAM: So let us go back into the vision. Why would those beings, who wish to share in that construction and the bringing into material a vision that appeals to them, try to undermine that vision? Well, the truth would be that they would come with their, how you would phrase it, with their own agendas, or their issues of lack of self-sufficiency or self-worth, self-love. And, therefore, there would be what we would call those scenic detours.

Now, this is one of the reasons we have said to all of you, don't rush, please. Breathe. But also in the culture of a project, a company, an institution, a society, you have this wide-open door. Now let us also say, the wide-open door doesn't mean permission to act out. But, what it does mean is that there is permission when somebody starts – and that will happen – to act out or go into old discordant, aberrant behavior, that the culture is such that you bring that person back into the fold or they are given the opportunity to depart and find their own way somewhere where it does fit. Because nobody wishes individuals to be creative in areas that don't fit them, don't fit their desires and mission and purpose.

But do not think that you do not have and that we do not have the power to bring you the right people. But you do not have in your own divine authority, the ability to call forth, to create and bring to you those people who are a perfect fit. So that there isn't an adjustment period, a honeymoon period, a cleaning house period, because that is not...yes there are going to be adjustments, but the whole purpose of building a team – and a team can be your inner circle of six or seven and it can also be an outer circle of thousands – it is still a team.

From the person who wants to sweep the floor at night to the CEO, you are a team. And, each team [member?] has equal value. But it is appropriate the CEO does not tell the maintenance how to sweep. And the person who is sweeping does not tell the CEO how to implement the vision. It is all simple. Everybody has a place and every place is critical.

SB: Wow! I certainly do notice my own tendency to project the past into the future. All the failed attempts at getting some pretty exciting things off the ground and all the war wounds.

AAM: Well, might I say that this is something we can relate to?

SB: (Laughter) Well, I suppose. In fact, I'm sure. We just have a few minutes left, Lord. This is such a substantial conversation, I hate to end it. Please continue to a point where you feel we can leave the conversation to another time.

AAM: I want to pick up, my beloved friend, on what you have said, "the wounds of war and past experience," and I have made a joke because we know what it is to have things go awry. Let us put it that way. What I would encourage you to do, rather than drawing on the past - and, yes, at the very end of the hour I am introducing a new concept - rather than drawing on the past, draw on the future.

You are in the Mother's new time, in an infinite ocean, a fluidity of time. Swim to the future. Locate your ideal of what the current reality in form would look like. Pick it up and bring that into your very heart, your mind, your being, your selves. And, let it stay. And let that be your reference point because you are not recreating the old, you are bringing forth the new. So go to the new, bring it into the now, and proceed from that point.

SB: That's very helpful. Thank you for that.

AAM: You are so welcome, my friend. My brother, I speak to all of you all over this beautiful planet. Take the mantle of power. Assume your divine authority and set forth not in timidity, but in a declaration of who you are and your freedom. Go in peace. Farewell.

Archangel Michael on Heart-Centered Leadership

Aug. 11, 2015

<http://goldenageofgaia.com/2015/08/11/archangel-michael-on-heart-centered-leadership/>

As I go through past readings, preparing them for incorporation in a comprehensive document I maintain, I came across this discussion of leadership on July 21, 2015, which I reproduce here for its usefulness.

Archangel Michael's opening remarks are also noteworthy and seem to be intended for public consumption. The discussion of leadership follows them.

Steve Beckow: Greetings, Lord

Archangel Michael: Welcome to you, my beloved brother of blue. Welcome to this time of extraordinary change - yes, of breakthrough, breakdown, reconstruction, and reconstitution. This is the constant.

But never has it been so apparent as the humans go forth in folly, in victory, in war and peace. The key is that they are embracing the change and that they do go forward - sometimes yes, under misstep, and sometimes in courageous valour.

Might I even say, beloved one, that at this time, being upon the planet and being involved in the work of spreading light and love is courageous valor. Even in silence, the continuity, the constancy and the certainty is an act of valor. It is an act of trust. It is an act of hope. It is an act of love.

Know that, when I say that I speak of “act,” I speak of action. I speak of forward thrust and this is what is required. No, not to be loved. It is required in terms of the individual’s plans within the Mother’s plan. There is a time for stillness and all action emanates, when it is of truth and balance, from that place of stillness, of balance.

It is not a flurry of activity, of expression, of creativity for its own sake. It has need to be clear, directed, thoughtful, considerate, kind, gentle, strong. But it has need to be action. The time for light workers, love holders, for all of Gaia, stepping forth, is now.

Steve: Leadership. I know so very little about it and I haven’t time to study the subject. What do I need to know to do a better job than I’m doing?

Archangel Michael: That you are the shepherd and you are the pathfinder. Now you say to me, “Dearest Lord, how am I supposed to be at the head of the flock and at the bottom of the flock at the same time?” It is called bi-location. [Laughs]

There are times that it is a balancing act. There are times when you must show the way through the mountain pass. You must show the way to where the water is, where people will be nourished and refreshed and reconstituted.

And then there are times when you must stand back. You may nudge from behind but you are allowing and respecting those within your group, your circle, humanity to find their way.

It is not that you withdraw support and it is not that you stop dropping clues, but you allow them, your term would be, creative chaos.

Chaos for its own sake, for its own value is ridiculous. There is no reward. There

is no creation. But there is time for creative chaos when out of what appears to be mayhem comes new and deeper understanding, new ideation and a new sense of empowerment.

Leadership is a tenuous role and it is particularly tenuous in terms of the understanding, in the new paradigm, of heart-centred awareness, of heart-centred love.

You are never attempting to control but you are very clear about what is acceptable, what are the principles of daily life, of operation. If it is not of clarity, if it is not of sweetness and of love, then there is no place for it.

So the leader/leadership is the role-modelling of love, of consideration, but of clarity. There is too much indecision, waiting, inaction.

You know this in your work, beloved. When you write and when you take positions, you point the way. You do not nay-say anyone else. You create the room for a broader discussion, whether it is corrupt or incorrupt or somewhere in the middle.

That is leadership. It is not telling people what to do. It is role-modelling.

Steve: I can do it in my writing. I have no problem with that. It is in person where the difficulties arise, especially when I get impatient and just want something to happen.

AAM: You and I both, dear heart! When you feel impatient, when you feel like you want to scream and perhaps even wring somebody's neck, take a giant step backwards. These are the days I encourage you to take time for your beloved self. Take a giant step backwards and simply watch the show.

Steve: What steps would you advise I take to see that communication happens on the teams.

AAM: Allow them to express themselves in a neutral way.

We are not simply speaking of Perro. We are talking about neutrality. So you can express how you feel and this is them finding their voice so that they do not need to feel that they are withholding. But let them express themselves without feeling

that there will be a reaction, so that they learn to express themselves.

But it is not, and let me be very clear about this, it is not withholding. It is not you withholding either. So for example, if somebody is saying something that to you is incorrect, outrageous or is, shall we say, sparking you, it is not responding in that momentary fluster.

But it is expressing, perhaps not even at the same time, but expressing that this is how I feel about what you said. It is expressing it in a way that is encouraging and giving everybody the latitude to express, where no one is considered right or wrong, other than the information.

But information, and I use that in the broadest sense of the word, cannot be withheld. If it is, then you are not operating as a team. It is that simple.

Archangel Michael on Mastery and Leadership

April 25, 2015

<https://goldenageofgaia.com/2015/04/25/transcript-archangel-michael-on-mastery-and-leadership-april-16-2015/>

From An Hour with an Angel

Edited for brevity

Steve Beckow: Leadership. You talked with me in a personal reading quite a lot about leadership. There are so many questions, though, that we have about that.

And the first question I have is that lightworkers have been, many of us, subjected to ridicule and many are still hiding in the closet hoping we're not noticed. And now you come through and say, "Far from that, you are going to be leading."

Well, it raises fears in me of coming to the attention of the public, so to speak. What do you have to say to us about making this transition, having been shunned, ridiculed and staying in the closet, and now being asked to come out and actually lead?

Archangel Michael: It is time to come out of the cave. It is time to stop hiding your light under a bushel basket. It is time for many – all of you – to step forward and assume [leadership] in the fullness of joy. So not only are you being asked to step

forward, to let go of the fear, the angst, the anger, the concern, but we are asking you to step forward [laughing] in outrageous joy! So this is quite a request is it not?

SB: It is definitely quite a request. [laughing]

AM: Now, would we make such a request, such a suggestion because that is what guidance is...but I tell you, this request comes directly from the Divine Mother. Now let me go back and then we will continue. Do you remember what we have said – that when the Mother has a desire, it is an intention that stretches out from her essence and being into infinity and everything and everybody lines up – because that is the Love.

So you have been lined up, but hiding in the shadows. And you have been hiding in the shadows because of this, not only actual ridicule, but being dismissed, not being seen as fully present or intelligent, or anchored, or part of the collective thinking.

There have been a myriad of reasons why you have been in the shadows, not the least of which has been protection. Now, what we are asking and suggesting is that you step forward into leadership roles, yes, to lead the parade. If you do not step forth in the fullness of your creator-race self, as the mighty beings that you are, there is a massive vacuum.

Let me explain. I have said unto thee, that the old third is but a whisper, an echo, that to try and physically ground in an energy that has no substance, no substantiality – one cannot anchor there any longer.

But let us suggest that you are not about to ‘become.’ You already are, and always have been, but now the acknowledgment and the embrace of your interdimensionality as creators and co-creators of New Earth comes to the fore, comes forth in a way of magnificence that has never been known, never.

In this, the old of who does what – let us be practical, because I can be exceptionally practical. You are the embodiment and the physical anchors, activators, doers of creating Nova Earth. You are the anchors of ascension, of the new reality, of the heart consciousness that is the new reality.

If no one steps forward into the ‘how to’, into ‘how do we go about this?’ How do we begin, how do we proceed, how do we build, how do we create in the practical sense? Then there is a massive vacuum because many of the billions upon your planet have not yet learned, adapted and integrated the new tools – the fullness of this new energy.

So they are assigned...or try to step up to create and to take the leadership role. They do not have the training and insight to do this in a way that is achievable. It is not a critique or a criticism or a judgment in any way of the collective, but if they are not fully engaged and enjoying the energy of wholeness, then they are not bringing the engineering of that wholeness to the project of creating Nova Earth. So there is a lack, a vacuum of leadership.

Now, who upon this wondrous planet, who has been hiding in the shadows or edging out, or in the limelight and is ready? Who has prepared? Who has been diligent and practiced patience and fortitude and stamina, and anchored the divine qualities? Who is it that is prepared to do this? Well it is the lightworkers.

Now there is a reticence on two levels. There is the practicality of, “My family thinks I am absolutely crazy,” “I do not want to risk my job, my friendships, my position in my community by speaking out.” And there is also the fear of success. There is the fear of the old paradigm of leadership, which was control and greed and lust and authority, meaning abuse of power.

And so the concern is we do not wish to duplicate the Illuminati. My friends, there is not a chance above or below that you are going to duplicate. That is what you have striven to eliminate.

What you are being asked to do is to step forth in the truth of your gifts, your abilities...some in a minor way, some in a major way, but each in accordance with your true mission and purpose on Gaia – not on other planets...in tandem and cooperation with your Star brothers and sisters, but not off planet...to bring forth this wondrous new.

It has not been done in form, anchored in a physical reality, a physical reality that is absolutely interdimensional. That is the task at hand. We know the magnitude of what we are asking, but we also know the support that we are prepared to give on every level.

SB: Boy. If I could step in here for a moment, Lord. What you said is totally fascinating to me because I've been going through some of those stages that you are talking about. For instance just last night I wrote an article that looked into what mastery was, and you said earlier that people need to inquire into these areas that they don't necessarily have expertise or a good means...that they don't necessarily know the whole of the path.

So I began to inquire into mastery and I trashed the article because I thought I was getting too far ahead of the discussion. But you're saying we need to step onto these new paths or at least make a trial formulation and get the discussion going. Is that what you are saying?

AM: That is what we are requesting. And you should not have trashed that article.

SB: [laughing] Oh, well I can resurrect it.

AM: Yes. We know you can, and if you cannot we most certainly can.

SB: [Laughing} Very good.

AM: You see there is also a shying away. And we have been saying this, that you came in your mastery – and I am addressing all of you. You came in your mastery to this incarnation. And most of you shake your head and shy away. Now we used to, and I am talking about, oh a decade ago.

We used to tease you and say you were masters in the making. We called you the M&M's and we teased you and began, back then, planting the seed so that you would begin to get used to this whole idea of mastery. And then you shy away and you say, "Well I am not St. Germaine. I am most certainly not Jesus Sananda. I am not St. Francis. I am not Serapis Bey or Sanat Kumara." And your humility, which is charming and a sacred virtue, is beautiful. But in that humility, do not fall into false humility where you deny the truth of who you really are.

It is time my beloved friends, to delve deeper. Yes, you have heard about your soul mission, your ray, your colors – all of this. But you have need also as a starting point in this discussion of mastery, to unequivocally without any fear, to look in delight, at who you really are and not deny – you have been given many labels,

many assignments, some are Earth keepers, you my beloved brother are a communicator...you are a warrior.

There are many in my legion of blue who are peaceful warriors, each acting in a different way; some are communicators, some travel with me in the dark of the night to the most horrendously dark places, some of you work on the home front literally and theoretically, some of you are transforming the ideas of wars between kingdoms.

Each of you has a unique piece of this puzzle, of this unfoldment of the Mother's intention. And you carry, yes, the broad spectrum of talents, but also the very particular talents that you have mastery of. Stop hiding.

We need, yes need, our partners front and center. So often you have said to us, "Where is the Company of Heaven? How are they assisting us?" We are right here with you in this unfoldment, every step of the way in love. Nothing else. Yes, the side effects, the elements of love, peace, joy, passion and compassion and patience and stamina – all of these are part and particle, subatomic fibers of love of the essence of Mother.

We are right next to you. So our question is, our request is, will you step forward in the truth with us? The Mother has deigned and designated a new group, very recently as 'guardians of the truth', and this is a pivotal role in the unfoldment of Nova Earth: that there can be no falsehood. That my blue truth, Gabrielle's golden truth, Maitreya's magenta truth – all of it shines brightly.

So what does it mean to step forward in the leadership? It means courageously, with exceptional valor, not only holding the truth of who you are and standing back, but beginning – yes, with discernment, but perhaps more vociferously than you ever have – declaring what you know to be true.

SB: Yeah, if this is my opportunity to jump in, Lord. First of all, let me speak for lightworkers in saying that we gladly step forward to serve in any way you require. We'd like to know from you what roles you require? And that will come, I'm not saying right here and now. But can you tell us what mastery is?

AM: You will be surprised at the simplicity of my answer. Mastery is the acceptance, surrender, and embodiment in form of you – as design, as love.

SB: Is that by a process of emergence, breakthrough? How does that happen?

AM: It is through the process of surrender. It is the process of elimination. It is the process of illumination into emergence. And that is where you are, most of you, right now. That is why we are saying if you are not there, do the elimination and come into emergence. We are here to help.

And through the emergence: then you have become what you have thought of as the ascended being, the mastery of your being, of who you are in that mastery, in that emergence into the truth – because there is only one truth. There's not this truth or that truth. There's not this love or that love.

When you emerge and stay in that frequency, in that energy, then what happens is the whole tableau: the whole realm of understanding of what you think of as enlightenment or vision or wisdom opens up so that you are not seeking elsewhere. That does not mean that the honoring of unique qualities, of the contributions that every single being has given to this become of no meaning; in fact they gain greater meaning because you truly begin to see in your mastery the fullness and the mastery of all.

SB: Can I tell you one difficulty I have in this, thinking about this whole topic, Lord?

AM: Yes.

SB: Well supposing we have thousands and thousands of masters and leaders. Who is there rowing the boat?

AM: The master oarsman is rowing the boat.

SB: [laughing] Okay. So masters on the oars, masters at the helm.

AM: Master cooks, master chefs, master caretakers, master nurturers. We are not saying, you have the expression, "All chiefs and no Indians." That is not what we are saying. There are many, in fact the majority who have chosen to come in a service...and I mean in this sense, a practical service role. And then there are those that have chosen to be in leadership, in what you think of as a leadership role.

But part of mastery is knowing who you are and what you excel at and what makes your heart absolutely burst and sing with joy. And for some it is being in that role as oarsman, as the support, because that is what they want to do. That is the role they chose to serve the Mother. Now, that doesn't mean that in future times they will not choose to be a leader in a future ascension. It just means that they have chosen, in this incarnation, that their mastery will be in a certain role. But to deny the role, to deny what truly is your truth, it is dismissing yourself.

There are many lightworkers who say, "I do not want to be in the limelight. I do not want to be front and center. That is not what I have chosen. It is not what I desire and it most certainly is not what my heart would be singing about."

But let us use your example of oarsmen. If the leader is not keeping the tempo for those oars to go, it is not then incumbent upon only the leader to keep the rhythm of the oarsman. If you are an oarsman and you are in your mastery, and the rhythm is off and the flow therefore is not occurring, then as master oarsman do you not raise your hand and bring this to the attention of what is considered the leader? Of course you do. And that is the importance of everyone being in the place of their selection...of their choice.

It is not a matter of trying to fit everyone in a slot and saying, "Stay there," because in the leadership paradigm that we are talking about, in the mastery paradigm, people ebb and flow. It is not a fixed, stratified structure because the mastery of one may be needed this week and the mastery of another needed next year. And there has need to be in the collective, in the unified field, the willingness to adjust to that ebb and flow. That is what the new community looks like.

I know that you turn to me so often, but think of it on our side; I do not do everything, of course not! Each of us has our primary role, but there are many other things that each of us attends to on behalf of the Mother and in service to the Mother, and we never hesitate to bring forth the help of others as we need it and require it because we know of our strengths and weaknesses. Only Gabrielle would never admit to a weakness.

SB: If we were in the fifth dimension, all of this would be totally known and totally natural. We would be operating in this way just continually. But I think we are probably in the fourth dimension now if I'm correct, and there are still traces of

ego. There are still creations to be made, vasanas to be removed. Is there a transitional teaching that we can have that could get us to this period...developing and allowing this mastery to emerge?

AM: Yes. Stop thinking you are less than. Now I know that sounds like a very simple teaching, and yes it relates to core issues.

Now let us back up a little. Gaia is anchored in the seventh. So you have this saying, "Fake it 'til you make it." Put your feet in the seventh dimension of Christ consciousness and love. You are most certainly in the fourth, edging in the fifth. That is why so many of you are experiencing such rapid, and in many cases tumultuous issues of change including: the memory issues, the mental foginess issues, some of the rapid 'change in body' issues.

Stop pretending. Stop pretending because it is not even real. It is an antiquated, outmoded belief system that you are in any way, shape or form, stuck anywhere or 'less than.'

Now the transitional healing that is going on right now, this is the Mother's plan to sweep through you. Yes again, stronger than ever...and lift you up into the higher dimension. So your transitional work every time something is coming up: is letting it go, surrendering it, relinquishing it and embracing that truth of who you are.

The choice is, "Do I want to be miserable? Do I want to be less-than? Do I want to be restricted mentally, emotionally, financially, situationally, environmentally? Do I want my freedom incubated?" And all of you are crying and screaming and declaring, "No we demand our freedom."

And part of that declaration...your declaration not only the Mother's...is that you are willing to step out of the shadows, not in an ego way, not in a way, "I know the truth. I am the light. I am the savior." You have had enough of saviors upon your planet to last many, many billions of years.

Mastery, leadership is not about becoming an egomaniac. It is about becoming the shepherd. It is about becoming the gentle leader who serves his people – her people – and shows them the way. And if it is the way to the table, if it is the way to the boat, if it is the way to their heart, then this is your way, this is the choice of your divinity and your mastery.

So the lesson, the true technique is to love yourself. When you anchor in your heart, when you anchor in the seat of your soul filled with the energy of the Mother, can you say and bring forth into your being, into your consciousness, into your everyday action, “I love myself. I honor myself. I am alright. And if I misstep, if I take that misstep for a day or a week, do I forgive myself?”

Do I understand that I am learning something that will help the collective, that will build my compassion, that will show me, so that I can show others where not to go? Am I brave enough to share my missteps? Do I care enough about others to share my insights...not from a directive way, but from a way of compassion and humility and incredible patience?”

Because many of you who are on planet are masters, and part of that is you have a stubborn streak a mile long, and that is because you are sticking with it. This is a stellar quality, but sometimes you are reluctant to listen to the wisdom of others, so open your hearts and love yourself.

Love every aspect of who you are and who you have been, and then dive deeper and see really the truth of who you are. And if there is any trace vasana, core issue...surrender it. Let it go, because it is not of love. It has been a very powerful defense mechanism that you no longer need. It is time to co-create together. Are you ready?

SB: Well I think we're certainly ready, Lord. And yet I'm interested in your statement that gentleness is what is called for because you have in your trade an awful lot of warriors of peace, and to some of them gentleness is altogether new. Could you talk to us a little bit more about gentleness, perhaps especially to the men?

AM: Gentleness is key. Think of it very practically. When you grab somebody by the arm, by the scruff of the neck, and you sit them down and you say, “Listen to me. This is what you are going to do. This is what you came here for.” Well, that is about as effective as the old third dimension has been. It is the old paradigm.

And that is why persistence and stamina are important, but gentleness – it is one of the qualities of the Mother, of the Feminine. Think of it when you approach someone, not in false humility, but in authentic, genuine, heart friendship. You take them by the hand, you touch their heart, you acknowledge who they are and you

say to them, “Will you come and sit with me and share your heart, your thoughts, your dreams, your desire? Will you let me share mine? Can I share the insights that I have received? And can we do so in the garden of beauty, of sweetness and kindness where you are not threatened or controlled.” Then you have cooperation and you do not encounter resistance.

Too often in the male archetype there has been a sense that you need to put your head down and plow through – that this is what you do and it has been what you have done. And you have done it with the clearest and the sweetest and kindest of intentions, “I am going to put my head down and provide for my family. I am going to make sure there’s food on the table. I am going to protect my sons and daughters from violence.” So I do not criticize you, and those of you who travel with me to the dark places at night know situations of fierceness, but you also have known situations of such gentle kindness that it has changed the entire situation in the blink of an eye.

So what you as peaceful warriors, as central administrators, as healers, as teachers are learning is that gentleness, first and foremost to yourself is a reflection of the Mother’s love. If you cannot be kind and gentle and sweet to yourself then you cannot be gentle in relationship.

Gentleness carries a sense and an energy of such love-force that the resistance disappears. So this is resistance that the humans have had, and rightfully so, of being told what to do. That is why we always say we suggest, we guide. We will never tell you what to do unless it is to save your life, and even then we may not say a word.

Gentleness is the key. Kindness is the key.

SB: Thank you for that profound teaching, Lord. Truly I’ll be reflecting on that quite a bit. Is there anything you would like to say in closing?

AM: Yes. This discussion of mastery, of leadership, I would like to continue. And I would like you all to think, to feel, to explore: “What is my mastery?” And to embrace it with such incredible glee that you are jumping up and down and coming out of your skin.

Archangel Michael on Global Leadership and Sacred Partnership

May 3, 2018

<https://goldenageofgaia.com/2018/05/03/aam-on-global-leadership-and-sacred-partnership/>

I have an excerpt from my March 20 reading with Archangel Michael, on playing a global role post-Reval, which I'm sure he wanted posted.

Here he is, calming my jitters at the thought of playing a global role.

Archangel Michael: Do not underestimate your sweet being and do not think that you have not been given and that you have not been adequately preparing yourself for what lies ahead.

One of the, we use the example of the, shall we call it, the career politician who follows a singular path always with the focus on having the highest office and the most power...

Steve Beckow: Winston Churchill?

AAM: ... Yes... The highest office possible and so often what happens is the ego dominates and that is not what a leader in the global sense of where you are going is interested in.

It is not a path of ego. It's not about an assumption of power. It's about an assumption of divine authority and it's the balance to allow those who have roles to play, to joyously step forth and do it and to not be attempting in any way shape or form, to control that.

What we would suggest, dear heart, you say, "I need to grow up." And we would say, "you have been applying these readings and lessons very diligently. Is there further to go? Yes but, sweet one, there is always further to go." (1)

I asked him about the shape of future sacred partnerships. He said they were an important part of the plan; we were not meant to be monks this lifetime.

Archangel Michael: In your future, there is always choice in sacred partnership - and this is very important for human beings, Nova Beings to understand and it applies to Nova Being, to Nova Earth, and to Nova Communities.

The charge - and I choose this word - the charge of the Mother is not to rise above the human need and desire and yearning for tenderness. The Mother holds each and every one of us so the human context of a smile, of holding a hand, of true intimacy, of love words that are shared and have meaning, simply between friends or intimate partners - it is not a matter of rising above that.

It is about allowing the love, the fullness of the love to come through and express in ways that are not only recognizable but comforting and welcomed in the realm of human existence and particularly, in the realm of human existence in transition.

Ascension and the shift are not intellectual. It is not about knowing in an intellectual sense, or receiving messages in an intellectual sense. It is heart-to-heart.

Archangel Michael on Lightworker Unity

September 1, 2018

<https://goldenageofgaia.com/2018/09/01/295697/>

The dark have long practiced a divide-and-conquer strategy and some lightworkers have succumbed to it, along with others in society.

Left and right becomes libtards and rednecks as we bury ourselves deeper and deeper in conflict. In so doing, we render our initiatives powerless.

In 2016 Archangel Michael reminded us to cease the activism of separation and come together in collaboration. I repost that reading with him through Linda Dillon (July 22, 2016).

Archangel Michael: This separation in what has been called the Lightworker/Loveholder community needs to cease. You are too few. Yes, you are mighty. Yes, you bring forth clarity.

And you have claimed the freedom to step forward, sometimes as participants, sometimes as creators, and sometimes as observers. And of course all of those three roles are exactly the same. And then while we're at it let's throw in stewardship and leadership, and being way-showers.

You have toiled. You have been persistent. You have been patient. You have been forthright.

You have studied each other upon this path of righteousness, of discovery, of adventure, of doing upon this planet of Gaia what has never been done before.

While you are mighty, while you are committed, this separation between pathways needs to be healed. I am not talking about individual situations necessarily.

While there is always room, and it is part of the glory of freedom, for different perspectives, opinions, understandings, pathways, adventures, expressions, there is only one truth. Many expressions, many ways of reaching homeward but there is only one truth.

The fiber, the substance, the essence of that truth, is the Mother. Now you know that and what it is, in its very essence, is love. It is from love, this energy, that all is created.

So when there are these separations between lightworkers that are not of love and not the expression or experience of love, then what you are doing is practising self-defeating behaviours and actions that only diminish you being in clear partnership, not only with us, but with each other.

You are our partners, our boots on the ground. You are the fulfilment of the Mother's dream and the Mother's promise. That can never be achieved by backbiting or naysaying or trying in any way to diminish the work of one another. So yes, dear Steve, I am using you and this time to speak out and to call out to all lightworkers to unite in heart. Each of you has a very unique pathway, a very unique mission and purpose.

So for example, there are many communicators; each of you has a different expression and way of getting at it. There are many healers; each of you has a different way of going about it.

The point is, is at the start, the middle, and the finish, the way in which your mission is conducted must be of integrity and love. It must be that quest and that anchoring of peace and truth. That is Nova Being and Nova Earth.

There is room for variation within but that is the foundation and the roof. How you decorate the house is up to you. But it must be decorated in beauty, in wonder, in awe, in humility and in kindness.

So I call to all of you, to unite in purpose not only to passively receive the energies of the Mother and her legions are sending you, but as one force (and I do not mean violence), one mighty wave declaring and living, passively and actively, this truth of love.

You are the wayshowers. You are the pathfinders. You are the pillars and the portals and everything in between. When you stand in that role, when you sit or fly in that role, you are doing your mission and purpose.

You are fulfilling your plan within the Mother's plan. But when you deviate from this, and I exclude from this the clearing of core issues, which can lead you down some rabbit holes.

Let us be clear, you all proceed together as one family of Gaia, as one circle. Repeatedly we have said there is no hierarchy. You, like we, like us, are all servants of the One. There is no pecking order. It is in equality and unity of heart and love that we proceed together.

So I ask you, I beg you, to remember this. Examine where you are standing, sitting, lying and if you have veered, if you have detoured, come back to your heart where the truth reigns. It does not need, in any way shape or form, to be public pronouncements but within your heart, course correct and begin again. Archangel Michael: A Call to Lightworkers to Unite in Heart

July 22, 2016

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, July 22, 2016.

I had a reading with Archangel Michael on July 22. A disagreement had arisen and I sought Michael's counsel. He used the occasion to eloquently speak to all lightworkers on the need to end divisiveness and unite in heart.

Archangel Michael: Yes, you are stepping forward, quietly, unobtrusively but in the clarity of One, into your warrior self. And it is a time for this clarity of

the warrior to be very present, not only in you, my beloved brother, but in many.

The Mother's penetration of her legions continues. There is no room for that which is not of honour, truth, kindness and consideration.

This separation in what has been called the lightworker/ loveholder community needs to cease. You are too few. Yes, you are mighty. Yes, you bring forth clarity.

And you have claimed the freedom to step forward, sometimes as participants, sometimes as creators, and sometimes as observers. And of course all three roles are exactly the same. And while we're at it let's throw in stewardship and leadership and wayshower.

You have toiled. You have been persistent. You have been patient. You have been forthright.

You have steadied each other upon this path of righteousness, of discovery, of adventure, of doing upon this planet of Gaia what has never been done before.

While you are mighty, while you are committed, the separation between pathways needs to be healed. I am not talking about individual situations necessarily.

While there is always room, and it is part of the glory of freedom, for different perspectives, opinions, understandings, pathways, adventures, expressions, there is only one truth. Many expressions, many ways of reaching homeward but there is only one truth.

(1) God is the absolute truth. The Mother is the active aspect of God. She is the only Truth we can ever know. When we encounter the Father, it's because we've left knowingness behind and entered into what one sage called "the cloud of unknowing." Moreover, we've also left "I" behind so who is there to tell?

Archangel Michael Raises the Bar

Raising the bar

Credit: darkroom.baltimoresun.com

I'd like to share some excerpts from my personal reading with Archangel Michael on Sept. 16, 2015.

I have to cloak some of the details so as not to offend anyone, but the "moral of the story," if you like, is really all I'm wanting to communicate.

On what he saw as remaining lightworker addiction to drama and deception, Archangel Michael said:

"This is not coming from a place of judgment but, if the collective is going to complete this Ascension process, which as I have said to you is well underway, you cannot have those who are speaking or appear to speak or hold themselves out to be speaking in the name of the Lord, in the name of One, to be engaged in subterfuge and drama. It is not acceptable!

"There are many light workers still who say that they are completely committed but to some extent, ... they are engaged in drama or [act out of] their own need for profile."

For me that says that anyone involved in any form of service to the Divine Mother, which is the same as to say the Lord, the One, can no longer carry out their service in the careless, low-vibrational way we once did. Lies and acting out are no longer acceptable from us as lightworkers. Gossiping, no. Hypocrisy, no. Archangel Michael has just raised the bar.

Engaging in drama means we still need the kind of high that comes from swings into the territory of excitement and then into the territory of pain. Excitement and pain are how some of us know we're alive. But living life that way isn't acceptable any more, according to him.

Drama means we're prone to stray from the center and Archangel Michael, in my opinion, is telling us: It's now imperative that we remain grounded, balanced, and centered.

Don't think this isn't as huge a challenge for me as it may be for anyone else. It is. But I hear that it's time.

Engaging out of a need to create a high profile for ourselves is, I fear, a little more common than many may think. I often get email from people claiming to be an avatar.

A genuine avatar would never lay claim to being one. Sri Ramakrishna would feign ignorance if someone said he was an avatar. Then he'd be heard muttering to himself: "This rascal has found me out." (1) When I asked Jesus if he was an avatar on *An Hour with an Angel*, he said, as I'd expect, that he doesn't like to talk about subjects like that. (2)

Enthusiastically laying claim to being an avatar is a sure sign that one is not. But that's just one example of wanting profile.

If we as lightworkers are in influential positions, handling large flows of money or offering other services to others, and we still need validation, then I think that we leave ourselves open to manipulation.

As the energies increase dramatically at this time, we're being asked to allow the bar to be raised and accept it.

I certainly feel more expanded than I did even a month ago. I'm willing to move

with the raising of the bar.

(1) Hari found him out:

The Master replied: 'Oh, I am in great pain. I cannot eat anything, and there is an unbearable burning in my throat.'

But Hari was not fooled. He saw that the Master was still confirming him in his devotion. For Hari knew that the Upanishads declare that the play of the Atman is all 'as if' -- not actuality. The Atman never experiences any illness or suffering. A man of realization is always the same. And Hari's Master was such a man.

The more Sri Ramakrishna complained, the clearer it was to Hari that his teacher was teasing him. Finally, Hari could control himself no longer and burst out: 'Sir, whatever you may say, I see you as an infinite ocean of bliss.'

At this, Sri Ramakrishna said to himself with a smile: 'This rascal has found me out!' (Swami Ritajananda, *Swami Turiyananda*. Madras: Sri Ramakrishna Math, 1973, 23.)

(2) Steve: Well, if you were the human form that was overlit by a spirit as exalted as Sananda, and the Holy Spirit descended in you, that I would call an "avatar." Would you disagree?

Jesus: [Laughs] I do not disagree. I simply say to you that it is a designation that I am not eager to claim.

S: Okay.

J: Yes, I will accept it. You know there was so much controversy, when I did walk the Earth, not only about my family's position but about the politics of the "King of the Jews" and wanting leadership and political intrigue. So I am always very hesitant to give myself or to accept designations.

S: I accept that.

J: And I will tell you why. Because you, or your listeners, will then say, "Oh, well, he had this overlighting, he had this infilling, and that makes him different or

separate,” and it does not. If anything, it allows me to be closer to you.

S: All right, I accept that, Lord.

J: All right. So I have made my point, then! [laugh]

S: Yes, Lord. ("Transcript of An Hour with an Angel, with Jesus, Jan. 9, 2012," at [http:// goldenageofgaia.com/2012/01/transcript-of-an-hour-with-an-angel-with-jesus-jan-9-2012](http://goldenageofgaia.com/2012/01/transcript-of-an-hour-with-an-angel-with-jesus-jan-9-2012))

Archangel Michael on Dreaming Big

Archangel Michael on Dreaming Big

Jan. 14, 2017

<http://goldenageofgaia.com/2017/01/14/archangel-michael-dreaming-big/>

My readings with Archangel Michael produce more and more information which I'm sure he wants me to share.

These extracts are from a personal reading through Linda Dillon, Jan. 3, 2017. Thanks to Dana for our transcript.

Steve: So now, dreaming big: The barrier I hit in dreaming big is that it costs money to fulfil those dreams and so I continually pull back and say, “Well, the money is not around for that so if you talk about it, it’s going to just get people excited and there aren’t the means to carry through.”

Do you want to help me with that?

AAM: When I ask you to dream big, first of all, I did not say dream big and talk about it.

I am teasing you but I am not teasing you.

So first comes the dream and it is important that it be for your sacred self, for your human self, for your masculine self and for you as a steward for humanity.

And increasingly what you are coming to understand - what you've always understood to a certain extent - is that there are many places in which those two places do not and will not intersect.

Steve: Big dreams and money? Is that what you're saying?

AAM: No, it is your private dreams, your dreams for the person known as Steve, and the dreams that you have for Nova Earth. They are like two streams. Think of it as a branching of the same river or stream.

Steve: I look and look and look and I don't think that I have that many desires.

AAM: No, you don't. But what you do have, do not abandon. You are seeing in very clear substantive reality how those dreams come forth into physicality. But they come forth by expression of the dream.

Let us use one of our favourite examples, of healing the abuse of women, in terrorizing marital relationships, domestic violence. Make it very specific.

If you have that dream and you never whisper it out loud then it remains internal. The expression, whether it is to the four walls of your home or to the entire planet - and there are appropriate levels of sharing - the expression, the externalization of the dream in speaking and writing, the communication of the dream is part of bringing forth the creation.

So to speak of your desires, whether they are personal or global is very important.

As you go forth, you have been in a juncture. You have been in a phase where the speaking of dreams, of personal dreams, has been very helpful to yourself and to others particularly those that you are close to.

But for example, when you are in a different position, you will not share so much personal detail because, dearest heart, we have guaranteed that you are protected. Well, sometimes being protected means that you keep quiet. (1)

Steve: Yes, yes, yes, I have to do my part. And it's going to be a challenge, Lord, because sometimes I just want to blurt it out.

AAM: I know.

Steve: What can we do?

AAM: I will muffle you.

Steve: Okay, good! That's what I need.

Footnotes

(1) AAM notes that personal dreams and global dreams may not intersect. But awareness writing and self-censorship are also strange bedfellows. An altogether challenging assignment.

Archangel Michael on Free Will and Control

Archangel Michael on Free Will and Control and Allowing the Higher Self to Lead

March 2, 2017

<http://goldenageofgaia.com/2017/03/02/286569/>

In this excerpt from our Feb. 17, 2017 reading, Archangel Michael helps me understand some of the finer points of free will and control.

Steve Beckow: Free will and control. I don't know how to approach the question of free will and control. I hear people saying, "I'm going to change the way my boyfriend eats" and I say, "Well, you know you really can't control people." And they say, "I'm helping him." Can you talk about that a bit because I am stumped?

Archangel Michael: It is motivation, is it not?

There is a fine distinction, and that is what you are struggling with, between really wanting to control and calling it help. Now we struggle with this! Not really but we will use this example.

It would be very inviting at times for us to say, “We are going to help you with what you eat.” And this is a very simple example, is it not?

“We are going to help you and therefore you will never go out and order a cheeseburger and fries again.” Because the truth is, our help is controlling you. We are interfering. We are overriding your free will.

What a statement like this is about; “I am only helping; I am going to change somebody’s choices” because that is what it is. You are seeking to override another person’s choices.

When we have talked about stewardship, and this may seem like eating is a very simple thing but it is not. When we have talked about stewardship, we have talked about leading by example, role modelling, mentoring, and showing the way.

So, using the example of eating, if you eat healthy, only green (and there is a long list of what has been defined as healthy) and you are vibrant and alive, then those around you observe and say, “I would like that as well” and they may follow your pattern.

But it is done out of love. It is not done out of a desire to change somebody so that they will conform to your ideation of what is right and wrong.

Steve: I think people can be put off if there is even a hint of pushing somebody in a certain direction.

AAM: That is absolutely correct because the paradigm of control is one of the essential paradigms that is being broken upon your planet and so any effort on the part of any being to try and control a person is going to meet with resistance.

Think of, as a child, when you wanted to read the book for another half-hour or watch a TV program and your parents said, “But you must be asleep and in bed by 9 o’clock.” What happened? You would fight it tooth and nail.

It is the same. As soon as you try and say, “You must” “Oh, I want to help you so don’t eat that, eat this.” It does not work. It has to be one’s own choice and the volition of the individual.

So for example, often we have said to you, “The road to understanding, to love, to expansion - we beg you to meditate every day. Prayer, meditation, ritual.” We do not say “you must”

Steve: Last question, Lord. Can you advise me on how to facilitate or allow my higher self to run the show - Big Steve instead of Little Steve?

AAM: Allow Big Steve (and let us preface this by saying we love both Steves.) We love all the Steves. So what we want you to do is to follow our example please. So it is a request not a control!

Let Big Steve love Little Steve. When you are attending to, what you have thought of as Little Steve, when you are meeting what remains of his insecurity or his security needs or his feelings of lack, when he is attended to, he is so overjoyed to let Big Steve be in charge.

It is not that he (Little Steve) really wants to run the show but so often, in terms of survival, he has felt that he has to. So the more that Big Steve reassures, loves, tends to, until what happens, sweet one, is that Little Steve will simply step into Big Steve and that unification will be complete. (Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, Feb. 17, 2017.)

Archangel Michael on Post-Reval Lightworker Entitlement

July 30, 2016

<http://goldenageofgaia.com/2016/07/30/archangel-michael-post-reval-lightworker-entitlement/>

I asked Archangel Michael in my July 22, 2016 reading with him through Linda Dillon, how to collaborate with lightworkers whose core issues may have mushroomed after the Reval.

Steve: The biggest concern I have right now, and I hope you'll permit me to post this response from you, is I continue to be concerned about the impact of sudden wealth on lightworkers, particularly those who still have core issues.

I worry that sudden wealth will (with me too by the way; I'm going to have to battle this one myself as well) magnify those vasanans or core issues.

What to do?

AAM: Let us also begin by saying that this is one of the reasons why we have been speaking so much about being the steward, the leader, the wayshower, to be the participant observer.

As you assume profile - whether it is because of money or notoriety or political power or financial power, it matters not - it gives you a sense of being elevated. We would encourage you to take the elevator to the basement.

Start there. What we would recommend is to stay anchored - of course always in your heart, but - to your root chakra. Think of it in very practical terms.

Your safety and security - there are many formulas that you have on the planet to look at this - but once your survival needs are taken care of, begin.

You see, one of the reasons why you have been activated to the pubic chakra even ahead of your creation chakra is that that is the anchoring of creation in terms of Nova Earth.

This sense of false importance - there can be no room for this sense of arrogance, entitlement.

That somehow because you have been blessed, you are above. That is not the purpose. Think of it as putting you below. You are blessed because you are in a position to be of greater service.

Greater service and I speak as one, an artist, a musician who serves the Mother and because of that service, goes into the darkest places of chaos and mayhem.

This does not make me elevated. It makes me more willing to serve.

And so your question to your sacred self is, "Once I am taken care of, how do I take care of everything else that I believe and I know and I feel is in service to the Mother?" That is your guiding principle, your guiding light.

How do I become the voice and the servant and the expression of Love? In that, there can be no arrogance.

This is also why I have called upon, pleaded for unity amongst all of you. Because it is to give each other permission that if you tend to begin to take that scenic detour, you have permission to call each other on it in ways that are kind and loving and considerate but clear and concise.

How this is accomplished is by many of what you have thought of as consultations. There is collaboration. There is equality. There is a freedom to brainstorm and

implement in ways that make sense, not in ways that elevate one and diminish another. That is of the old realm. Is this clear?

So when you are dealing with someone who is perhaps edging towards entitlement or a feeling of superiority, you call them forth from a place of heart concern to have that heart-to-heart conversation so that they remember because as easily (and this is not a threat - we do not operate in threats) but as easily as blessings are given, they can be taken away.

Steve: I think you've answered that question so thank you.

Archangel Michael: You Are Not Crazy

June 6, 2015

<https://goldenageofgaia.com/2015/06/06/archangel-michael-you-are-not-crazy/>

This past reading (May 21, 2105) I asked Archangel Michael how we should behave after the Reval.

I can predict that I'll have a stress reaction and will need to stay relatively quiet. I'm avoiding any celebrations that promise to go over the top and come back to haunt us years later. AAM took the occasion to address the subject quite fully.

Steve: So when the money comes, I'm probably going to have a stress reaction of some sort.

Archangel Michael: Yes.

S: So, please, any advice you can give me and other lightworkers on how to deal with the impact of suddenly finding your financial worries are over, you can live the life you wanted to live, etc.?

AAM: Do not be precipitous. Stand still. Now that may sound like very amateurish advice. It is one of the most difficult things for human beings to do. Go to the stillness.

Do not feel the immediate necessity, which is an invention of your imagination and ego, to jump into action. Give yourself the opportunity to breathe, to allow this shift in reality, in what you have described as your personal landscape, to sink in.

Yes, there is an entire world waiting to be rebuilt and it is not achieved if you jump the gun. It is not achieved if you are going full steam ahead and then collapse because of stress. Stress is a physical reality. It is not you simply creating drama. It is a bio-physical, electrical, spiritual reality.

Give yourself time, yes, to breathe, to withdraw if necessary, to scan the environment, to enjoy yourself, to celebrate and then, in a sense of no hurry, go forward.

S: Thank you for that. It's going to be very challenging when it hits.

AAM: You have need to make sure that you take care of your sweet physical self. Yes, there are the challenges - new home, new situation, time out - but do the practical things that I recommend as well - bodywork, massage, cranial-sacral, relaxation, cycling, working out, eating properly ... now this is going to be a challenge ... sleeping.

All of these very basic human necessities will have need to be addressed. If you are exhausted, if you are running on caffeine and adrenaline, you do not come from a place of compassionate wisdom. And, dear heart, that *is* what we do. And the compassionate wisdom requires that you take care of the physical vessel that *you* have designed with us.

So step number one is pay attention.

S: When stress goes up, awareness goes down. So at the very time when you need awareness, discernment, memory and all the rest of it, you're denied access. It all goes down. You're least well equipped at the very time when you need to be best-equipped.

AAM: And that is why attention to the de-stressors that you know of, such as meditation, bodywork, fresh air and sunshine have need to be paid attention to. And I say this very strongly. It has need to be a requirement not only for you, my beloved friend, but for your entire organization.

Working endless hours under stress to think that you are completing the mission is not completing your mission. If you are not taking time for joy, for laughter, for love, then you are not completing your mission.

Take the time to engage in the laughter, engage in the glee, and the sense of "Our diligence has paid off." We are not insane. We are not crazy. But we have full permission to act a little crazy for while. Go play.

S: I have said to myself that I will not go to one of these nights where people go AAAAAAAAAAAAAHHH!!! all over the place (1) because I worry that it might jiggle me just enough to set off the stress reaction that I'm sitting on.

AAM: We would not recommend to any of you going to these gargantuan meetings of celebration. They are incendiary.

S: That's my sense. We do things we'd never do and it lets the genie out of the bottle.

AAM: That's correct. It's time for incredible discernment. And it's not discerning to go to a venue and make public displays. It would not be wise.

S: Thank you for confirming that for me.

Archangel Michael: On Mad Rushing Post-Reval

Jan. 12, 2017

<http://goldenageofgaia.com/2017/01/12/archangel-michael-mad-rushing-post-reval/>

My recent venture into micro-finance gave me many glimpses into what life would be like after the Reval. I found myself in unknown territory and learned many things that will assist me later.

I spoke with Archangel Michael about it in a reading I had with him through Linda Dillon on January 3, 2017. I know he wants me to share what he said.

Steve Beckow: Well, I've had my preview of the Reval. It certainly allowed me to do a kind of test run and look at spreadsheets and other financial things.

What do you want me to do now? What's next, Lord?

Archangel Michael: It is a very important step. In fact it is critical to the completion of all of this: Breathe!

Did you not note - you could not help but note - that during this prelude the feelings of chaos, even in the most positive of senses, (1) have permeated your very core?

Steve: Oh yes, indeed.

AAM: And then you have allowed the feelings of chaos from others around you to also penetrate your core and the feeling of overwhelm, of dizziness has made you feel under exceptional pressure rather than joyful. So while the joy was there, it was clouded. (2)

It is important for you to know and to realize - and especially in your small group - that this [feelings of chaos] is what so many human beings are, and will, be experiencing and this is also why our strong encouragement to not rush anything has been so important. (3)

Now I say this: The level of heart and mind and physical commitment to the creation of Nova Earth in the Lightworker, Loveholder community is extraordinary and extraordinarily strong and there has been a sense of impatience and of waiting *ad nauseum*.

On our side everything is in order! But on the human side it has been exceptionally important that every single item be organized correctly and you cannot even begin to imagine the number of variables. We are not just talking about the multitude of mechanical, political, social, and economic things that have need to be addressed.

The energy from our perspective, having dealt with many of the minutia, and helping humans deal with the minutia, also has to be addressed. And by and large it has been.

In their eagerness to create Nova Earth, there will be this mad rush and the mad rush does nothing but create confusion and the feeling of inner chaos and therefore outer chaos. Inner mayhem, inner pressure, outer pressure, outer overwhelm and on and on with the list.

I bring this to the forefront for discussion because it is important that this insight be shared. ...

We are not being critical of any of this but [succumbing to the chaos post-Reval] is something that those who are bestowed funds, one way or another, have need to be aware of.

The Company of Heaven, the Council of Love, myself and Gabrielle are not sitting here with the stopwatch to see how fast you can leap to action.

Steve: But some light workers will be.

AAM: That is why you are going to tell them. I have made a jest in saying that your next assignment is to breathe. But I am not joking when I say, the very first assignment in the RV is to breathe.

It is not to be rushed. It is to be done in thoughtful, self-considerate action.

This is an unfoldment of a Golden Age. It does not happen in a week or a month.

Steve: I had resolved to follow your advice not to make any purchases the first week but just to sit but it became seemingly important to buy a new computer at one point.

That utterly threw me off. Instead of being available to what was happening, I was going down to Apple and trying to get this computer to work, transferring files, going out in post-Christmas crowds buying adapters, etc.

Next time, when the Reval happens, thanks to this preview, I *will* wait a week before I do anything.

AAM: And for most people, we will extend that out to a month because it is the breathing, it is the organizing, it is the physical adjustment to a different set of circumstances [that is important].

You cannot be fully engaged in the shift in energy, in the sense of joy, and be worried about whether you are buying a computer or buying a house or buying a nation. That will not do.

Footnotes

(1) Chaos can result from positive as well as negative events. A flurry of buying activity after the Reval can introduce a note of chaos into our lives at a time when we need to remain calm to handle a massive transition.

Please remember as well that it isn't just unexpressed grief, frustration, etc., that can be an upset; unexpressed joy can also be an upset.

(2) What Archangel Michael calls joy, I call bliss. So, if we want the joy to be unalloyed, we might do well to lean towards meditation rather than towards consumption.

(3) After the Reval, don't rush into arrangements.

Archangel Michael on Financial Wayshowing

September 30, 2013

[http:// goldenageofgaia.com/2013/10/archangel-michael-welcome-to-this-time-of-re-awakening-part-2/](http://goldenageofgaia.com/2013/10/archangel-michael-welcome-to-this-time-of-re-awakening-part-2/).

What I say to you, whether you have inherited money, whether you have earned money by the sweat of your brow, whether you have won the lottery, or whether you have invested in currency, it matters not. Whether you have been a recipient of one of the prosperity funds — and there are many of you who have [signed up for it] — the point is to share.

Now, I tell you this because it is very important. Take care of yourself. It is part and parcel of honoring the vessel that you have chosen to inhabit, to ascend in and with, and to continue on as vessels and wayshowers and builders of Nova Gaia. You take care of your family, your friends, your soul family. And I do not mean in a small way. You provide.

And, my friends, I am always telling you to dream big! So allow those dreams to come forth, but take care of the basics as well — your health, your home, your family — and then share! It is that simple.

There are so many creative projects. Now, some are flimsy and have need to be solidified, to be built out, as it were. Some are ready to go. And we are not talking merely small projects, we are talking about projects that will change the face of Gaia. So, proceed bravely. That is what the role of the pathfinder is. It is the shower of the way, not the follower. ...

We do not simply send down rains of money — although that can happen as well — but for this instance we want you, we ask you, and we guide you very clearly to practice discernment.

And discernment is quiet. Discernment is not showing. Discernment is being the observer, not the judge.

It is not a question — let me be very clear — of “Do I deserve this?” It is a question, in any situation, whether it is \$10 or \$10 million, it is a gratitude to the heart of One for the blessing you have received. And then, from the place of the discerning observer, to decide what is important.

I have said to you that this is a time of choices and decision. You decide what is important.

And what can be more important, first and foremost, than taking care of your sweet self and family?

Then you discern, with your heart. What appeals to you? Is it projects that promote free energy? Are you the unseen benefactor? Are you one who wishes to build new schools, what we would think of as nova schools, star schools? Do you wish to be in communications, like you, Steve?

So, you discern where your heart and your mission and purpose has always pulled you towards. And then you invest not just money, but your energies, your love, your focus in that direction.

Always with your eye on the larger undertaking: what promotes love and spirit? What creates the new Earth? What anchors the Cities of Light?

Archangel Michael: The Overarching Principle of Post-Reval Financial Wayshowing is Stewardship

May 12, 2016

<http://goldenageofgaia.com/2016/05/12/aam-overarching-principle-post-reval-financial-wayshowing-stewardship/>

In 2016, Archangel Michael identified the overarching principle of our post-Reval financial wayshowing to be "stewardship." How helpful that is. Square One. Our starting place.

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, May 6, 2016.

Archangel Michael: Let us be clear about this because this is a very important discussion and it is so because money, currency in your realm has the power to trigger many buttons. ...

To live abundantly does not mean that the bank is open and help yourself.

The entire purpose is that all are taken care of, each according to their soul agreement, not according to their fantasy life.

Now, we want you, and when we say you, we mean all of you, to think of money in terms of stewardship.

Steve: So that is the overarching concept?

AAM: This is the overarching principle. It is stewardship.

So, it is not coming from a place of scarcity but it is a wise, creative stewardship that does not throw money [around?] simply for the sake of throwing money at a problem or challenge or a situation believing, often erroneously, that it will be resolved.

Most issues, beloved, are not about money. They are about self-worth, taking responsibility, sharing responsibility, leadership, sharing leadership, knowing when to lead and when to follow, and stepping up in ways that are creative.

What money is used for is so that a person, a group, an individual, an institution, an entire community, an entire planet can step forward without worry, without that fear which is so pervasive upon your planet, to create!

So think of it as money as a creation tool. And if it is not creating, if it is simply being thrown down the drain or being maintained in a way that is not creative, then it is not doing its job.

Steve: So when all these old beliefs [of lack and the need to hoard] come up and we even go so far as to act on them, what then? How are we to put the situation right?

AAM: It requires a depth of truth and honesty that is outside the realm of judgment. (1) So am I doing this? Am I having this attitude because I am referring to the old lack and limitation beliefs?

Am I judging because I think you should be doing more? ...Less? ...Different? Am I judging you according to my wants and needs? (2) Or am I observing with my wisdom eyes, my wisdom vision that this situation (not the money, but the situation) needs to be approached differently.

Now think of what I have said and apply it to [the situation at hand].

When it comes up, if you find that you are behaving or reacting in ways that are reactive and that are of the old paradigm, look at it, shake yourself, shrug it off, laugh, smile and say, “Oh, I choose *not* to behave this way, *not* to react this way.”

Footnotes

(1) I knew this depth of truth and honesty in the three-month residence fellowship at Cold Mountain Institute in 1976 and in the est Training in 1979. I haven't seen it since. We must recreate it.

(2) Raise to awareness what we may be doing. Try out what we find. Try it on. Test it out. See if it fits. If it fits, own it. This is the path of personal responsibility, dharma, or right conduct.

Archangel Michael on How to Work with the Reval

September 30, 2013

<https://goldenageofgaia.com/abundance-on-financial-wayshowing-and-the-reval/the-reval-itself/archangel-michael-on-how-to-work-with-the-reval/>

An Hour with an Angel *with Archangel Michael.*

The Global Currency Reset or Reval

Steve Beckow: There are people saying the global currency reset or Reval is a fake. There are people saying this is not spiritual; it's greedy.

What is the spiritual purpose of the global currency reset, Lord?

Archangel Michael: Now, you know that I am always a practical archangel — perhaps not as practical as my sister, Gabrielle, but I have been known to be practical. But let us speak of the spiritual undertaking behind this — what you think of as the Reval.

And for some of you I bring you back a year, and for others of you I bring you back a decade, and for some of you a decade and a half. Because many of you have been at this for a very long time.

And let us speak of the spiritual importance, undertaking. You have all been going through a spiritual re-evaluation, re-valuation, e-valuation, evolution, valuation. Think of those three terms. And how do I present this?

Think of your currency, the currency of you. Do you feel trust, know yourself to be of greater value in your heart now than you did previously, one year, two years, ten years ago? Has your self-worth currency grown? Has your sense of connection and connectedness to All grown?

Has your knowing of the value of your path and your service and your place of love within the heart of One grown?

Of course it has. That has been part of your awakening and part of your Ascension.

Now, I have said to thee that there is a time now — and you are seeing it in many different areas of your physical existence - where things that have been on a spiritual level are floating down, sinking down like the penny in the pond, down to the physical level.

Are there some who have approached this entire project with, can I say, less than pure intentions? And even some with intention of greed and control and simply money? Yes, of course there are.

But there are many more who have approached this undertaking with an idea and a belief and a faith that in fact this could change the face of Gaia and equalize what you think of as currency and wealth.

Now, let me be clear about this. Do I want you to be focused on the Reval and money morning, noon and night? Absolutely not. Do I want you to be focused morning, noon and night on what you can create and bring forth and share with humanity? Absolutely, because you have the heart, the knowing and the spirit to deal with this, because you have expanded.

Is this a scam? It is a prayer, a promise, a trust and an act of change, not simply an act of faith, but a pro-active movement of change. You cannot stay in fear. You cannot say, "This is simply a scam," because you are the movers behind this action.

Now, there are many points, as you know, that have been difficult in this process, and there is still great mayhem in the country called Iraq. There is great upheaval, and there is question about the stability of that government to even stand behind

the resources.

But you are holding the energy and the space for this to transpire, not in a needy, fearful way, but in the way of declaring, in a different dimension, in a different reality — yes, one in transition, we grant you that — but it is in a different reality, you are bringing this forth.

Now, there are a few who will also say to you, and to me, “If we are fully anchored in the fifth — sixth, seventh — if we are fully anchored, then we have no need for currency.” And that is true, and it is false. And let me tell you why.

Humans, of which you are and intend to remain, love currency. It is an idea. Currency has never been more than a concept and an idea. And it is an idea of abundance for many. Freedom, for food, clean water, housing, play, attending to your community. So you like currency.

So why would we, when we have no need for currency, say, “Now, you have no need for currency” when you love it? It is showing you, and it is transitioning you, into a place where currency becomes what it is — an idea.

And the more you work with this creation of abundance, for many, for all, then the more it becomes your ability to simply create out of thin air. Because that is what you are really doing.

So that is what I say. And it is in process — I keep telling you this — it is in process. And you have a very practical saying, I believe, on Gaia, and that is “the proof is in the pudding.”

There are those that will naysay because they do not wish change, and they do not wish to risk. They do not wish to risk being made fools of. But is it not foolish to not believe that you can create and bring forth? This has been in process for much longer than any of you can dream.

So let the naysayers go. Hold the vision and keep going.

SB: Well, Lord, when people benefit from the Reval, some people could think, “Well, look, I’m going to hold on to what I’ve gained,” and other people may think, “No, no, I’m going to get my portion” — we’ll come to that in a minute - "but a portion of what I’ve gained I’m going to share with others, to help others.” Am I correct in thinking that those people who cultivate generosity will — how

can I say this? — well, why not just say it frankly? — will be used as channels for further abundance?

AAM: Yes, that is correct. Understand: love begets love; generosity begets gratitude, begets generosity; joy begets generosity, begets gratitude. You are absolutely correct.

You see, one of the starting points of the density of the old Third was this issue of hoarding and greed. I will hoard what I have and I will not share. So it is like having a campfire to cook meat on and not being willing to share an ember with your neighbor. Well, you already have your campfire. Why would you not share? Is it as if someone is stealing your power? That is absurd.

This hoarding is the root [of the old Third], because it is fear-based. It is the belief that you are not taken care of. ... There are people all over your planet who become, through circumstance or what you believe is luck, instant millionaires. And then in those groupings there are those that become benevolent and generous, and then there are those who choose to maintain the old paradigm and hoard.

What you are doing is setting the new paradigm, and that is that unity is important.

Archangel Michael: The Purpose of the Reval - Part 1/5

Oct. 22, 2016

<http://goldenageofgaia.com/2016/10/22/archangel-michael-purpose-reval-future-part-15/>

In my reading with him on Oct. 11, 2016 through Linda Dillon, Archangel Michael discussed at length many subjects related to the Reval.

Some are confronting for me to post, but he did indicate that he wanted his comments circulated so I post them.

In this first excerpt, he denies that the Reval is the only occasion we'll have to show what we can do. He restates the Divine Plan for us several times.

Any italics in the text are mine.

Steve Beckow: Am I correct in thinking and saying that this time is the lightworkers' chance to show what we can do before NESARA or Disclosure really takes the agenda away from us?

Archangel Michael: That is correct. Now let us elaborate on that because I don't think in this instance you are looking for a one-word answer.

Steve: No. Thank you.

AAM: So you say that the agenda - and you are correct and incorrect by the way - can be taken away from you by financial re-gridding [NESARA], by institutional re-gridding, by the presence of your star family [Disclosure] or even the presence of the Masters, some of whom are popping in and out at great regularity.

The purpose of the lightworkers, the purpose in many ways - if we were to make a blanket statement [applicable to] every single person upon the planet at this time - is the fulfilment of the Mother's Plan: The rebirth, the re-anchoring, the recommitment, the reactivation of love, of co-creation, of unity consciousness upon the planet.

That *is* the agenda. And the implementers, the implementation team, the ones who will bring forth and affect those changes, bring into form those changes are those upon the planet.

Now ... there are many upon the planet who are either stuck, disinterested still, sitting on the fence still, or entirely recalcitrant.

Some of those recalcitrants, as we have mentioned before, are playing magnificent roles in amplifying and exhibiting what needs to be eliminated upon this planet once and for all. So even they are playing their part, shall we say.

The agenda cannot and will not be stolen or overshadowed by these other, what you think of as, [chaotic] events.

The burden, the joy, the gift, the potential of the lightworkers, loveholders, lovebearers - however you think of this, saints and sinners - the opportunity for the shift, for Ascension, for the transition, for the formulation and anchoring, the building of Nova Earth is the purpose particularly at this juncture of the lightworker community. (1)

Now, have you been - many of you - working quietly, silently, behind the scenes, undercover for a long time? The answer is yes.

Is this a time when lightworkers and loveholders will step forth and demonstrate not only their intention or their ability to hold the love, to be the love, but to demonstrate [love] in action, in form, in reconstitution of your society and all that that entails? This is the job right now of lightworkers.

(Continued in Part 2, tomorrow.)

Footnotes

(1) "At this juncture" - At another, later juncture the purpose of the lightworker community may be to reassure fears around Disclosure or model Ascension. Or new relationships or Saedor (loving) communication. In my view, financial wayshowing is just our task now.

Archangel Michael: The Purpose of the Reval - Part 2/5

Oct. 23, 2016

<http://goldenageofgaia.com/2016/10/23/archangel-michael-purpose-reval-future-part-25/>

(Continued from Part 1.)

In this second excerpt from my reading with him on Oct. 11, 2016, he tells us that this is our time, as Gaians and as lightworkers, to take action to create and build Nova Earth, and to bring the totality of our being to the action.

While waiting for the Reval, we could be planning. Planning is a necessary action.

Thanks to Linda for our reading. Any italics in the text are mine.

Archangel Michael: When we have said - and many of us have said this - that this is a time of action, of implementation, of moving forward, we mean it literally. We don't simply mean it esoterically.

We don't simply mean now is the time to take action to clear your vasanas or core issues. We don't simply mean that it is time to decide what your heart desires,

although it is.

It is time to bring forth and demonstrate, by the amazing diversity of talents, what you are capable of doing. Not just talking about, not just visioning, not just hoping for, but what you are capable of doing, demonstrably, in form, upon Gaia now.

And even as things shift, and shall we say, become more co-creative, the demonstration first and foremost, the building [of Nova Earth] is the mission and purpose of those who have chosen to incarnate at this time.

Now there have been in the past, and I mean recent past, many talks about different waves: first wave, second wave, etc. Well, there have been many waves, some of you have been aware of [them], some have not and frankly it does not really matter.

The wave that you are in - and might I even co-opt the Mother's term and say the "tsunami" you are in - is a tsunami of doing.

Not doing simply for busy-ness's sake, for to take action without focused clarity and intent in the stillness and the spaciousness of being is meaningless.

But to move in formulation, in action, in doing with that focused intent of understanding and using the talents that you have brought.

And every single being upon this planet at this time has brought the fullness, the totality of their soul's design to the planet. They did not leave anything behind.

So you are well-equipped to take these steps of action, each of you in your own way and it is not an either/or. It is a mosaic and every piece counts.

Now are you among the first to be taking, shall we say, very deliberate actions of change? Well, it will be appearing that way because [your action] will be so obvious. (1)

Now as you and I know, beloved brother, we have been taking actions in building a platform for years (2) and this has been a deliberate, intended action.

But is this - as a blanket statement - time for the lightworker community [as a whole] to demonstrate what they are capable of? The answer is overwhelmingly

yes.

Are we supporting you? Yes. Are we close at hand to help you as you need help?

Yes. But are you the human implementers of this plan? The answer is yes.

If you did not want to be part of that implementation you would have stayed and worked with us from this side and there are many who have chosen that direction.

(Continued in Part 3, tomorrow.)

Footnotes

(1) The white hats in the military, for instance, who've secured the transition usually by force of arms, are an example of changemakers whose role will not be known till much later. They're not so obvious.

Archangel Michael: The Purpose of the Reval - Part 3/5

Oct. 24, 2016

<http://goldenageofgaia.com/2016/10/24/archangel-michael-purpose-reval-future-part-35/>

In this third excerpt from my reading with him on Oct. 11, 2016, at my request, he goes into more detail on the purpose of the Reval, future hydration, structured payouts, etc.

It's confronting to post some of his comments, below, but he indicated that he wants me to.

Thanks to Linda for our reading.

Steve Beckow: Is it correct to say that another facet of the Reval is to give us the

practice needed to bring us up to speed to treat (1) with the galactics?

AAM: No, not really. Is that a side benefit? Yes, but that is not the intention.

The galactics have been prepared for this undertaking for a very long time and everything has been put in place for that type of what you are thinking of as treating, for a very long time.

So the ease with which that type of commerce, and we use that in a very generic way, (2) will come to pass, will be actually quite easy.

The purpose of this type of restructuring is [three]fold. (A) For humans to remember their spiritual currency, (B) for humans to begin to have some concrete wherewithal to begin the healing, not only of Gaia (because Gaia is very capable of tending to herself) [but also of the wounds of extended war] and (C) for humans to begin to act like the brilliant angels, masters, and intergalactics that they truly are.

And if you think that you've had periods of peace upon this planet, what I am suggesting to you is that you haven't seen anything yet.

So that is truly the purpose of any reorganization of your financial or societal or political systems. So it isn't as a testing ground or a proving ground for your work with the galactics. That is already in order.

Steve: Is the Reval for the Michelangelo Fund only to get a hand in the game? That is, once the Michelangelo Fund is set up, does it become a pipeline, with flow, so that the initial hydration is not the most important thing?

I'm not going to go with the structured payout (3) but the thought does come up from time to time, "Oh you'd have much more money if you went with the structured payout."

AAM: Let us expand on this as well.

One of the things that we have recommended for you, and it is not that we have a grudge or a - well, we do have a preference, but nevertheless - about the structured payouts is, yes, as you have put it, hydration.

[Michael is referring to an earlier discussion in which he said the banks were not

yet completely trustworthy, which we all know.]

But it is also about trusting - trusting in the flow.

[From the Company of Heaven.]

Now I would like to suggest to you, and this is not only for you. This is for many who will find themselves in a similar position. (4)

How can you possibly have billions and zillions of dollars and be worried about money? It is beyond absurdity!

Also note that what you are being taught - and there are lessons in this - is not only how to create, to remember how to create and how to co-create money and that is why I always bring you back, my brother, to spiritual currency.

Money is useful, obviously, but it is also an illusion. It has been a construct that has been formulated by those who believed in the abuse of power, control and false authority; to control populations.

As you are learning to create and co-create - remembering how to create and co-create - what you are doing is moving beyond money. Because that [i.e., the power of creating] is truly the way in which masterful beings – let us put it that way – bring about change on every level, including the material.

So is it important that humans – because this is what they're used to working with – have currency to create this healing of the human race and, yes, of soil and water – but that is because they have sullied it as well – and give Gaia a chance to breathe again.

And are you moving past this fantasy that there is lack and limitation in the universe and upon your planet when it is already being demonstrated that there is such abundant wealth in the tangible meaning of the word and the intangible meaning of the word? The answer is yes.

So when you say: Will I be a pipeline? The answer is yes.

Do we want you involved in the nitty-gritty day-to-day? The answer continues to be no.

Steve Beckow: I also don't want to be involved in the nitty-gritty everyday, Lord. We're perfectly agreed there.

Archangel Michael: The Purpose of the Reval - Part 4/5

“Archangel Michael: The Purpose of the Reval - Part 4/5,” Oct. 25, 2016, at <http://goldenageofgaia.com/2016/10/25/archangel-michael-purpose-reval-future-part-45/>

In this fourth excerpt, he stresses how the big projects, like a living wage for every person on the planet, would be done by many groups in cooperation. He encourages multiple efforts from us, based in creative solutions and best thinking.

Addressing ending hunger on the planet, he said it was not just a matter of throwing money at the problem, but that there would also have to be an attitudinal shift.

Thanks to Linda for our reading.

Steve Beckow: I'm trying to gauge what it is realistic for me to think about. If I think about a basic wage for everyone on the planet, an acceptable standard of living, leaving NESARA out of the picture for a moment and thinking only of lightworkers in the Reval, am I dreaming too big? (1)

Archangel Michael: No, but it is important that you realize that this is done in tandem with many.

Steve: Oh yes, indeed, of course.

AAM: There will be many expressions of this approach (2) and that is part of the delight and the diversity in the opening of creation.

There have to be - yes, have to be - many expressions of what this freedom looks like, sounds like, feels like, tastes like. So we are not looking, and let us be very clear, the Mother is not looking, for uniformity.

What is - you say, for example - a living wage? What one believes they require or desire is different than another. So are we talking about prosperity or availability for all? Yes, we are. But how people express that and choose to use their creation energies to express that will be different and that is a good thing.

Steve: Alright. Nations of course differ on what a living wage would be. ...

AAM: That is correct.

Steve: I don't know how to approach that. I don't know how to think about it

AAM: But you are not intended to be the sole mind brought to this question.

Steve: Okay, that makes sense. Indeed.

AAM: We need to emphasize this, time and time again, because this has been, with the best of intentions, some of the difficulties of well-intentioned and poorly-managed, poorly-thought-out strategies of assistance and aid.

This is not about throwing money at a problem - ever. This is about bringing creation and creative solutions that are based in community and unity and best thinking to the forefront.

That is why we say, this is about the expression and utilization of your talents. You are not an economist. You are not a soil engineer. And so everybody has a piece of this and that is part of the building, literally, of a global community.

Steve: Perhaps we could pretend that hunger *was* eliminated and then say how we did it. How are we going to use our Reval funds to end hunger on the planet, Lord? Can you help us?

AAM: Think about it in this way. First of all, let us be very practical. Ending hunger on the planet in its most obvious sense, is assuming that people are having the food and water they need to stay alive. That is the most basic.

Now the truth of this is, again, as you've said about incomes, that what one requires varies from culture to culture and from country to country.

Most of the planet's soil has been sullied, polluted, diminished and does not always yield the most nutritious food.

Now when Gaia herself (who is a much more powerful being than has been assumed) begins to realize, when she witnesses that there is a commonality of purpose and desire and action to actually nourish and feed everybody, her own regenerative powers will come into play and she works very closely with us and she works very closely with her star family.

But there is a need also for a shift in consciousness for what is desirable and necessary in terms of nutrition and a change of focus in terms of how that is extended to all people, equally.

Now we are particularly talking about Western cultures that are used to having far more food than is necessary. Now we do not say that in a way of judgment but in a way of balance.

The waste in the Western side of the hemisphere has been horrendous. So it is an attitudinal shift [that's needed].

This is even before you talk about distribution. There is an attitudinal shift about wanting to ensure that all people are fed. It is very, very basic.

When the desire to ensure that all people are fed is truly in place, then hunger [will

be] ended quickly. What has not been in place is the desire to do that.

There have been great examples of throwing money at a problem for profit or to feel good, but that has not addressed the issue of the willingness to share - to share resources, not just money but true resources and to allow Gaia to begin her process of regeneration as well.

So it is not a matter of just setting up shipping systems or international aid. It is the attitudinal shift and there is plenty for everyone.

But this attitude of lack, this attitude in many places of, "I need a full fridge and I dare not miss a meal," is absurd.

So what you're talking about is a shift in consciousness even prior to addressing the practicalities and that is where the efforts are.

The effort is in the education and in the attitudinal sharing of heartfelt information to bring forth these shifts and, when that takes place, everyone is fed.

(Concluded in Part 5, tomorrow.)

Archangel Michael: The Purpose of the Reval - Part 5/5

Oct. 26, 2016

<http://goldenageofgaia.com/2016/10/26/archangel-michael-purpose-reval-future-part-55/>

In this fifth and final excerpt, he denies that the large sums being cited for Zims are accurate and says that that would create a new class of haves and have-nots.

He says that the Company of Heaven are willing to tolerate some lightworkers not working out. They're willing to go by way of on-the-job training rather than waiting for us to be completely ready.

Thanks to Linda for our reading.

Steve Beckow: How good a comparison is it to compare the Reval to the Marshall Plan? (1)

Archangel Michael: It has some merit. It has some benefit because what it does is it gives you a historical reference in terms of understanding the rebuilding of societies.

Steve: What are the drawbacks?

AAM: The drawbacks are the historical references to victor and victim, the defeated and those who have been victorious, the feeling of owing versus balance. ...

Steve: I know I ask it every time but what are we waiting for? ...

AAM: You're not waiting. You're preparing. You're in the process and this is like saying some level of planning. You may feel, my beloved friend, that you are well prepared. We cannot say that for others.

Now has the decision been made that we and you - many - will proceed and that there will be many who squander and who are ill-equipped to manage? The answer is yes.

But what we would suggest to you is that this is in process. It is not a matter of delay and waiting.

Steve: In other words, people are doing things to bring this forth. That's what you mean by "this is in process"?

AAM: That is correct.

Steve: You don't mean that "We are waiting a certain amount of time for you guys to pull up your socks."

AAM: No, that's not what we mean. We have waited for you to pull up your socks, as it were. And we do not say that by way of criticism.

But it is a decision that has been made in other arenas as well as your own human arena that it is better to proceed and have, shall we say, some on-the-job training. ...

Steve: Any idea why people are saying really large sums for the Zim?

AAM: They are fantasizing. They are dreaming. They are having grandiose dreams and part of the difficulty with this is also the inflated sense of self-importance and that must not be a guiding principle. ...

Do not forget our purpose and the human purpose of restructuring is not to destroy economies, is not to create mayhem in the streets and that's what these inflated estimations would do.

It would create a new system of haves and have-nots and that is not the purpose of any building of Nova Earth.

There is only one guiding principle and that is the fulfilment of the Mother's dream of love. Anything that would create chaos and more disruption is not of love.

Steve: Is there anything else you the want to say on the subject to lightworkers?

AAM: No, all we say is, "Be realistic my friends. If you want to see, and I know many of you do, governments topple, [will] that toppling crush the populace? If the answer is yes, redirect your attention."

It is not the way we work. It is not the way your star family works. And it is not the way that you as the doers, the lightworkers, are intended to work.

(1) After World War II, President Harry S. Truman tasked Secretary of State General George Marshall with arriving at a financial plan that would save Europe from collapse. The Marshall Plan was the result. It saw Europe receive \$12 billion in grants and aid.

One of the criticisms of the program was that it simply revived the colonial powers while leaving the colonized world and the rest of the globe prostrate from the war.

Archangel Michael: Those Who Are in a Position of Stewardship...

March 4, 2020

<https://goldenageofgaia.com/2020/03/04/aam-those-who-are-in-a-position-of-stewardship/>

In the course of continuing research into my financial responsibilities after the Reval, I'm coming across so many memorable passages.

Here's Archangel Michael giving a description of the events that will ensue with and after the Reval. He compares them to dominoes.

Archangel Michael in a personal reading with Steve Beckow through Linda Dillon, May 27, 2016.

Those who are in a position of stewardship, of beginning projects that lead the way to the building and the re-creation of what Nova Earth is truly about ... become the spokesbeings for many.

Then the safety, security, and welcome factor for the star family becomes more [important].

And then the anchoring of the cities of light becomes greatly facilitated.

And then the adjustment of the, shall we say, stragglers or those who have resisted or who have even been recalcitrant, that have chosen to remain, that work is [also] achieved and underway. (1)

And then, because of that shift of what many think of as the expanded heart consciousness, the knowingness, the bliss, and, yes, moments of ecstasy, you have a planet that is no longer the same. (2)

Now each of these could be thought of as a singular event but it is really a chain reaction at the same time.

The leadership who are the stewards are the ones who are holding the vision and leading the way so all of this can occur in an orderly - well, our idea of orderly; the Mother's idea of orderly - fashion so that it does not create further chaos, further turmoil, further upheaval.

Now it is upheaval but what we would call it is "upliftment." What we would call it, instead of revolution, is spiritual advancement, evolution. But happening in terms of what humanity is used to at a fairly-rapid pace.

So I wanted to begin there to give you an overview of what is happening right now. I'm not talking in the distant future. I am not talking in the next years. I am talking about right now. Is this clear?

Footnotes

(1) By the pillars! The pillars are lightworkers whose agreement is to remain until the last stragglers have boarded the train and then to turn out the lights and shut the door. Gatekeepers assist the willing to ascend; pillars the unsure and barely-willing!

(2) Higher dimensionality brings an immensely-different world. The love, bliss, and peace that we feel creates a whole new scene. We'd never have a thought of harming another.
